Blessings to you Rudy & Erin,

1) Good news today: I was ACQUITTED of the AVR that was pending. An honest guard testified honestly of nurses assuring me I didn't have to move to another prison yard; so it was "DISMISSED" = Nullified. Thank YHWH, yes!

2) EVER: List of the main people for whom I'm seeking contact info; especially a place I can write them. We've discussed this, but I didn't have this list till now. Can you put this "out there" for anyone who might be able to find or know the info. Many of these, like Noony, Beck, Hammit, Lerner, Valdez, Jones, Lewis, Savage, Syrett, Willis, & maybe have tele #s to which anyone ~~can~~ can call them, but (only) at times they are on the air - but Noony has a "text NUMBER" contact # too.

3) This SNABBY document, believe it or not, was an "OFFICIAL GOVERNMENT DOCUMENT" of CSE (prison system) in 2013, when they kept lengthening my prison "RELEASE DATE". But that's not my point. My point is; even these 1993 & 1994 dates ~~ARE~~ ADMITTED TO BY CAC (now CAC) that those were my "RELEASE DATE", not "tentative" release date, not "life," not "MAYBE release date" etc - but my "RELEASE DATE" - by their own OFFICIAL DOCUMENT here. Post this too if you see the value in it that I do.

All for now. We've had 16 visits so far. Hope we get #17 on March 13. Thank you & YHWH bless you - free
