dearest sister Therese,

Bless you! --- O' my! I'm
blessed even more! Your letters
and special words of 29 Oct and
1 Nov. just arrived. I am looking
to answer our letters of 21
Oct as well.

It is good to hear that Tommy has
received a return but there is no indication

that there is a cause for one to imagine that was due to some dislike for his doctrine. Deacon
can only do what the congregation calls him for. We will see how things work out as the con-
gregation moves forward. No doubt he should follow through with his duties as Deacon. The LORD
will see to his blessings.

Weren't those woodticks a likeness of some of the little Lime Disease creatures from the
Minnesota woodlands? [SMILE !]. Yes! The LORD made 'em, He can help us out with them.

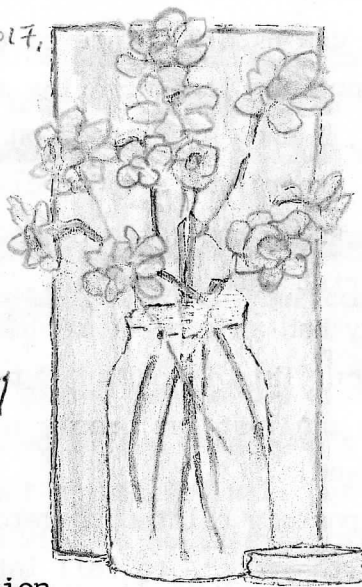

There's more good news re Camp Meeting. Recently Angie lost her father. But the good
news is that as she rose to the situation and spent time at his bedside, he accepted the LORD
before he passed. Her and Amy are part of the congregation started over two years ago by Angie's
husband organized in Waterloo. People are walking with the LORD there and as pastor, Angie's
husband is also active in a jails and prisons ministry.

It was Amy's faith based approach to life and her work at the Womens' shelter in Waterloo
[IOWA] that led to the Iowa Legislature calling on Amy to address the legislature about two
months ago re the problem of incarcerating so many people. She shared here commitment to the
LORD and the well being of people in Iowa. She was very well received and sparked greater at-
tention to meeting the TRUE needs of the people. The seeds planted at Camp Meeting are yield-
ing fruit for the Kingdom now, as they did then. HalleluYah!

You related to the abomination of "same sex" nonsense at the ALC about 1984. This one of
the most serious attacks on the family and our Christian faith. It is NO ACCIDENT! It is by a
serious SATANIC design. Destroy the family, the patriarchal order and you destroy the entire
country . . . the entire world.

You are right. Pastor John did not aid in any way the EXODUS of us and those who felt as
we did. Vested in the salary, retirement plan and health benefits there is a GOTCHA that is a
stong chain around one's neck. Pastor John blew us off and distanced himself from the TRUTH. A
salary and benefits, after all, is far more important than obedience to the Word (Jn 1:1, 14).

You mention your father and family's enlightenment re the Catholic church and the Nation-
al Council of Churches. I just read today that Pope Francis has stated that there is no heaven

the
LORD
brought
you to
mind
today

"I thank my God always concerning you. . ."

no hell and no purgatory. One can hardly relate to the LIES that are coming right out of the churches. The LORD will not continue long suffering much longer with such hypocrisy.

With my German heritage, I have experience on both side of the isle. I have family who are Lutheran, others who are Catholic, and by the grace of God those of us who have been shown the faith by and through the KJV/AV as a follower of our Lord Jesus Christ unto salvation.

Wow! You and your family had an experience that tends to lead people away from the Word and salvation. This is one of Satan's avenues forward for destroying The People. If he can just get people to turn from Jesus, he has the pathway to destruction paved.

The LGBTQ and related apostasy related thereto is a direct affront to the WORD. When the devil can get the people to fall into that apostasy he has dragged them into destruction. (John 10:10). It is wise for us and our duty to expose such and with love of Christ seek to encourage those caught up in the apostasy to repent and turn to the LORD seeking forgiveness and the certain hope in Jesus Christ. Stay where they are and they are sure to be destroyed.

I hope that your work situation has smoothed our following all of the extra efforts for remodeling and accommodating the new environment. It will hopefully result in a more comfortable and efficient work environment.

[SMILE !]

I am so glad for all the prayers and support that allows us greater help for sharing the Certain Hope in Jesus Christ. It means lots of letters must be written and sent out. A small price to pay for helping the people be about our Savior's work in preparation for the fulfilment of his Kingdom.

We are all brightening each other's day and this leading to reaching out to even more of the people with the "Light" (I Jn 1:7) that will truly change this world and prepare for the new heaven and the new earth in due time. So glad the card sent brightness your way!

Mr. Trump has his plate full with the Potomac Mafia and their world-wide racket. There is a protection racket that allows for all the "dilly-dally" with such as the uranium heist as a Clinton Jack-Pot lottery win. The WORD prepares us for such corruption. It is turning out just as it must to render the final defeat of Satan and his demonic forces in readiness for the coming Kingdom of our LORD.

I have been hearing a bit about "Into the Light" on segments of Hanity. It was a rewarding read as you shared what you and your sister saw at the theater. The drama of the emotions of the Pastor and the framework of the Mafia wiseguy giving less than honor for the death of our Savior is not surprizing. They need to get used to TRUTH and just can seem to do it.

Yes, I am familiar with Kent Hovind. We've been privileged to see his DVDs regarding the creation. We are aware of the terrible abuse that he suffered with this BOGUS so-called justice system. I am working up an essay that will show everyone the GAME and how they can convict any body whom they set out to target. "Anybody"!!!

I anticipate the film that they have produced, "Genesis-Paradise Lost" will be an inspiration to all who are able to see it. I look forward to your comments on it, after you and your sister are able to view it.

Murderous attacks on people in numerous places around the country and around the world. This is all predictable. This people and the world are under God's judgment. The apostacy is so vile, so blatant, how can mankind think that a just God will put up with it? We know the outcome of Sodom and can be certain that this will be no less brutal.

Yes, I do remember the "simple-life" that we had just a few decades ago. It was nothing like the abomination that is prevailing today. TV has become so vulgar! The studies that the children are exposed to today are lead ins to the most pornographic lifestyle choices. There is no room for God and no room for the family.

When I was a boy, I looked forward to Perry Mason on Wednesday nights. It had such an influence on me that I longed to be able to work in the law and help people find justice. I was totally LIED to. When my education allowed for me to step into that arena, I was so let down that there is no way to compare that to the anticipation that I had in seeing the people finding justice in the Perry Mason shows. It is ALL A LIE!

I too miss the simpler days. My hope is kept vibrantly alive by the TRUTH, the WORD in our Lord Jesus Christ. May you to have the certain TRUTH that the victory is ours now and forever!!!

With Love, Certain Hope
and Eucharisteo!!!

Is faith a risk? Of course. But failing to step out in faith is to risk missing real life. I have been challenged by the following thought from an unknown author.

R i s k

To laugh is to risk appearing the fool.
To weep is to risk appearing sentimental.
To reach out for another is to risk involvement.
To place our ideas, our dreams, before a crowd is to risk their loss.
To love is to risk not being loved in return.
To live is to risk dying.
To hope is to risk despair.
To try is to risk failure.

Risks must be taken because the greatest hazard in life is to risk nothing. The person who risks nothing does nothing, has nothing, is nothing. He may avoid suffering and sorrow, but he simply cannot learn, feel, change, grow, love . . . live. Chained by his certitudes, he is a slave; he has forfeited freedom.

Passed on to you for your walk in Jesus, the Christ, by a "Montana Freeman"
