Greetings Rudy & Erin,

NOT GOOD NEWS

Satan's wicked agents here, have locked me in my cell for the next 2 weeks starting today, so this concludes our visit & all phone calls until February 7, or later. So the next visit you can possibly set for us would be Feb 13. (5)

I had so specially looked forward to this Sunday visit - I had a few specific songs planned to see & a handful of notes already queued-up. No phone calls either till Feb 7 or 8. The last X they did this to ~~me~~ <sup>me</sup> about 1 1/2 or 2 years ago, after the 2 weeks passed, they extended it another week, & when that ended, they added more to it - almost 4 full weeks. So no telling what will become of this. I encourage everyone/anyone to call here & raise hell over this SILENT ABUSE & uncalled-for SPECIAL TARGETING. Tho I'm not optimistic it will change their course before 2 weeks - tho maybe. If you try but they're just buying up your time on hold or running you around, I don't expect you to persist much, Your time is too valuable & needed for others.

I made the fatal mistake of going to the clinic to see an RN, MS LE, for some throat lozenges ONLY. No signs of Covid, all vital signs perfect, like a 25 year old athlete, but the little Satan  
→

witch went & conspired with the SVSA "health nurse" HEATHER BOWLESS<sup>2</sup> who made this lunatic decision - good thing she's not president or she'd have pushed the nuclear button before now. The globe would be an ash heap already. I'm sure there are others here who have shown common colds, 1000s who 3x per day get "medications" much stronger than throat lozenges (cough drops) & who also get these, & they haven't locked them in their cells & taken their vests, phone calls, showers, ability to walk around the dayroom & exercise space, supposed once every 5 or 7 days outdoors yard & I just got low library access to commence tomorrow - which took me some 4 years to get! It lasts only 2 weeks - all wiped out by this, I'm not complaining to you, but I state these things in case you do get through to someone, you could give an intelligible notice of just some of the damages done. Those went over the tip of the iceberg. This 2 weeks will set back over 1000 things in my life for 20+ years if I live past this war alarm situation & 20 more years. 1000 is not an exaggeration.

Every one of 200-300 dorms has about 10-30 more that fell with the 1.

So were limited to only mail now. I don't need any special pampering; I know some have it worse. But the essence of this unchristian is I take weeks, months, years, decades to crawl up a vertical well like Mt Everest w/ all its harshness, & along comes a pea-brown idiot who peels my fingers off the well & I fall all the way to the bottom again. That's the sense of this I feel.

---

Another dear pastor friend of mine, Larry Blanchard, told me by ltr yesterday that he recently watched a recent video of me shared w/ him by Ken Masat. You're the only ones I've done video with, so I assume

this must have been our video from 1-16-22 visit? (His ltr is dated Jan 22). Please confirm if you know if that was it.

---

I know you go thru a lot of trial & exasperation to get our visits scheduled, so I am so sorry this does violence to your time & patience & investment of all resources into getting those set up.

---

OTHER

One of the other 4 prisoners who use in the visit room on his video as we visited on 1-23, He said he has a SVSP grievance filed waiting for a response now about if people can visit in person here who are not VAXED - if they have religious or medical exemptions. Also, maybe it will tell if they can visit if they don't have a recent negative or any covid test. I assume you have none of any? I forgot if you told me. This may take weeks or months for a response; but if/when I do find out, I'll inform you, of course.

---

I think I forgot to say in my last ltr thank you so much for thinking of me for \$ donation, you may have already sent to Jyule - shall let me (& you) know when she gets it. I ~~am~~ am humbly most grateful to you & whoever has so kindly given.

---

Much love to you both - free
