DEEP STATE COUP D'ETAT #6; DEMONRAT ANGER & SUBVERSION (15-23 OCT 2018):

Following are more recent events involving the RADICAL LEFTIST BOLSHEVIK MOB (15 - 23 OCT 2018):

From 15 - 22 OCTOBER 2018, there were physical attacks and threats on conservatives: (1) In early morning of 15 OCTOBER 2018 at Long Island, NY, ANTIFA broke into and vandalized Republican National Party Headquarters. They broke windows and spray painted their symbol on the front doors. (2) On 16 OCT 2018, a DEMONRAT operative hit, knocked out and thereby caused a concussion to Minnesota GOP Candidate Shawn Mecklin. (3) a DEMONRAT operative assaulted Minnesota GOP Candidate Sarah Anderson. (4) A Vermont GOP Candidate received a threatening letter saying "socialism" is good and the SOCIALISTS intended to kill him. (5) GOP Senator Susan Collins received a letter containing a powder and death threats. (6) Democrat Staffer MICHAEL STARK was fired after assaulting GOP Candidate Kristen Davison. (7) On 19 OCTOBER 2018, a DEMONRAT operative was arrested for threatening to kill GOP Senators Susan Collins and Chuck Grassley. (8) In the evening of 20 OCTOBER 2018, a DEMONRAT disturbed the public peace and attacked GOP Senate Leader Mitch McConnell at a Louisville, Kentucky restaurant. Good customers chased the DEMONRAT out of the restaurant. (9) On 22 OCTOBER 2018, DEMONRATS broke into the California office of GOP Senator Kevin McCarthy. It's been an eventful week in the War against the COMMUNIST front.

On 15 - 19 OCTOBER 2018, the DEEP STATE operatives REFUSED TO ADMIT their crimes: In the afternoon of 15 OCTOBER 2018, FUSION GPS Founder GLEN SIMPSON pled 5th Amendment Right to Remain Silent before the U.S. House Intelligence Committee, about the "RUSSIAN COLLUSION" of HILLARY RODHAM CLINTON (HRC) paying \$8-million through FUSION GPS to Russian Intelligence Agents; a violation of the Sedition and Treason Act (quoted in DEEP STATE #5). FUSION GPS Employee NELLIE ORR had secretly given her husband false information from the Russian Agents that was used by the FBI to start a false criminal investigation of President Donald Trump. On 19 OCTOBER 2018, FUSION GPS

EMPLOYEE NELLIE ORR claimed spousal privilege when refusing to testify about this unlawful passing of false information obtained from Russian Agents, via British Spy John Steele and FUSION GPS to FBI Assistant Deputy Director BRUCE ORR. Their intent to unlawfully influence the 2016 Presidential Election in HRC's favor failed.

At 15 OCTOBER 2018 political debate: AZ GOP Candidate Martha McSally exposed DEMONRAT Candidate KYRSTEIN SINEMA for urging U.S. Citizens to join the Taliban in 2010; and exposed SINEMA for calling Arizona the methlab of democracy.

On 17 OCTOBER 2018: DEMONRAT Minority Leader NANCY PELOSI said, "If there is COLLATERAL DAMAGE of those who don't share our views, then so be it," regarding serious physical injury or death of Conservatives and Christians who don't agree with the DEMONRAT agenda. This is probative of abusive MODUS OPERANDI of the BOLSHEVIK-DEMONRAT MOB that CARES NOTHING about We the People and our Republic but only about their power.

During the day of 20 OCTOBER 2018: Mexican Police stopped a MOB of around 5,000 insurgents at the Mexico-Guatemala Border. Activities of this MOB were financed by GEORGE SOROS, VENZUELAN DICTATOR MADURO and RADICAL LEFTIST GROUPS of Honduras. This MOB was mostly citizens of El Salvador, Honduras and Guatemala but also held Africans, Chinese, Middle Easterners, Venezuelan and various 3rd-world persons. This MOB attacked and injured at least 10 Mexican Policemen. Guatemalan Intelligence Service said this MOB held at least 100 ISIS and other terrorists from the Middle East who were arrested (FOX NEWS, 21 OCT 2018), and other terrorists of AZATLAN, MECCHA, 18th Street gang, and MS13 (FOX, 23 OCT 2018). Women and children were forced to the front of the MOB by the terrorists and gangs as human shields to hide the real intent of RECONQUISTA and overall attack of the United States. Puppet masters of this insurgent MOB (at 10,000 on 23 OCTOBER 2018) intend to commit the crime of overrunning the Southern U.S. land border; an Act of War against We the People of the United States.

In the night of 20 OCTOBER 2018, a MOB of DEMONRAT "WITCHES" claimed they put a hex on Supreme Court Justice Brett Kavanaugh. They carved Kavanaugh's name on a black candle and poured "revenge oil" over it while chanting that Kavanaugh should lose his children to some evil tragedy (Friday the 13th is witches' day to sacrifice innocents).

On 22 OCTOBER 2018: DEMONRAT Candidate for Georgia Governor STACEY ABRAMS confessed to burning the State Flag of Georgia in 1992. This is probative of ANARCHY in her asking non-citizens to vote in the 2018 election (see DEEP STATE #5, 1st paragraph).

DEMONRATS are angry 24-7. The Word says of this: "Be angry and do not sin: do not let the sun go down on your wrath, nor give place to the devil". EPHESIANS 4:26-27. The Word testifies how and who they serve.

As The Word testifies of us: "Therefore humble yourselves under the mighty hand of God, that He may exalt you in due time, Casting all your cares upon Him, for He cares for you. Be sober, be vigilant, because your adversary the devil walks about like a roaring lion, seeking who he

may devour. Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brethren throughout the world". I PETER 5:6-9. "Resist the devil, and he will flee from you". JAMES 4:7.
