Mr. & Mrs. Rudy & Erin Davis
P.O. Box 2088
Farney, TX 75126-6647

Hello over there in Texas to you both:
Mr. Rudy and Mrs. Erin,

Warm joyful greetings in our
Redeemer Jesus Christ Holy name.

I pray you both in great health,
safe and prospering in spirit and life.

It is Sunday nite. Due to no show
on enough guards, no church service and/or
recreational you call. Thank God for His
Christian networks. I get Daystar and
TBN real well. Lots of favorite teachers
and preachers on it. Anon Listen to
Rev. Matt Hagee today on grace today.
Very insightful. Amazing grace for
every body, Righteous and unrighteous
alike. We all have it available to us.
Saving grace only for those of us
who have accepted God's salvation.
We step to Jesus and repented, confessed
all our wrongs, and embrace Him. Accepted
His forgiveness, His sacrifice in our place.
We have pledge our alliance to Him as
our Lord and Savior. We give up our
own nature and ex-changed it for His
new supernatural divine nature. So
important to recognize it was an ex-
change. Not a overhaul and some big
improvement course to correct all our

defeats, Hallelujah - We get overshadowed by God Almighty. Just like Mary did when Jesus was birth in her. We get rebirth too, Into God Himself. By His Holy Spirit doing. If we don't get our new nature from Him, It is all a game. Once we do receive this glorious gift, then man our lives never be the same again! Now pastor Matt went on to teach growing up grace. Now I love listening to dozens of the big boys teach on this, Kenneth Copeland, Joel Osteen, T.D. Jakes, Rev. Wain, John Hagee, Charles Copps, Andrew Womack, Joyce Meyer, I could go on and on, Cause I grew up with the giants of our day, Rev. Billy Graham, I personal saw and listen to, Martin Luther King, Oral Robinson, Jimmy Baker, Jimmy Stewart, to say a few old timer. I happen to believe the spirit Adam lost, in the garden, you can refer to it many ways, Conscience mortality, spirituality, however you want to say it, Jesus replace it. He is able to make us whole, complete again. By virtue of his merit and credit on totally obeying God's will. He is our

perfect substitute, our perfect sacrifice. Not only did God accept him, on that bloody tree (cross), when he quoted King David in saying - My God, My God, Why have you forsaken me. all the 3 worlds stood up and took notice at what our Heavenly Father was actually doing. Not only did he order counsel meeting in the halls of justice at his throne room court of the most holy of holies, All 24 elders all the archangels, every one there, heard his announcement, and saw what he did in action and deed. Glory to God Almighty for ever and ever. For all the foolish people who refuse to believe he ascended down personally and enter Christ Jesus body with his own self. His Holy Spirit doesn't shine any brighter than at that time in humanity history, As the Father showing His great and powerful compassionate love for each one of us. I tell you brother Rudy. It is a great time to be alive on planet earth right now as

(4)

the elect group of God to be
honor and privileged to be adopted
into a perfect positional sonship
or daughtership. Wheew! glory Hallelujah
Just think man, God Almighty knows
you personally. He can have all
7.3 billion call out to Him at
one time, and if you do, He can
identify your voice as you being you.
Truely amazing for sure.

But back to my point. I am
of the opinion our new birth not
like some folks claim, we start as
baby spirit and grow through the course
of time like a human. No some may
lack the correct knowledge to convey
their discovering, and/or uncovering
and call it growing. But I am
totally convinced that our new
birth sperm by God's Holy Ghost
when He overshadow us? Is given
back to us, a part of God Himself
in this spirituality. We get birth
from His supernatural divine nature.
Not as a baby, the first Adam
never was a baby, a teenager or none
of that. God created him full grown.
and He does us in the Bobby of

(5)

Christ the same way. I realize that I knock your sock off to consider. But put it in the true perspective, our new birth will always be the real us in Heaven for eternity. To claim we only grow inside a human body is silly to me. Any body who loves God written holy word. Has learn and study on this subject. Show have come to this truth. Our new spirit don't drink water, our new spirit don't breathe air, our new spirit don't eat food, our new spirit is totally spiritual! He don't need sleep, rest or none of that. All that is for our human side. Parts of the earthly vessel. Now, check this out. Think it through on your own and of course go to Christ Jesus and His Holy Spirit, you can via your faith sense, go to God's throne room. But His Holy Spirit seal, mark on you. You can go inside your self and speak with Him personally. All mature believers who as we refer to growing up in the milk of the word, then the bread of life of the word. Which of course is Jesus, or into the meat

of the holy ~~sp~~ scripture world. We refer to it in human terms, to say and express this transfiguration event. Well, to be frank, for some it is so huge. They only repeat what they hear on it. But we by God's guidance and leadership uncover and discover not only who he is brother Rudy, but also our whole destiny proposition in this new adopted family of God Almighty. Many don't recognize or realize we are able to right now live exist, operate in God's Kingdom today. Right now Heaven about to take plant earth by force. Nothing the enemy can do to stop our King. Hallelujah! God Almighty our Creator and Heavenly Father has declared, decree it to be so, the and you in Rev. ch. 4 going to the celebration wedding, later in 6 the tribulation, I won't be here for that. Hallelujah I've already died all I can ever gonna die. I died in the bloody atter of my savior at the foot of the cross bro. Rudy, my robe is dipped

D

in His blood. It is white cause He
gave it to me like that. Some don't
know their place, Couldn't tell you
their own rank, much less any body
else in the body. Still, for discussion
sake. The point of growing up in the
spirit of Christ or God. I understand
it to be a full grown gift. God don't
half way do nothing. Just imagine brother
Rudy. Write down in the book of life.
The book of life in Heaven, you
got and received your new birth. It
is brand new now today, as when
you got it. I been born again
since. I was a mere child. I'll be
60 in a few days. So, for 55 yrs.
Christ Jesus new supernatural divine
Holy Ghost nature has resided Dwell
in me. I did not see, I abided
in Him. Cause my stupidity, I strayed
I was deceived, tricked by the enemy.
Did not get the true facts of I
fight with my extra faith sense,
not sight or feeling. So like others,
I struggle foolishly too. Once you
get it correctly though, once you
learn God's Holy Spirit dwell inside your
new spirit. Then you can put your

(8)

natural sense of your carnal mind.
on pause and go into your conscience
(soul), (heart), (spirit) (subconscious)
How ever you come to express it,
St. Paul, St. Peter, St. John all said
the same thing, only with different
words, like secret man, hidden man,
interior man. Still once you learn
how to perceived God Almighty the
spirit speaking to you inside your
own new spirit. Life get into that
mature state. We all go at our
own rate, but I am convince it
don't have to be 20, 50, 100 yrs.
to find the resting, secret place
inside your intimate relationship
with Christ Jesus. His lordship is
supreme to those of us like Brother
(Saint) Paul. When that light hit
Paul, knock him off the ass he
was riding, on to his on behind. He
saw God's glorious light for himself.
Since God can take a task force
commandore going around rounding up
dozens and dozens of our brother and
sisters to be murder. God can forgive
the worst of us, we too can forgive
any thing or any body too. We are His

(9)

children. Birth into His family and now He intervenes through our lives to reflect His glory. Not really a mystery. To some who not in the know, and are outside the body of the elect, they may claim it is a mystery. But you and I know better. God's Holy Word is His ideas, thoughts, His will. Malachi 3:6 claim He doesn't change, what is it referring to? His character of course! He changed His mind on the covenant didn't He? He made a perfect one after Noe! Not for us, but really could man do it. Some did, cause we got Job and other books that proclaim some did. Still due to our own shortcomings, our defeats. God decided to love us even more, and call Christ up to come down here. Jesus answered the call too! He step up in the Holy of Holies, inside God Almighty Heavenly throne room, and agreed to come down here. Truly amazing! His successful mission is for the ages!! Do you realize in the laboratory in Heaven when God, Jesus, and the Holy Ghost was practicing

creating angels, then moved on to man. That once they got it right. God tells us in Genesis 1:1. In the beginning God created the heavens and the earth. Who beginning? Us, the 3 dimensional realm, our universe, Natural nature! When they brought down their know how. God perform Adam from the dust! Then He breathe inside (into) him His Holy Spirit of life. It was on then Brother Rudy. We was given instruction to care for, manage planet earth. We are to rule, subdue and yes, dominate who gotten and all his fallen followers. They watch in total amazement at humanity finally coming into existence. They had already when decree out of heaven. They no longer could go to and form without effort. You know the story... all this none sense of millions of yrs. is silly about the earth existence. All the bones are from the homo-sapien period of Adam to Noel. They look age like bones cause of their lack of conscience sense. They turn to the forces of evilness and got very wicked. God loves each and

(11)

one of them too. I can prove it. You and I can hold fire work sparkles in our hands, God can hold stars in His. You and I can play with 9 marbles, in our hands, God can hold 9 planets in His. He could trump the sun into the earth or shoot the earth into the sun like you and I shoot a slingshot. But just the fact that the house boat. The Ark took a 100 yrs. to be built. God continues to give His creation time to reconsider. He was not grieved, sudden that He made them. He was ~~not~~ grieved because of their choices they choose darkness instead of His glorious light. Like a disease infected cattle. Not to destroy them, will cause their polluted, contamination to all the rest. He would not heal any one of them. But they refuse to show His true love. Did He not send our King Jesus Christ to them too? Sure He did. He covered a lot of labor in the 3 days He was in the grave! And glory to God He is still busy today! Both in Heaven and here on earth. Remember a

Kingdom only exist as long as the ruler, the true emperor is in charge and govern it. We call Jesus's Kingdom the body of the (His) church of true believers! Each one of us is known world wide, globally by all the spiritual activities going on on both side. Why? Cause we got our mark our seal already!! His Holy Spirit D.N.A. if you like.

But enough, your a busy fella. I sit down to do the assign of a time line with my relationship of Joshua. So I will. I'll keep it brief like you suggested, Touch an important high light.

In April 2005, my mother summoned me back home to mobile, Al. To become her full time care giver. She was 87 yrs old. My sibling was trying to put her in a rest home. For her estate. I was on parole in Corinth MS. After a 25 1/2 yr. prison sentence, From a 1979 killing which I step up and admitted like Moses, I had shoot 2 grown men in defense of my nephew. ~~but~~ I refuse all deals and accepted the punishment of 2 life sentence. I had 3 lawyer paid for in advance, who

tried to get me to give them the chance to get a 15 to 20 yr. manslaughter at worst. But I felt lead by God's Holy Spirit to come 100% clear, so I got the 2 life sentence. After 25 1/2 yrs. was parole, doing well, mother call, and I was blessed with what is call a dual, double parole status while living, caring for mother. She was a full time member of Pastor Terry Sr's Neil, Power of God worship Center Church. So, I was privilege to carry her 2, 3 times a week to his gathering for about a year and a half.

Mother departed in Sept. of 2006. I continue to go to Pastor Terry Church for another 5 yrs. Plus several other churches, like Gateway Baptist in Savannah, my sister church. But I went hundreds of time to Sunday and wed night for 5 yrs!!! Brother Terry was 1:00 to 4:00 on Sunday and Tuesday night service. So, I got to go to each of them 90 to 100 time each yr. Hundreds of members at both churches can testify I am well known.

Well, a member of our church, sister

sister Janet (red headed) her husband
brother Phillip (best guitarist in our
congregation). She has a nephew
name Joshua Michael Duncan. He some
time come visit with his grand mother
Mrs. Dorothy Houston, Due to me being
on several committee, like in the
choir, on clear up detail, on the
funeral and wedding group. Do duty work
as a usher in church, be it to help
gift members, or help take up collection
plate by passing it, or counsel at the
altar call services. I was involved and
consider my self a real asset to the
church. We had a food bank out reach. I
probably pack 2 thousand or more boxes in
the weeks I served. Carry out to under
car trunk etc. Use to donate my trailer
and time to go pick it up and bus it
back to the church building, a fish and
clothe store. Look at being assigned to
go pick up donation of clothes, furniture
what ever. Help raise Bible school funds
for vacation Bible school. Lots of celebration
on holiday events. Being assign job
duties by the Pastor. But my way.
I met Josh as a visitor, spoken
with him, while counseling young and

even though we was only acquainted by sight. I got to associate with him. By his grand mother was rip off on a concrete job she had hire a company. She ask me to help her. Sir, it is one was a joy for me to help widow of God's church. The denomination branch never been a issue. Since we are all on the same tree (Jesus Christ's family of believers) well, I pour 7 $\frac{1}{2}$ yard of concrete, anchor over 300 steel bolts, put in pipe for a full bath room, free of charge, used a lot of my own material for the flat form bed well. Over a few years, Mrs. Houston ask me to do chow, taste for her. For instant, she had a dog to die and a back yard fence, dog house to all be moved. About 100 by 150, chain link fence with concrete on the poles. Well, any way. I was a regular at her daughter Rose Jon, who husband was like 500, 550 pounds. Hege and could not push a lawn mower or get on the roof and do certain things, but like I said, he was the best guitarist we had. So, I was happy to do things over the few years

10

for them. I'll see Joshua from time to time, and even work with cleaning chores, I tried to mentor him some, he was in his 20's when I met him, About 24, or close to it when he died. Well, in August 2011. I was on my way to Lucedale MS. At a live stock yard cattle sell. I went probably over 200 times in a 5 yr. period. Learning the trade and they had a yard sell flea market type area for people to buy and sell. I was learning the live stock trade. But did do bargaining enterprise stuff on a regular base. He never been to one, This was in 2010. So I took him, we had went to a 1,000 man 3 day Seminar together at Island Baptist Church. I gotten to know him ok. Well, fast forward to Aug. 2011. I stop and ask him if he will like to go. He did and all went well. A few days later. In my circuit run on stopping by a dozen or so widow to see if I could be of service. I con up on Joshua and his grand mother agreeing, big time. So, I offer to let Joshua ride

(17)

with me, spend some time doing odd jobs. Some time you'll build a barn, or a fence, or what ever. Big jobs of painting house. Did about 28 houses in a 5 yr. period. Some free cause they was widows on fit in come, some I got paid 800⁰⁰. up to several thousand. Some with new roof and for free clearing. I'll cut tree down free to some widow. but charge some hundreds. I'll rent a man lift, put add on the church bulletin board. I'll be in 50 and 50 area. Need a climb, tree etc. cut. Call me. Brother Rudy, I was free and love helping people. I lived a christian lifestyle. I've had over 500 drug test in a 35 yr. period. Went out on state wide speaking engagement, work at the Alcohol and drug center for years in prison. was a top A trusty. Had test 2, 3 times a wk, every wk. While on parole, both parole dept. tested me. Ship yard tested me on jobs. I work for ship yard a couple yrs. was a first class ship fitter. God prospered me greatly. My parole

(14)

supervisor granted me a working
permitt status to work for my
self. I did really well. Some
time I'll do a stover parking lot
of pot holes. Maybe be 30, 40
holes, from just a foot to 2, 3 feet
wide. But paid thousands for it.
I'll build a fire chimney or fix a
roof a tree busted a hole in,
and people insure pay me thousands,
when hurricane hit over here. I'll
cut up tree off people fence, sheds,
houses, cars, and get insure to
pay 500⁰⁰ a tree. God blessed me
with job sir. In the 6 yr. 8 months,
my taxes will show over or around
a quarter of a million. Just my
food booth at the greater state fair
grounds. I'll pay 11% taxes on 25 to 30
thousand for the month of Oct. My
last taxes was 38,000 2010, not counting
my fair income, cause it did 2
taxes. I did probably 50 thousand
or more in some years free for
widow. Just cause I was there and
could!! Dozens and dozens of people
will testify of God's signs and wonders
of my reputation. The misguided lit.

Andrew Peak. For personal gain, Frame me, rig it with his fabrication and poison a whole police dept. the whole P.A. and sit me up.

Joshua was arguing with his grand mother on Aug. 31, 2011. He had told me he sleep in their ditch all night. And show me the mark of dozens and dozens of mosquito bites and well. I counsel both of them to get along and his grand mother claim she was gonna call the law, have him lock up if he didn't leave. I talk with them both for over a hour. I rode off and while looking in my rear view mirror. I notice him crying in the ditch where he had walk back over to. I had turn down his grand mother 3 time to take him in. But God is my witness, you can call it intuition, conscience, what ever some body like to refer to their inside. But to me, I identify it both as my own new spirit and at certain time, God's Holy spirit. I can tell the difference from them both and the still small voice

20

convicted me of denying the young man a helping hand. My royal law I govern my life by is the good Samaritan rule. My belief, my code of ethical conduct is base on my Redeemer, Savior, King Commands. I have a constitutional belief system that Christ Jesus Holy Spirit taught me. So, I obey and roll back down the hill my vehicle was on, and for over 2 hours, we all 3, his grandnater, him and my self. Agree he could boarder at my 3 bed room brick house. I inform him I was clearing over a hundred thousand dollar in debt with mortgages and stuff. That I did not have electrical power. Cause I was working at my step sister house, staying with her. He still agree to work for his up kety. Doing jobs I assign him, so, I didn't let him bring his guns, fishing poles, tool, etc. ~~Just~~ Just 2 suitcases of clothes, and I agreed to help him get his driving license legally. He could and did drive vehicle, but illegally. That I'll help him get his food stamp

(20)

started and pay him a thousand dollar
in the month of Oct. to work for
me at the greater gulf fair. I'll
hire a dozen or so people each
yr. Some I paid over a thousand.
But single adult. To work all
few days, all they could eat and
some be 6, 7, 8 hrs - on week
end 10, 12 hrs. We agreed, and
we left together. One of my
older sister Rev. Pat Reed hired
me to cut down a dozen big trees.
I had been paid 600⁰⁰, she owe me
400 more - I stop to pick it up,
with Josh, and she wanted some
more little trees and stuff did. So
the first job Joshua did with me
was operate a riding tractor lawn
mower, use a ~~small~~ chain saw and
we both got paid for several hour
work. She paid him what ever she did.
For the 3 hrs I gave him 30⁰⁰
She paid me the 400⁰⁰ plus the bonus
of that day, a 100⁰⁰ for the next
week. He went places with me
and we did lots of ministrying to
and with people. I introduce him
to both my neighbor. In form them

he had my permission to come and go. They'll see him around my back yard and such.

I could go into fine detail of lots of little things we did, from taking people small children swimming at the park. To cherish on the only Sunday he was with me, but on Monday he went to the store while I was asleep. I call him grand mother to learn if he was over there getting his stuff. He had ask me several time to take him to pick up more stuff. She said no. So, I left a written note on my screen door. Informing him, I was going over to Regina, my step sister house. I was doing a new roof on I had already introduce her to him and he stay over at her place a few times already. During the wk he stay with me - yds, he had already earn enough money to pay me $\$100.00$ for a month rent. A 100.00 a wk. 200.00 was from a old junk u-haul utility trailer the sold me in front of about a dozen people witness. He had

been trying to sell it before he
 move in with me in August of 2011
 When he went to the Mrs. live stock
 yard, ~~any way~~, I saw him on
 the road walking back to my house,
 like him up. Told him to call
 his grand mother. He was mad at her,
 but promise he would. My mind was
 on my own family bus, as my
 sister well being at Seary. She had
 been ill a wk end pass. I had
 carry her back to Seary that Monday
 night 9-5-11. When the T.A. lied
 to the jury and falsely claim I
 was in a fight with Josh and kill
 him. Never happen! We did not fight
 nor did I murder him. At first
 Lt. Peak spread the lie I kill him
 at my house. Then, when I had
 my step sister to call and inform
 them it was a lie that her
 neighbor had a yard surveillance
 security video camera with us coming
 over to work and stay at her house.
 They changed the location, and
 used a 3 yr. old toddler as his
 pawn in a corrupt scheme to frame
 me for personal gain. The video has

(24)

Josh and me leaving Regina Norris house
early Tuesday morning Sept 6, 2011.
But due to the discrepancy in
the grand mother telling Lt. all
sort of incorrect information that
the phone record clearly clear up
at trial. That on wed. 9-7-11,
when the first time I ever talk to
the Lt. when I told him Josh had
left Tuesday. He think I am lying,
Course the grand mother told him I
told her Monday. In which in fact I
did, only he did not stay gone
long. He went to the store and
got him some personal items, He had
a couple hundred dollars in his pocket.
A 175⁰⁰ left from the utility
trailer, which he pay me I was
on rent with the other 200⁰⁰ I
paid 375⁰⁰ for the trailer. About the
9th trailer I purchase in a 4 yr. period,
any way he left on Tuesday 9-6-11
In perfect health, of his own
accord too. No body run him off,
or had any kind of a fight, not
fist or knives, or any thing. I did
check and correct him on some misconduct
at Regina house the nite before.

About watching sexual skin t.v. show on show case t.v. at 1, 2, 3 in the morning. But the Lt. blow it up to a horrible lie into a false killing. Be like if I told you you can't drink alcohol, or smoke cigarette in my house, you old and agreed. That's about the extent of the correction. Don't abuse my step sister kindness by masturbating on a t.v. show. Even though it was dark he was only one up. Still a child could get up and went to the ice box like I did. But it was not no super big deal like the Lt. switched it into. He had me hanging the man, cutting him into parts. Totally non-sense. All a big fat lie !!!

His body was found Oct. 24th 2011
 We left my house on Tuesday Sept. 6, 2011
 I was at the greater quilt fair working,
 When the news came over the t.v.
 His identity was confirm Nov. 30, 2011.
