2. I have a KJV & other Bibles.
3. I hope you understand, but I am way too shy about ever going out my door or even age, altho both have been breached online a few times despite my efforts to contain that. Plus I was a celebrity, so I'm sure that info is well out there, tho if I could help it, it would not be.

Surfprize to say; I've been in prison 35 years & came in in my 20s.

4. Arrest date 1-16-1983. Conviction 9-1-83. Sentenced to prison 9-29-83.

5. Conviction: 2d degree murder. Acquitted of 1st degree.

6. I am innocent of any crime. I shot a man in my home in self-defense. Police expedited killing him - I called

7. Support System: get best greatest SWISSERS & not very ~~more~~ effective or efficient. Learn all about my case & my life history at

8. I'd love to call you & have my voice online to tell my story. That would MAKE MY YEAR!

9. NO CRIMES & NO SMALL in Calif prisons. Period!

10. Needs: they never end. But I don't like to ask people to who I'd become a burden. We can discuss this more - soon, I hope.

11. Yes: I am an innocent political prisoner; My big difference: I CAN PROVE IT - ABSOLUTELY - beyond debate or rebuttal: I have.

12. Calls recorded, I like that.

I will try to phone you But Calif. has an expensive phone call system & I doubt I'll get thru w/o several jumping thru a few hoops on your end. If you're willing, I will explain next etc.

Thank you for your willingness to help & your interest.
May our Father bless you & your free (that's my name).
