Dear NANCIUS CAESAR,

My 07 FEBRUARY 2019 letter said you would be DEHEADED on 15 FEBRUARY 2019 by the Trump Card. It was a great revelation from the Holy Spirit: (1) POTUS signed his EXECUTIVE ORDER to "Build The Wall" (BTW); (2) AOC announced her "Green New Deal" (GND) as De Facto Speaker (DFS); (3) OMAR announced her previously hidden "Hate The Benjamins" (HTB) mode; and (4) TLAIB announced her "F... The President" (FTP) agenda, all of which override your control of The House in different ways. Was it God's poetic form of justice, HOLY BIBLE, Luke 6:38, to counter self?

The deheading was a Congressional version on the Potomac of Revelation 9:14-15 on the Euphrates where the 4 of you united in your different subversions to take down the duly elected President put there by the Lord to defend We The People. HOLY BIBLE, Romans 13:1-2; Titus 3:1; I Peter 3:22. However, you lost. Revelation 19.

We always hope to save those who have sold their Godly birthright for a bowl of cereal (Genesis 25:29-34), or in your case, "CRUMBS" of "DOGGY DOO WITH A CHERRY ON TOP" (quotes from Nancy). HOLY BIBLE, Ezekiel 34:16, Matthew 18:14; Luke 15:4, 6, 9, 24, 19:10. It's amazing how Facts of Life parallel Biblical Prophecy and Spiritual Matters. Revelation 13. Wouldn't you rather be on the winning side with the Lord? Revelation 19. RSVP!!!

You certainly were deheaded in more ways than one: (1) first by your friend, Donald, who completed the job with the Ides of March VETO after giving you opportunity to repent of your sins; (2) the second by extremists close to you who, in the future, may literally seek to behead you under Sharia Law rather than merely dehead, because that's their modus operandi of which radicals in my environment brag (Et tu, OMAR & TLAIB); then, (3) you were effectively replaced as Speaker of the House when AOC said, "I'm the Boss", on 15 MARCH 2019, even though you don't realize it. Talk Show Host Bill Maher said, on 15 MARCH 2019, "You look weak!". The Donald will always stand for your Rights because he is appointed defender of We the People.

God says He will take down those who take undue credit for what they allegedly do. I noticed your egomania upon POTUS signing the bill to reopen the Federal Government on 25 JANUARY 2019. How did your ego feel upon the Ides of March VETO? RSVP!!!

I calculated a technological WALL will cost about \$15-billion more to operate than a steel and concrete wall over a 10-year period and will have many glitches not in a physical WALL. In bad weather, a technological WALL is not as effective and deteriorates faster than concrete and steel. A technological WALL is labor intensive when compared to concrete and steel. It requires both a physical and surveillance wall. (This is my career field.)

About 10,000 children a year, like our grandchildren, are snatched or

bought off the streets of South America and trafficked across the Mexico-U.S. Border every year as slaves. Another 10,000 young women are also kidnapped and trafficked across the Border and mostly sold to various criminal organizations for use in prostitution. How would you feel if the traffickers snatched some of your grandchildren and caused them to sin, like on the 2,000 acre compound near your CA residence? My book, entitled "SATANIC DECEPTION; A DE FACTO GOVERNMENT", is about my experience with this in the 1970s. If you would like a copy, please send me \$10. RSVP!!!

Blood of the Innocents trafficked across that Unwalled Desert is on your hands. Some of them may be working in your WALLED VINEYARD (of which some extremists speak). There is no confession and redemption for those who continue to sin against the Innocents. Matthew 18:6. Repentez, SI Vouz Plait!!!

Sincerely,  
/s/ Gary M. Northington

Dear Rudy & Erin,

As you may notice, I've been enjoying my First Amendment Rights in more ways than one. I took a short break from litigation for the abovesaid. (If a smiley face was on my tablet, it would be here.) The above may be my final letter to NERO PELOSI (Rev. 13) who fiddled around while thousands of Innocents are trafficked across the SW Border every month.

Because of my multiple Heart Attacks & Strokes in mid-2016, it took an hour or so to recall some words for the letter. Ah B N-joyn at!!!

On 14 MARCH 2019, we had a sudden storm of high winds and one-half inch hail around 1700 to 1710 hours. My instant thought was a

tornado so I was prepared to hit-the-deck if it happened. It was sunny and bright both instantly before and after the storm, like an APRIL shower. Shiawasee County had 2 tornadoes at the same time. It was a reminder of the Spring storms when I lived in Nebraska, Oklahoma and Texas.

I've been enjoying daily spreading The Word, as usual. God Bless!!!
