Dear Rudy & Erin:

Greetings my friends, I pray that this new year is bring forth nothing but Joy and blessings that you both deserve!!

I'm doing fine now, as you aware, I've moved and about ready to be moved again - but I'm fine and happily content as of now.

Yes, it seems that when we made a choice to be a part of Christ's army: The enemy (evil one) will place obstacles in our paths to obscure our vision and true paths we follow, the masterful manipulator will send wolf's in sheep clothing, Foe's who claim to be friends with no other objective but to mislead & lie, anything to remove us from our true character...

But, IF we believe and truly know Jesus in our heart, his trickery will go un-seen, un-felt and we will stand strong at the end of the day smiling with our holy father.

Did you know this fact, that these bibles that I list now are missing ~~major~~ major verses?

total scriptures and words such as Jesus, Lord, God, where these words most need^d be??

listed here, family. Listed to me please!!

Maybe the whole books on line? I have no clue, but my Brother & friend (Will Cullum) sent me this book along with a K-J.V Bible praise Jesus... and once again, our brother (Bless his soul) has opened my eyes to so many things that I was misslead in. So much I was blind and did not know.. Please, this is very important friends

that you seek this information & let it be known.

If you're reading anything listed now (as a bible) --

Bar, BDe, CEV, CJB, DBY, ERV, ESV, GNB, GWN, HNV, ICB, JB, MoF, MSG, NCF, NEB, NEb, NET, NIVu, NIV, NIV84, NJB, NRS, NWT, PHI, REB, RSV, TNIV, WNT...

Is a Bible you like on this list? Do not fall victim of misleading intentions.. Do not be fooled, we are at war with evil, we are at war with the unrighteousness of this world -- Read that book and put down A ^{Bible} ~~Book~~ that will remove our fathers words intertextually..

The King James V. is the only true Book, sides the Holy Bible -- investigate for yourself and contact me "please"...

You who read this are my family, I love you with all my heart, we are fighting an ongoing war that is life or death... Stand up and help me spread the word to our brothers & sisters.

I was reading The (New International Version) until my eyes were opened and I learned how Satan will work his evil ways to corrupt our minds

the way we think and believe... "Get behind me evil one"!!

I Reach out and humbly ask for donations of stamps, u.s postage so I'm able to correspond with the outside world family.. please.. I'm allowed 20[#] stamps, 10[#] pages of paper 10[#] envelopes per letter I receive.. can brothers & sister's send that to me please.

My next stop will most likely be Washington-unit here in Florida, it's a unit set up for ex Gang members like myself.. my case was sent up to the board in Tallahassee and because of my Rank and Status as a member of the organization I was in before "Jesus Saved Me" from the pits of hell I was heading to.. I was sought out by Administration to go to this compound to help ex Gang member start a new life (say with me family) "praise Jesus"... Sometimes when we feel our voices are not heard - we are being monitored always by our father.. doors will be opened to us that have been shut before!!

I knew there was a plan, a mission he wanted me to be on.. it's getting clear now..

Yes, I was a 2nd Capt. in a Street Gang that's nation wide in the U.S.A, my life was full of sin and hostility I'll not mention, that I have overcome and layed down collars →

That I proudly was Blind to were.
 I'm now a (First capti in our fathers Army), ^{By} ~~by~~ doing
 So, by committing my entire life to the love of Jesus Christ
 I have been spit on, Slaped, beater and stabbed multiple
 times in my body -- I walk proudly - head High, Screaming
 the love of our father, and by doing so Risks my
 life on this earth, at the feet of the lord my place
 to sit awaits me Brothers & Sister..

I can not be placed into any open population, I
 am not excepted by the SINNERS who chose to not
 except our fathers love. So I'm shuffled around and
 placed wherever it seems I'll last, for how long...

I'm hated by the organization I served for 30 years
 on the streets & prisons of Florida -- But I'm free
 and loved and our father has a plan in store for
 me (I KNOW) praise Jesus ^{God}

I will not Denounce Jesus Christ as the son of God, I'll will
 not place anybody - or thing above our holy father and if
 my life it costs, I'll Die proudly whispering (praise Jesus)

I'll not allow Gang members to beat another because
 he wants a life with God, I'll not Allow somebody not in
 our army to torment or hurt a brother or Sister because
 he follows Christ -- I'll Stand up and put myself before
 the sword, because our father Gives me my
 strength, my power to overcome evil, and
 Satan knows this.

I'm protected by loving Angels (praise his holy name)
