Dear Erin and Pudy,

I am still at Merrimack County D.O.C., waiting for the other shoe to fall.

The Trier (George Z. Singal) is really trying to make my life miserable and its working to some degree.

I've enclosed a copy of my July Habeas Corpus I submitted to the U.S. District Court for immediate release.. and like everything else its ignored.

Everything stated in the Habeas is absolutely correct. All of the triers (judges) recused/abandoned my case for the fourth time,

I've noticed that the Corporation is getting stranger as time passes. They believe they smell victory, and are getting bolder.

They don't seem to understand the resolve of the American People to have justice and remain free. More and more people of the world are becoming aware of the Khazar: The human parasites that survive off of the rest of us like

human Shaped Leeches, who slowly suck the life out of us as we quietly go about our business.

As time grows short to the day of reckoning / confrontation, watch carefully who they begin to gnash their teeth, screech and howl as more and more people wake up and slip through their fingers. Get ready for them!

they'll need a lot of reeducation on the real world of freedom and responsibility. When that day arrives the khazar will be directed to the abyss, and the rest can rebuild the world that the Lord intended us to have. We now have the comprehension of His Kingdom. We have reached the understanding; now we must build...

Standing by for His release to implement.

Love you Guys.
