Dear Mr. Couvreur :

Re: ICJ's Chilcotin National Congress File #150894

New Year's Greetings from the State of the Chilcotin!

Please find attached documents outlining terms accepted by the United Nations General Assembly with respect to entering the "Application" of the Chilcotin on the International Court of Justice's General List; in particular term #3 which states,

The Chilcotin Application filed at the International Court of Justice is to be placed on the list to be heard by an ad hoc judge chosen by the State of the Chilcotin and all named Chilcotin representatives party to the Chilcotin Application are to be provided safe, paid travel to the Hague;

Please inform as to the date you set for hearing the filed Chilcotin Application for emergency incidental proceedings and interim protection with respect to indicating provisional measures outlined in the Chilcotin Application.

Also, please inform as to your process for providing safe, paid travel to the Hague to all Chilcotin representatives named on the Chilcotin Application appearing before the International Court of Justice.

We trust there will be no further undue delay in moving the Chilcotin matter forward, nor obfuscation, obstruction of justice or false claims regarding the validity of the State of the Chilcotin and the government of the Chilcotin National Congress which speaks for the hereditary Tsilhqot'in people .

Thank-you,

ICJ Agent, Z. Holland for the Chilcotin National Congress
and the country of the Chilcotin
