

Greetings to Lazor supporters:

Just received the following letter from Lazor to be forwarded to all after a recent update. This involves the need for a letter to his attorney in support of the argument to the judge re the Pending Motion for Habeas Corpus release. Some of you have already written, and we appreciate that. This is a reminder and a guide to those who could still respond.

“THIS IS THE MOST IMPORTANT LETTER I’ve ever written you concerning my freedom, far more than any past letter regarding parole hearings. Our State Supreme Court has just issued a watershed case days ago, which contains a decisive precedent that the judge who is sitting on my two year old Motion for Release could use in ORDERING MY IMMEDIATE RELEASE. This all hinges on whether my imprisonment meets the quoted standard of being such that it “SHOCKS THE CONSCIENCE”. Most judges get buried in ‘legalese’ and lose sight of OBJECTIVE reality concerning what 35 years means to normal people. So I need as many of my Supporters as possible to express their SHOCK in their own words in a brief letter to my attorney to be used as evidence in court.”

"This may FINALLY be my last chance to be released! Please send your email, FAX, or letter soon as

my case could be decided within a couple weeks. Send to: (Whichever is most convenient)"

The following are some guidelines:

In your own words you can make comments such as Lazor's imprisonment has been "unbelievable", "bewildering" "Shocking to one's conscience", etc. He came from a flawless background and an asset to society. All those years for an apparently self-defense shooting that California later legalized in defense of one's home. Has served more time for 2nd degree murder than many have for 1st degree. Not a threat to society. Self-defense shooting only incident of violence, after which he called police and ambulance. Many offers to accept him back into civilian life. Long list of dedicated followers who are respected on the outside speaks for itself.

No cover letter required. Just address it to Mr. Weaver. You could write APPEAL FOR FREE LAZOR #73842 across the top.

This email is being sent in support of Freedom of PF "Free" Lazor. I have been educating myself about his case and have communicated with him via US Mail. It is shocking to my conscious that Mr. Lazor has spent 35 years of imprisonment for a case of self defense. Given Mr. Lazor was a model citizen before this incident, I find this sentence incredibly harsh, cruel and unusual. Please use your influence and position of authority to bring about freedom for Mr. Lazor.

The list of books below are just a small sample showing that we have major problems with our prison system. Please give us some good news and hope in the system and set Mr. Lazor Free.
