Dear MR DAVIS,

7-10-18

Hello there and thank u for the Jubile printouts, very nice and appreciated.

TO answer your questions:

Yes I have a King James Bible and belief in thy Lord and Savior Jesus Christ and close relationship with God. I was born 5-19-77.

Release date currently 2032.

I was convicted of Murder 1^o and Manslaughter 1^o for a self defense shooting where another young man drug dealer was shot, after pulling a Tech-9 gun out on me and my co defendant.

I'm innocent of Murder 1^o and guilty of Manslaughter 1^o but I got a sentence for both crimes.

I always have Christ and God for support and old friends were not real at all so my only

support system is my mother & father. God bless them and

you and your wife. I can email @JPAY.com / Jess Smith # 739951 if you get on my list and leave a reply stamp.

As of what I need. I must SAY Love is a need for most of us convicted and condemned in these prisons and thank you

for your love in Christ that
was inspired your services.

My story and now supporting
evidence is on the prison
inmates online site and prayers
with public awareness is all
I can hope for.

Here are some good reads
too for you. David Icker's
books, The Truth Shall set
you free and Perception,
Deception. It details alot
of government conspiracy
actors and I deduced that
the plan of some world
actors was to kill off the
Christians and Muslims by
putting religious wars into play
and by covert genocides.
Currently in America this is
happening at 40 to 50 over-
doses a year on pills alone.
I pray for something better
for humanity. Many groups such
as the powerful Jewish use
history to further destruction in
the future. A one Jewish world
maybe but we are all children
of God and that plan will not
be true or they would of
had the world alone. Some
religions and teachers use

Gods word to manipulate their
own words and agendas,
even some Christians who
rape kids. Thats abuse of
thy word of Christ.

well I will send this
back to you and will talke
to you in the near future.

CHRIST LOVE
