Memorandum of Relevant and Historical Facts

The following quote is from American's Bulletin, C/O P
 Box 3096, Center Point, Oregon 97502, Vol 19, Issue 11-12, page
 10, the quote is by Edward Mandell House a member of the
 British Rothschild banking interests, in which he explains the
 plan which has been implemented by the Respondents for
 acquiring control over the United States and ownership of
 everything of value and everyone in the US:

"Chief Advisor to President Woodrow Wilson, Colonel Edward
 Mandell House had this to say in a private meeting with Mr.
 Wilson, while presented with a Menorah and which was left out
 of the book 'Administrator,' by Philip Dru, very conveniently
 '[V]ery soon, every American will be required to register their
 biological property in a national system designed to keep track
 of the people and that will operate under the ancient system of
 pledging. By such methodology, we can compel people to submit
 to our agenda, which will effect our security as a chargeback
 for our fiat currency. Every American will be forced to
 register or suffer being [un]able to work and earn a living.
 They will be our chattel, and we will hold the security
 interest over them forever, by operation of the law merchant
 under the scheme of secured transactions. Americans, by
 unknowingly or unwittingly delivering the bills of lading to us
 will be stripped of their rights and be given a commercial
 value designed to make us a profit and they will be none the
 wiser, for not one in a million could ever figure [out] our
 plans and, if by accident one or two should figure it out, we
 have in our arsenal plausible deniability. After all, this is
 the only logical way to fund government, by floating loans and
 debt to the registrants in the form of benefits and privileges.
 This will inevitably reap to us huge profits beyond our wildest
 expectations and leave every American a contributor to this
 fraud which we will call 'Social Insurance.' Without realizing
 it every American will insure us for any loss we may incur and
 in this manner, every American will unknowingly be our servant,
 however begrudgingly. The people will become hopeless and
 without any hope for their redemption and, we will employ this
 high office of the President of our dummy corporation to foment
 this plot against America.'" (1913-1921).

The next quote is by the author of the article in American
 Bulletin:

"By golly, do you suppose this is what President Kennedy
 attempted to reveal to the American People at Columbia Univers-
 ity ten (10) days before his assassination?"

The following quote shows that the Plan was executed.

DEAR ERIN and RUDY: Hi! I have to switch back to a sharp pencil. I can't erase ink. I pray all is well with you both and that your blessings are growing. Don't let the indifference of the brethren pull you along with them... they are kept in mixed confusion and are becoming jaded.

We need to remember that the anniversary of the silencing of our beloved Lord and brother comes up in ten years (2033), which could be a time of reciprocal Revelation... You think?

(Guided)

Moving to the center of all things has carried me closer to the Creation, understanding and a more loving calm acceptance of all. Peace is enveloping me with each blanket of knowledge of awareness of what His message truly is. In 2016 as I lay in conversation with myself I was thinking if God or Jesus were Conservative or liberal and after a great deal of squabbling with myself I came up with Liberal-Con, —, —, —, —, —, and finally LiberaCon, Liber-a-con and then: "LIBERA-CON". If it is promoted correctly, it will stick.

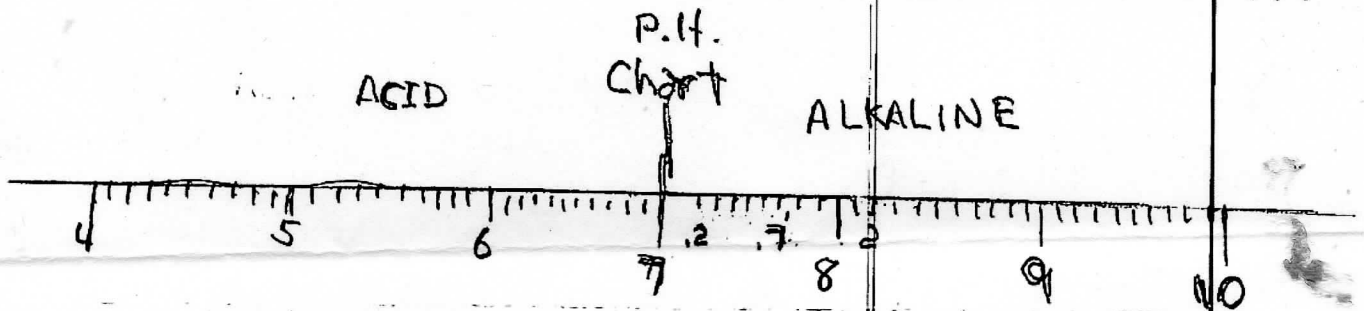

No human on the planet (which I believe is a living entity) is either a Liberal or a Conservative. The extreme of either/or leads to evil and like anything else CHAOS. Whether in biologicals, Geological, Atmospheric, Aquatic, Solar, Lunar... everything, when you think about it all.

I wrote up a graph for it all and the number's for it all — believe it or not! is 7.7. When it is clearly explained you will know it to be true.

Love you Guys.

P.H. : Property of Hydrogen

P.H. of a fish tank is a good example of a chart that can be used for the Libera-son chart.

Notes!

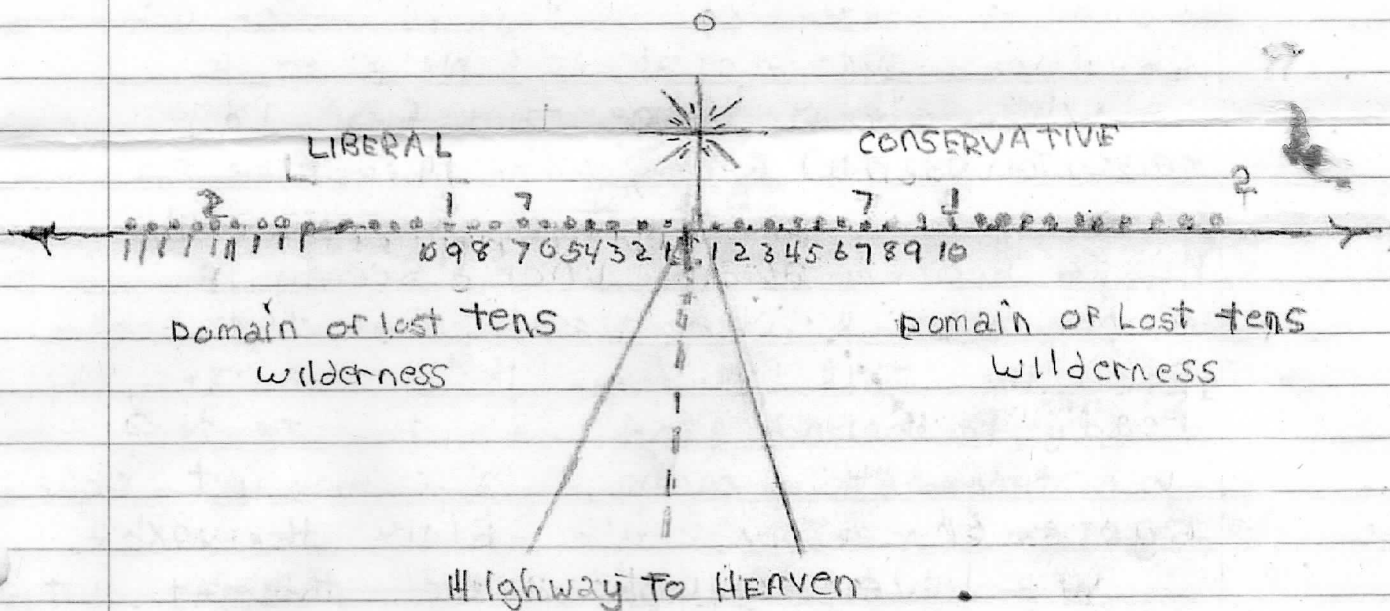

1. The P.H. range for the best health of the Human system is between 7.2 and 8.2; optimal being 7.7.
2. Each biological organism has its own level of Acid to Alkaline ratio. I must check.
3. Most illness and disease of biologicals are caused from inflammation or acidic foods, drugs and other chemicals we put in our mouths. And all pain is caused from the inflammation. I should have said: All pain is caused from inflammation and all inflammation is caused from Acid. i.e. don't eat Acidic Foods; i.e. don't eat The Seven Deadly Foods:
 1. NO grains!: Oats, wheat, Bran, Rye, etc.
 2. NO Sugar!: Your body creates Glucose on its own.
 3. NO Soda or artificial sweets or products.
 4. NO Vegetable oils: especially margarine and cooking oils
 5. NO Soy: due to pesticides and
 6. NO Processed Foods: meat/vegetable due to nitrates/nitrites
 7. NO Fried Foods: carcinogenic!

Note! Bake, Broil, Boil or Barbecue in Butter or essential Fatty acids: ANIMAL FAT is good.

original draft

The Libera-Con Chart :

Chart draft still needs work but it will help you understand where I am going with it.

This is the way I see the way of the work of all Christians.

We that walk the narrow path to Heaven (the center of the Highway to Heaven) - help those that walk in the breakdown lane to the center and send them East to the coming Lord Revelations -

- Those in the Breakdown lane help those in the gutters up onto the Highway and - those in the gutters are to help those in the wilderness to be guided to and up onto the highway to Heaven.

This is just a synopsis of a work to try to incite into a more legitimate course to God.

I no longer in handouts, but to teach by doing while showing the way: Teach those in need how to fish ... in all things as necessary.

cont: The Libera-con chart

As I said above: "everyone is born a Libera-con. No one is born a Liberal or a conservative. We are all victims of our parents and or of our childhood. We are all a blank sheet.

When you first see that first look of awe on child's face, when they see an amazing thing for the first time... when they really become aware. Upon seeing an elephant or a clear rainbow or the ocean for the first time... that's when they are ready to learn. and what did we do? we turned them over to a communist school system (American Style, since the 1960s.

We have developed a well-thought out educational program, starting them while they are still pre-born.

This is, of course just notes of a really simple corrected ideology. I will get it all down one day. I need my eyes and a word processor.

The Federalists are the Masonic base taking orders from US Attorney General, who is the USA INC. Head of all the military for Feds. The U.S. President is just a figurehead.

Our founding Fathers were right about them, as history has proven that they are the domestic traitors in the first.

It was/is they that declared that all American-Born are "Enemies of the UNITED STATES" under the 1917 Trading with the Enemies Act.

They are the insurgents since 1776.

cont.

The usurpation of our beloved Union of Nations of Republic(s), began in Great Britain in 1775 with that great orator Edmond Burke as he stated to a full Parliament: Re: The Conciliation of Colonies in part

We will let them have their Revolution. We will let them win and have any form of government they wish but, what ever is below their feet is ours. Treaties confirmed that statement to be fact.

And as a people we never caught on until the computer (as a people).

I hear the rumors of another American Revolution. So it is time for this elder United States - Continental Congress - Constitution Rangers of 1777; Reaffirmed in the de facto USA. Inc. through Congress by 1980 with the aid of Congressman

Eldon Rudd Arizona: Library of Congress

TXu 42-453. We are ten years older than the original Constitution, which we all created... not the Federalists.

I will now represent the United States of America circa 1791 et al, et al. Under the international White Flag of True AS Ambassador; commander Edward Lewis, Brown — Now it begins!

Pray for us all.
