Jonah and The Whale

A little 5 yr. old girl was talking to a little 6 yr. old boy down the road on her front porch. The little boy said ain't no way a whale can swallow up a grown man. Physically impossible. Every body knows that. The little girl responded - well, the preacher man Jonah was swallowed up by a big whale. No way said the little boy. Physically impossible. Well then said the little girl, when I get to heaven, I'll just have to ask Jonah about it. Then the little boy said, what if Jonah went to hell? The little girl thought about it for a couple of seconds, then replied. Well, then I guess your gonna have to ask him for me (SMILE)

a former P.A. Blind Injustice, Mark Godley
Very insightful to lots of area in
the justice system. Plenty of reform
is needed for sure.

I only have a few photos. Since
you have 2 already. I am adding 3
color photographs, and 5 copies prints,
If you can add all of them. Be
good.

Photo of Mother is my favorite photo
I have. The other one is the vehicle
truck Mother help buy for me in 2006
The other is a dinner at Golden Corral
restaurant.

The copies are of my god-daughter
Tommie. The house I lived in the whole
6 yrs. in mobile. The favorite tree lightning
hit, I turn into a ~~shiner~~^{shiner} cross. It
has a 9 foot cement circle slab around
the bottom. Lots of favorite Bible verses and
all of Mother 10 children birth days, her
birth day, marriage date. The tree was hit by
lightning and most of the top and middle was
rotting from it. So, I cut it off and
put the cross of Christ and the 2
sinner who died with Him on it. Solar lights
light it up at night. Some thought it
was good, other condemn me for it.

I got the one photo
back, and the respys
sheet. Thanks.

(4) P.S. I hope you
received my long
2 letters. If already
sent you - let me know

It was out of honor for my hard and
savior, Jesus Christ, and for the memory
and love of my mother. The shiner
carry great value to me. More than
just sympathy feeling, but much deeper
in moral values.

First week I had mother grave stone
put in. The head stone cover dates and
loving memories of her as God's daughter. A
pious wife, mother, grand mother and friend.

The picture Tomisina is one during
V. B. school. We dress up as cowboy and
indian. She was 10 when I was arrested.
Adopted her when she was 5, or rather she
adopted me, so her mother allow me to
be appointed her god father. She call me
uncle Dennis, a few dozen children did.

Well, gonna keep this short. I
will call you, if I can borrow
one of the guard personal phones.
Will be able to have a live camera hook
up. If not. the state phone is available
during the day til 9:30p.m.

God bless, thank you both for all
your doing to rally up support for
volunteers to gather the truth to help
exonerate me. I believe the reversal will come
soon. Amen. Peace & love, your friend
