This Laudatory Chrono is to commend Inmate LAZOR (C73842). I have known Inmate LAZOR for approximately two years. I am continually aware of Inmate LAZOR'S behavior and interactions with Staff and other inmates. He has displayed an above average ability to work well with Staff and inmates. Inmate LAZOR has always maintained a very good attitude and an exceptional willingness to go out of his way to be of assistance wherever and whenever as needed. Furthermore, I am aware of that Inmate LAZOR has availed himself to the multiple Self-Help Groups that Salinas Valley State Prison has to offer. I have observed that these groups have had a positive impact on his life. I believe that Inmate LAZOR can and will succeed in whatever the future may hold for him.
