Hey Rudy & Erin,

Thank you for sending me books! I already finished the book "God is love" by Dr. Peter S. Ruckman, and am now working on the book "Old Soldiers Never die." All in all I received six books total, and I look forward to reading them all. I called a couple times on two separate days, but no answer. I hope you guys are OK. I'll call again next time I get the phone. I'm still at SDCC, and haven't been moved yet.

Please let people know they can't send me stamps, checks, or ~~hard back~~ hard cover books, or books that aren't sent from the vendor. The prison has been throwing away any mail (including any letters) that were sent with stamps, checks, and books not from the vendor. (Whenever you have time, I know you guys are busy, and I do appreciate the help).

I pray for you guys always. Merry Christmas, and happy early new years.

Your brother in Christ,

Byrne A. Walker

Love ya guys
