Dear Rudy,

Jackson, MI 49201

Thanks for the 2 emails. A friend wants the present address of Ed + Elaine Brown. Please send it if you know it. PTL! I've looked for it for years.

I will wait until I read the "Child Auctions" article before I telephone you, to save funds. I costs about \$4 for 15-minutes. I can call you collect our you can send funds and I'll pay from here.

Enclosed is a GTL form for sending me funds. Since I had to have someone sneak this in, I would appreciate it if you copy the form and send the original back to me. MDOC has a strange attitude about STAFF bringing us forms from up front.

I can send you a copy of my book, "Satanic Deception; a De Facto Government" if they will let me copy it. It may be 77 pages in ~~book~~ book form or 44 pages in manuscript form. It's ~~\$~~ 10¢ per page and about \$2.31 for postage. I'll have to figure out where MDOC misplaced <sup>or took it</sup> it during a shakedown of my footlockers. "Child Auctions" is from the book.

I had food poisoning <sup>on</sup> ~~\$~~ 14 APRIL 2018 from a "Salisbury Patty". From 0001 to 0900 hours on 15 APRIL 2018, I vomited 5-times. I'm still weak but recovering and may have H. Pylori as a result. Thank God that Trinity Food Service will be terminated in JULY 2018 - if we survive their abuses.

I have a 4-page summary of this. Part of this is mentioned in "Child Auctions" because the book is about using Project Monarch to ~~use~~ <sup>use</sup> children to control politicians.

Regarding "Child Auctions": 1997, I had to do everything I could to recall facts from the 1970s to save her two boys from the Society that held the auctions. I made an affidavit to those facts and wrote legal pleadings to help Linda Wiegand save her boys. It was strange when I walked into the library as Jesus had placed the exact book I needed as a discard on a shelf right in front of me. I opened the book, then it fell right to the page on a satanic priest she was going against. Her attorney called "my work" "brilliant" but I made sure that they knew it was the Lord, Jesus Christ.

At that same time, Connie Schleicher was in a Louisiana prison, held by the feds for 1-year with no trial on tax evasion. I ~~opened~~ <sup>opened</sup> 2 books at the library to find cases for me but both books fell open to the cases Connie needed. I wrote a motion and she was free in 2-weeks.

At the same time, I was a defense witness for a guy doing life imprisonment for a murder he did not commit. I'd overheard the perpetrator bragging that Dr. Fisher\* was in prison for the crime the perpetrator did, so I testified to such. The Wayne County Prosecutor hated me.

Jesus put me in the position to help these people and I "took the ball by the horns." I merely followed the leading of the Lord. I believe the satanic cult tried to kill me but, PTL, Jesus got me through.

God Bless,  
Garry M.

RE: A New Beginning

Dear Rudy,

This is the first Gospel Song I wrote. After fasting and praying a few weeks, the Holy Spirit suddenly

gave it to me. I wrote it out within an hour or two. The next day, I played it at a Christian banquet without ever practicing it, without making a mistake.

Faithful Ways Music is a 501(c)(3) that I intended to put funds from my music in to with intent to help Military Veterans getting out of prison.

Faithful Ways is my 2nd song of which any royalties, etc. were to go into Faithful Ways Ministries/Music to support the purpose.

When I could photocopy music, Motherless Child was one of my training lessons for the music class I teach. Someone accidentally copied it, rather than the

2nd page so the 2nd page had to be handwritten.

I do not speak over the telephone or email anything regarding my ministry or funds from songs but only write in U.S. Mail. The ministry ~~is~~ not yet running

because I have not been out to run it.

Sincerely,

Garry M. Nottingham

 A long way from home.

 A long way from home,
