SUBJECT: Need help for Tatiana for College

DATE: 04/27/2023 07:29:33 PM

Hi to All,

I need help spreading the word for my daughter, Tatiana Gonzalez, to help her get to the college that she was accepted to in St. Louis Missouri to major in Forensic Science for a career in DNA Analysis. We have come up with \$3,500.00 of the \$9,000.00 that is needed for her first year of college. (Dorm and meals included). We need another \$5,500.00 before November 2023. She has appealed to the College to get a reduction in the tuition due to our circumstances of her mother being incarcerated and her father being on SSI disability finally after fighting for it for 2+ years and it was denied...She was NOT accepted to the colleges in Texas where it would be much easier for her to attend college. She is ONLY 17 and has had many struggles trying to apply to these colleges as an underage student, especially those that do NOT have college campus dorms where they want her to rent an apartment which legally she can NOT. She will work in the library at St Louis to help pay for her college and apply for a student loan in November when she turns 18 since her parents are not in a financial position to help her or even cosign for her to even acquire a student loan since their once excellent credit is no longer since I have been incarcerated. Please help her achieve her dreams and NOT be another statistic of the system. I HAVE NO DOUBT THAT SHE WILL MAKE US ALL PROUD IF JUST GIVEN THE CHANCE. SHE IS COLLEGE BOUND AND VERY DRIVEN.

THANK YOU FOR ANYTHING THAT YOU CAN DO. PLEASE HELP US SPREAD THE WORD FOR HER.

LOVE
TATIANA'S MOM
