

Mein lieb Betül und Familie,

fröhe Weihnachten! I pray you're truly blessed in this special season and always! We have been seeing "hope" for liberation as we thank Heavenly Father for sending His Son, Jesus, the Christ for a flight unto a world in darkness. We are truly blessed in every circumstance.

I pray you're able to treasure up the best of memories as you share in the festivities of Weihnachten. My heart and prayers are with you!

As St. Paul reminds us we can enjoy the blessings that Jesus shares with us no matter the circumstances. In such faith we have "joy" no matter what the world dishes out. Our dear friends in such as Texas & Kansas are cut off in worldly terms but all can be certain they are entirely together in love of Christ, prayer and Spirit. Our King is far greater than he that is in the world. HalleluYah!

"Freud zu der Welt" 

It is truly a blessing having an opportunity to share with you! The angels are surely pleased we share in their joy at our Savior's birth and resurrection!

Betül,
und Allen

Thinking of you with warm wishes
for a happy holiday season
and a wonderful new year.

Happy Holidays

With Love
of Christ,
