Dear Erin and Rudy

January 9th 2018

Thank you for the thoughtful Christmas card. Due to the realization that Christmas has nothing to do with Christ I only sent out one card this year. It went to my mother and essentially said that another Christmas card wouldn't be forthcoming next year. I hope you guys didn't think I forgot about you.

You're right about this being the Twilight Zone where wrong is right and right is wrong. Let me add that it sure resembles a zombie land too. The constant repetition of CNN/FOX news talking points by the automatons surrounding me is a constant torture.

Thanks again for all your assistance and urging to get me to start down this road. Also, the outpouring of support from you ^{has} been amazing. Got a question for you, what is the right word? Followers is cultish, viewers isn't right either, and listeners doesn't fit neither. Well, whatever the correct term is, they have been extremely helpful in my educational/spiritual journey.

Sorry for this being so late. There isn't really a good excuse so I won't use one. Time management is still problematic. ☺

Take care Erin and Rudy.

Sincerely,

Jason
