09 AUG 2018

Dear Brother Rudy,

Wow! It's been a great day in the MI Gulag! The devil can't spoil my Holy Spirit party!

On 26 JUNE 2018, Brother Jason Lisle sent me three books which I was thrilled to get. One was personally signed by Pat Shannon. After reading these great books, it seems most Patriots have the common trait of SEEING THINGS AS THEY REALLY ARE.

With timing of receiving the books from Dr. Lisle, The Kennel should have been in my hands in JUNE.

RE your 30 JULY email: 2-pages of centerfold in my book, "Satanic Deception; A De Facto Government", are my one-pagers on your website #2 "Satanic Deception..." and #1 "The Wizard of Oz". I greatly appreciate all your hard work. I know it takes a lot of effort and Godly Love. Thanks for letting me know you got it.

On page 14 of the book, "Satanic Deception; A De Facto Government", part of the title is handwritten. I whited-out those 2 now handwritten words so my book, which is more explicit than "The Franklin Cover-Up", would not get rejected like happened to TFCU in the mail. What they don't know won't hurt them!!! Or, ignorance is...!

While preparing Satanic Deception to send to you, I was once again shocked by recall of things I had written, lived through, seen and discovered. We often tend to bury memories of such harsh things when not constantly reminded. Psychology teaches that "If we remember everything, then we will go crazy". I held and still hold to Christian morals and lifestyle after being so close to that corrupt Satanism of the DEEP STATE. I've seen so many others warped by such experiences, never to become normal again, like the Monarch Mind Slaves and those with PTSD. I fully believe my ultra-conservative Christian upbringing made me strong enough to survive everything. I am amazed at the Strength God provides in the face of adversity. THANKS TO JESUS, I keep pushing the enemy back with the Peace of God in my heart. JOHN 14:27, 16:33 (FEAR NOT); PHILIPPIANS 3:14.

Having Carol contact Pastor Butch was a good idea. I will soon write Pastor Butch. Thanks.

I read a 2-page letter of Schaeffer Cox sent by a friend. I can relate to his experiences such as: (1) Being THROWN INTO SOLITARY for the EXERCISE OF FIRST AMENDMENT RIGHTS, a few times. When this happens, I double-down and file more paperwork in grievances, lawsuits, criminal complaints, letters to media, etc., and pray for them. The BEAST hates paper trails and Godly prayer. In OCTOBER 2008, MDOC INSPECTOR DONALD

ISARD wrote a false misconduct report for alleged "THREATENING BEHAVIOR" when I quoted, "The right to sue and defend in the courts is the alternative of force" and attribute of civilized people from CHAMBERS v B&O RR, 207 US 142, 146 (1908), in a grievance. After being in solitary for 8-days, the false report was dismissed as "No credible evidence". ISARD lost his job at KCF in the U.P. prison and was sent to JCF Prison at Jackson for writing the false report. Some MDOC administrators have said, "Don't you dare send him back here (the U.P. if MI) again!!!" because they felt the Wrath of God for their wrongs. PSALM 105:15; LUKE 6:38.

(2) Taking all Schaeffer's clothes in solitary, restricting his grocery, blocking his communications and court access are normal traits of the Beast. Expect it and be at PEACE (John 14:27)! Such useless tactical moves of the Beast intended to distract don't work on me. I merely create more paper trails that the BEAST hates.

(3) They cannot mess with me in solitary confinement because I fast, pray, commune with Jesus, and enjoy all that TIME TO PLAN the next GUERRILLA WARFARE move. I ENJOY SOLITARY confinement.

(4) There is always an end to Solitary Confinement either by their time limits or my death. What are they going to do: send me to be with Jesus?
I hope Schaeffer has the Strength to Endure.

My snail mail

and emails may slow down for a while because I'm operating on a shoestring budget since they transferred me. The transfer ended my job at Cotton Prison and it takes a while to get one here at Lakeland Prison. This needs more prayer.

All for Jesus.

Gary M.

YearOfJubile files:

Dear Brother Rudy,

In response to your request about renaming files, I did the below listing. Some filenames are shortened, and those like the PUBLIC OFFICE MAFIA files given a name that will link them with any later writings on them, "POMafia". See numbers 6-12, 14 and 25. I believe the added numbering will help in future referencing. I also used all capitals because it's easier for an old guy like me to read on this 4.3-inch tablet. Thanks for the help.

FYI: The ENEMY is on the run.

FNC said that Google, Facebook, Twitter, and YouTube were deliberately suppressing

conservative websites (Fox News Channel, 06 JULY 2018). Has that caused any problems for Year Of Jubilee. com?
