

## Ambassador Michael Parsons, ACJ (USCT) Tsilhqot'in Nation, Country of the Chilcotin Bio

I have a Mechanical Degree from Southwest College, I was a Special Missions Pilot and Officer in the United States Air Force Civil Air Patrol, a former Special Deputy with the Shelby County Tennessee Sheriff, a former Manager with Federal Express over Aircraft and Trucking operations in East Tennessee, an Adjunct Faculty Member at Southwest College, Licensed General Contractor, Licensed Building Inspector and a Radio Talk Show Host on The Voice of Truth with Mike Parsons.

The Voice of Truth is radio ministry dedicated to exposing corruption in government and restoring our Constitutionally recognized God given rights and teaching my fellow American how to be independent, self-sufficient and self-governing. As a man of faith, I was saved at 5, baptized at 8 and now as an Ordained Minister by the Native American Church of Nemenhah and recognized as a medicine man and traditional leader. My way is focused on practicing and promoting reliance on our Creator's ways of natural health care, living independent, self-governed and in harmony with all of God's creation.

I am a farmer and with my wife of 30 years, Mrs. Parsons and I raise organic hay, dairy goats, horses, rabbits, chickens and for 38 years I have raised wolves. I have worked to educate the public and dispel the false myths that wolves are dangerous to man and have provided wolves to autistic children and families seeking the world's best family companion animal.

Mrs. Parsons and I have raised our son in ministry and music and he has attained many successes in both including performances at Julliard Music Conservatory, a Music Minister and conductor for several churches and Orchestras. He has traveled the world playing music and now is the Director of Bands for the largest private Christian School in America.

In 2015 I was adopted into the Tsilhqot'in Nation as a full tribal member and appointed to the position of Associate Chief Justice for efforts with getting their children back from the Canadian government. Like the corporations posing as government here, Canada profits off the backs of the people including Native American children they kidnap for a \$300,000 profit per child they use to balance their books.

On January 1, 2016, I was appointed Ambassador of the sovereign Tsilhqot'in Nation, Country of the Chilcotin, working to restore the native children kidnapped by the Canadian Child Ministries by creating a billion dollar timber deal that would provide jobs for all Chilcotin tribal members, as well as people from Tennessee involved in the production, harvesting and management of Tsilhqot'in timber resources. In the Summer of 2016, I was honored to serve notice of the new County of the Chilcotin upon the U.N., seeking peaceful relations with the people of the world.
