My dear brother Will,

By His grace, it is my privilege and honor, a blessing to share with you! Greetings in the name of our Lord Jesus, the Christ. It is spring fading into summer very quickly. I pray you and yours are all enjoying the season and that His goodness and mercy is sufficient for all.

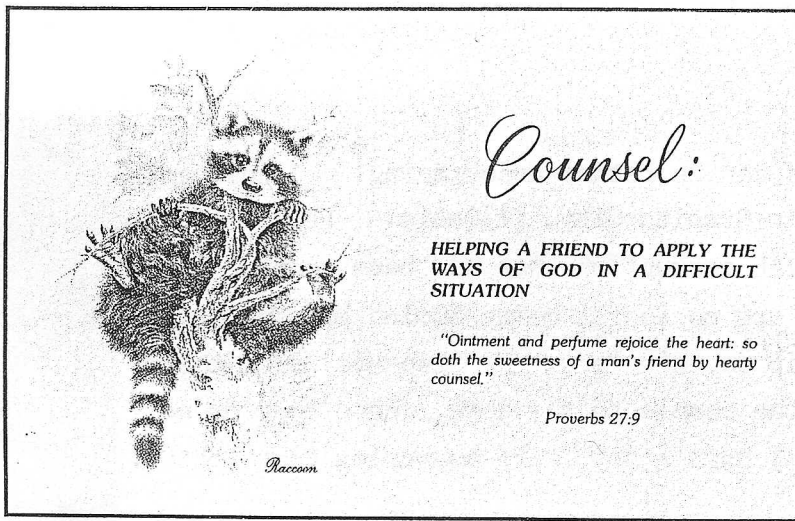

I'll bet the little Billies and Nannies are growing like weeds. They are very much the master work of our Creator. The season is good if you have enjoyed the cooler spring conditions that we have been blessed with here in southern Indiana. Surely it's about time for putting up hay. Of course, I have many memories of putting up hay. It was a continuous effort all the while I grew up. Perhaps you will be blessed with sources of hay for your precious family of livestock there in Kansas.

As you can see from my stationary, I am once again very blessed with your generous sharing. I pray that you to enjoy many blessings as I cannot put into words how very special your sharing is for me. I actually have a pair of shoes for the first time in a long time. It also affords some T-shirts, under shorts and socks that I would never have, were it not for your goodness and mercy. Thank you Will, from the bottom of my ever so thankful heart!!!

I pray that you and your grandparents are daily wrapped in the provision and protection of The WORD (Jn 1:1, 14). Please join myself and others who are coming to the realization of prayers for those who have been persecuting us, as well all who are in need of prayer. Matthew chs. 5; 6; 7 our model for life and living!!! Our AV/KJV has the very formula for our lives and all eternity!!!

The resource you shared with me that points out how much is "missing" all of the translations that are foisted on an unsuspecting mass of people who go shopping for their Bible. Sadly we see some of them here. Even when there are several verses missing there is not the reaction one would expect. I encourage and pray privately for those to.

While it is not wise to share any details, know that The LORD is working and there is growing reason for thanksgiving in expectation of liberation of us in these conditions much sooner than the wicked had hoped for.

There may be something that friends of those in Texas can do to assist their prison ministry as is being persecuted by the system by censoring their access to their friends who are being subjected to the horrid conditions of draconian sentences in prisons "on America". What is really happening sponsored by the "prisons for profits \$\$\$ gangs" who do NOT what people to have the benefits of the law and justice?

Many of our family members are seeing to gathering others in prayer for us. That is a real blessing, especially when one realizes the gravity of the persecution of more and more people, so often innocent people, robbed and imprisoned for "profits" \$\$\$ for the things that would never be a legitimate crime even if they actually did such. Most people are blind to the massive corruption that has made an unconscienable business out of locking people up for decades. It is so bad that many civilized countries around the world refuse to extridite people to the UNITED STATES, knowing the horrid scheme that has become "normal" in the united States of America. Satan never had it so good!!!

If this were legitimate, it would make NO difference how much mail we sent out or received. If we sent 500 lbs each day it would make NO DIFFERENCE. And time spent on the phone would not matter. If we were all calling every hour of the day any one we could imagine, or e-mailing without any monitoring at all it would not change the fact we were lawfully convicted and imprisoned. The REAL situation is this FRAUD has NO LAWFUL FOUNDATION and they must oppress us mercilessly to avert the TRUTH getting out and people becoming aware of the CONCENTRATION KAMPS all across America TODAY!!! This is just like the USSR gulag system; NAZI occupied Europe; Red China; etc. A multi-trillion dollar business that is destroying our country and millions of innocent people inside and outside prisons every year. We must call on Jesus, the Christ for His intervention that this evil is stopped on America. This, is why they hate EXPOSURE of the TRUTH!!!! Thank you Will for joining me in prayer for the LORD's intervention and just righteousness in all of this.

Letters from our friends can be rather encouraging! I just got a fine letter from a friend in Granite City, Illinois. People are seeing the reality of the TOTAL corruption that has been running amok in these states united. And are no longer being fooled by the evil deception that has such a grip on this land. We also see that there is much SIN that is rotting the people to the core, where they do not know and follow Jesus. I will have a good time answering that letter.

Before all of this happened, I lived for about 25 years in the Waterloo-Cedar Falls, Iowa area. There was very little violence and certainly not murders and such every week. Today, two of our adult children and their families live there. And it is a growing nightmare of violence, especially in the youth. Our son is a middle school principal and athletic director. He recently told me on a phone call that a young fellow (18) who had been one of his students when he was the principal at George Washington Academy for four years had been stabbed to death. Our daughter, who is a Director of a women's shelter, told me that two weeks ago four young people were shot, two died; and this last weekend, another teenager was murdered. The devil is having a hay-day there. I truly thank GOD knowing that our children are sound in their Christian faith. Still there is cause for prayers night and day. Amy, GOD bless her is a prayer warrior!

Let us hope and pray that we are all able for good witness for the Kingdom of GOD and that our walk with the LORD is truly a blessing for all he would have us serve.

Prayer

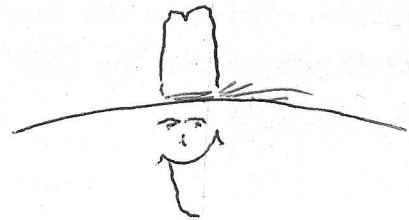

Dear LORD Jesus please stand by me;
Guide me and direct my life;
Teach me what I need to know;
Help me with my work;
Let me serve Thee and others,
that I may be counted worthy of Thy
mercy and grace. Amen.

May we work together for our Heavenly Father's Kindom is coming! God bless you and yours now and forever.

with Love of Christ,
your faithful servant,

rex-russell-dean
