Dear Rudy,

I was burned out when inputting the 8th and last of my emails about prearrest to present from my memory. I hope it was alright.

I am putting in an Application for Pardon and/or Commutation to the MDOC Parole Board for my release. I wrote the Veterans Administration for 2-years asking for info on Veteran's housing to go to upon release without response. Can someone send me info from

SATAN'S ATTACKS

Society is deteriorating rapidly so we must always be alert to spiritual power behind the scenes, I Peter 5:8, to cognitively perceive activities of the devil in the world. II Corinthians 2:11; I Thessalonians 5:6. Society daily reflects the satanic mindset in ever increasing degrees. The devil's objective is simple: Destruction of humanity with priority on the precious few truly called firstfruits.

Consider some basic traits of Satan, his manifestations in the world and ugliness thereof. Satan appears in Revelation 12:3 as the grotesque appearance of a great red dragon. This ugliness reflects Satan's mindset. Satan once had great beauty as noted in Ezekiel 28:17, but his present hatred of beauty is manifested throughout the world.

Whereas, at one time, people took pride in their appearance, the emphasis of the unsaved world is now vulgarity, untidiness and radical behavior. Uncouthness in manners and foul language have largely replaced social graces of yesteryear. Bad jokes seem acceptable in most places. Ugliness (often as violence & hate) of the lowest denominator is present in modern arts, cinema, television and music of the unsaved. This ugly hatred is particularly noticeable in left-wing activists and media who say others do not have a right to speak the Truth or practice their ethnic, religious beliefs or customs.

Satan does not want us to be the true holiness to which we are called. We must daily strive to maintain a holy life, regardless of circumstances, to see the Lord. Revelation 21:8. We are assured holiness by not conforming to our former lusts. I Peter 1:14-16. "Do not conform to this age but be transformed by the renewal of your mind" in Christ. Romans 12:12. When the devil tears down the world around us, because it is a slave to sin, we can still remain separate by being true to our calling with Jesus no matter where we are.

Be of renewed Spirit in contrast to the world around us. Ephesians 4:22-24. God makes all things new. Revelation 21:1-5.

Satan uses powers of the De Facto State to sideline and exclude Christianity from Society because We the People have fallen asleep, often in the complacency of an easy life for ourselves. The following U.S. Supreme Court decisions have undermined our Christian foundation: In 1948, *McCullum vs Board of Education* forbid mixing of sectarian with secular

instruction in public schools, thereby outlawing the Christian foundation of our Society being taught. In 1962 and 1963, Engel vs Vitale and Abington Schools vs Schemp outlawed prayer in public schools and began the evil that is now daily violence in most cities for lack of Godly focus. In 1980, Stone vs Graham forbid displaying the Ten Commandments in public schools because they would "induce school children to read, meditate upon, perhaps to venerate and obey the Commandments", which are the basis of civilized society. In 1985, Wallace vs Jaffe outlawed a period of silence in public schools because it might "encourage religious activity". In 1987, Edwards vs Aquillard outlawed teaching of creation science alongside the theory of evolution (a false religion). Satan's attacks can be from the top down and mimic planks of the Communist Manifesto or tenets.

I studied the case of Roe vs Wade (1973) which promotes abortion in the United States. The case is based on the tenets of Baal worship, the sacrifice of innocents. This dates back to ancient Babylon, the First Reich. Baal is Zeus to the Greeks and Jupiter Olympus to the Romans. Over 50-million innocent lives have been sacrificed since We the People of this country, the real authority, allowed Satan worship to be instituted in this aspect in 1973. Have you allowed yourself to be programmed into believing the murder of innocent babies is right based on a twisted perception of Romans 13? See Jeremiah 17:5; Acts 5:29.

The nightmare of total power over the State cited in Revelation 13 can bring total famine of the Word of God. See Amos 8:11. From the 1960s on, these rules of law were propagated under the lie of protecting civil liberties, a lie of Satan, by the ACLU (Anti-Christ Litigation Unit). Such creeping incrementalism, a communist modus operandi, is an effective weapon because, from generation to generation, the Ways of God are forgotten one tenet at a time. The new generations, having forgotten God's Ways, then wrongfully perceive the evil laws of genocide as being right. See Isaiah 3:12.

Another aspect to consider in Satan's misleadings is the present hatred of the Godly. See Hosea 9:7. The great hatred of the Godly at the time of the return of Christ is not minuscule but is a wholly organized movement from the major centers of learning which is now becoming violent like the Bolshevik Revolution of Karl Marx. It is a burning public hatred whereas in times past it was more private. God is blasphemed and mocked as never before. Revelation 11:18. Anger will have filled the earth at the time of the return of Christ. Revelation 16:9, 11. This satanically-inspired anger will result in many deaths. Revelation 19:19-21. Satan is an angry being. Revelation 12:12. Are you feeding your soul with worldly programming of Satan that is the hatred and violence taught by the left-wing media? A Saint should not acquiesce his or her mind to Satan's programming. Jude 24.

The best rule to follow is to COME OUT AND BE SEPARATE!!!
