dear Betty,

Begrüßung! Bless you! I was so surprised to receive my Geburtstag Karte. I can't thank you enough. It is right above me on my tacky board just above this small desk.

Tho' I can't see from here, fall colors are signaling change of seasons in der forest across the land. I truly miss walks or horseback riding in der Wald. I would love to see it there in Nürnberg and surrounding area.

Here, for now, I'm stuck in my 6'x10' concrete and steel persecution chamber, as I have been for now the 5th day. This all one, in some sort of anger, took a fellow's life (Christian, known over 7 yrs); and assaulted an elderly Christian man (60) with likely intent of ending his life, as well. The elder man, by the grace of God, overcame the attacker and is recovering from the cuts and bruises. All sorts of stress - by the grace of God, this will pass.

As I write, here in the states united the people are looking forward for Thursday (Donnerstag), as also is the "Thanksgiving Holiday" or as they often say "Turkey-Day", as turkey is a most common favorite for Thanksgiving dinner get-togethers from Maine to California and Tacoma, Washington to Orlando, Florida. Lots of travelers, lots of family get-togethers. On Friday they call it "Black Friday" (23rd this year) when shoppers in force will be seeking bargains for Christmas gifts - shoppers' holiday.

My desk and this little room is also my prayer closet - I hold up you and your family, as well as many others here every day. Some friends are cut off in this Maoist tyrannical state, as the Patomoc Mafia cannot stand EXPOSURE to the TRUTH and the Gospel of Jesus, the Christ. American People best WAKE UP before real Tyranny morphs in to terrible destruction and the wrath of God.

Sontag, 25 Nov we will be 4 weeks of Advent away from Christmas. I pray all is a blessing for you and yours!

As I write, I share that since we were kidnaped and unlawfully sequestered away 13 June 1996, I have written over 100,000 pages, some legal process, mostly correspondence with others. Where they all surface only our Heavenly Father knows. To be certain "all things work together for good for those who love the Lord" Rom. 8:28. (That's a lot of ink!  And enough postage to buy a battle ship. Ha!  Ha!

The international bankers hate us and endeavor to destroy the whole world. They truly hate us, Deutsch-landers and especially those of us who know the inside story in the banker-usury scheme. The scheme is hitting the END — "The Writing Is On The Wall". God hates usury and those who run that sinful, deadly scheme.

In the 19th century over 100 million people died because of the usury — in the 20th Century nearly 300 million died because of usury. What will its real cost be in this day in age? God is not mocked. The consequences are sure — The Word is absolute and thus TRUE! 

Let us prayerfully walk In The Word and overcome the notorious forces of evil by The Hand of The Lord! You are in my heart and prayers — May Christmas be a rich reminder of The Word (Jn 1:1, 14) and all of you and yours be richly blessed.

With Love of Christ,
Your servant,
Rex-Russell-Dean
