Dear Bro. Rudy and Sis. Erin,

30 APR 2019

A word or 2 on wisdom to Congress:  
"Heaven has strict immigration laws. Hell  
has open borders".

Hey! Thanks for the great card and Bible  
Tracts. I get tracts from others that I spread  
throughout the prison. A few guys help me with  
that when they can.

Somebody sent me a NatGeo wine card as a joke  
(enclosed). Unfortunately, it's not redeemable for cash.

I've taken months off from exercising to  
complete my court writings. Since it got warm

(above 40°), I started doing maintenance walks of  
1½-miles ~~WALKING~~ a few weeks ago. On 01 MARCH  
2019, my left leg went paralyzed from the knee  
down but I keep on. Hopefully, I'll see a  
neurosurgeon soon, to fix a pinched nerve. I'll  
see a Cardiologist next month about the right  
chest and neck pain. For the first time in 30-years,  
MDOC/CORIZON began giving me medical treatment  
because you and others are shining The Light on  
evil.

May YHWH Bless and Protect You All!

Love + Prayers,  
Bro. Garry

Dear Rudy,

The enclosed Motion with accompanying Grievance #305 as an Exhibit were filed in Federal Court. I sent you the motion by email as POMafia #16, part 2, but the ~~was~~ 4-pages of motion was supposed to be POMafia #17, part 1 and the Grievance POMafia #17, part 2 because of the separate mailings required. However, they can now be just POMafia #17; MDOC Secret Squirrels.

They apparently thought I would not catch their malicious act at 0528 hours because most here sleep until 1000 hours. I get up at 0400 and eat my first breakfast. I saw my JPS Tablet go to WiFi and had checked it 20-minutes earlier. Their evil done in darkness, was brought into the Light. They've become frantic with increased monitoring since I confronted Warden Nagy. ☺ Agape!

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN

Gary M. Northington,  
Plaintiff Pro Se, .....

vs .....  
ABDELLATIF, et al,  
Defendants.

No. 2:16-cv-12931  
Judge Paul D. Borman  
Magistrate Mona K. Majzoub

PLAINTIFF'S MOTION TO SHOW CAUSE REGARDING  
SANCTIONS ON OR CONTEMPT OF DEFENDANTS

Plaintiff Gary M. Northington Pro Se moves this Honorable Court to ORDER Defendants, Defense Counsels, and MDOC STAFF to SHOW CAUSE why they should not be sanctioned or found in contempt of court, and to hold teleconference hearing thereon, for following reasons:

1. From JANUARY 2012 to JUNE 2016, Plaintiff had repeatedly told Defendant BADAWI KHADER ABDELLATIF at every medical visit that Plaintiff had a severe "burning" of ANGINA in his chest upon any exertion. Plaintiff often used the term "pain" with "burning". As time progressed, the "burning" of ANGINA increased to where it occurred upon a slow walk to the bathroom. On 12 JUNE 2016, McLaren Hospital Cardiologist James Fenton told Plaintiff the "burning" ANGINA was Heart Attacks caused by a 95% blockage of his Coronary Arteries and that he had Stroke(s) caused thereby.

2. On 27 JULY, 2016, Plaintiff was released from Duane Waters Medical Center (DWH) shortly after having CABG X3 OPEN HEART SURGERY at McLaren Hospital on 23 JUNE 2016. He could barely walk, had lost substantial amount of memory due to the Heart Attacks and Strokes, and was sleeping about 21-hours a day because he was very weak. It took years for Plaintiff to recover and reeducate his memory.

3. On 01 AUGUST 2016, when Plaintiff filed the COMPLAINT (ECF #1): He was immediately packed-up and transferred to CARSON CITY CORRECTIONAL FACILITY (DRF) from 03 to 25 AUGUST 2016. DRF did not provide the Special 2-gram Low Sodium Diet prescribed for and needed by Plaintiff. Defendants ABDELLATIF, ADRAY and WASHINGTON knew this left Plaintiff on his own, to fend for himself on getting proper nutrition, in a hostile environment where no one wanted to provide Plaintiff with his diet for 22-days.

4. As result of the 12-hour bus ride during the 02-03 AUGUST 2016 transfer, Plaintiff was again hospitalized at the point of IMMINENT DEATH from 06 to 08 AUGUST 2016 with life-threatening Deep Vein Thrombosis and Pulmonary Emboli.

5. During said 03 to 08 AUGUST 2016 transfer and hospitalization, Plaintiff's typewriter and 20 to 22 copies of Complaint, that was approximately a typed version of ECF #13 and ECF #100 combined, disappeared from Plaintiff's personal property. Plaintiff recalls typing Due Process and Equal Protection claims involving Defendants RICHARD D. RUSSELL and MICHAEL A. TROUTEN into the memory of his typewriter on or about 30 JULY 2016 which is why his disbursement (Plaintiff's APPENDIX 3 in Support of Response to Defendants' Motion for Summary Judgment (30 MAR 2016), EXHIBIT A) is dated 30 JULY 2016) (ECF #63, PgID 369-370 (Complaint), PgID 372-373 (typewriter), PgID 373-374 (writing materials taken)); (ECF #148, PgID 1652-1657 (typewriter & 14th Amendment claims on RUSSELL & TROUTEN)); (ECF #159, PgID 2458-2460, 2466, pgh. 37 (typewriter, Complaint with Due Process & Equal Protection claims on RUSSELL & TROUTEN)).

6. On 08 AUGUST 2016, Defendants had Dr. Scott Holmes make a false Medical Record about Plaintiff's allergies, intolerances and reactions to food and paralyzed leg (ECF #100, EXHIBIT N, PgID 1056), then on 17 OCTOBER 2016 did a similar falsification of my Medical Record about the same (ECF #153, EXH A, PgID 1797, et seq, p. 0264).

*[Faint, illegible text in a rectangular box]*

7. In Plaintiff's Motion to Enjoin (ECF #105) (02 OCT 2017), was addressed that Defendants had incited DR. CHARLES S. JAMSEN to alter Plaintiff's Medical Records to delete maladies of this case from the Records. This was done with intent to unduly affect outcome.

8. Within Plaintiff's Second Motion to Compel (ECF #148), is a MOTION TO ENJOIN DEFENDANTS who, through subordinates and associates, were and are delaying and refusing to give Plaintiff copies of his often paid-for Medical Records to use in this case (PgID 1655-1657). Plaintiff had to obtain records outside of MDOC at great cost, such as done with Plaintiff's APPENDIX 3, EXHIBIT F, p. 2-3, in support of SUMMARY ANSWER (30 MAR 2019) (mailed to Court on 03 APRIL 2019).

9. Since early-2018, Plaintiff has used his JP5 Electronic Tablet to organize, represent and make pleadings of this case due to some of his cognitive functions and memory being impaired by injuries in issue. Before 29 MARCH 2019, Plaintiff's JP5 tablet contained his WORK PRODUCT, DOCKET LEDGER, MOTIONS, ATTORNEY-CLIENT COMMUNICATION, and OTHER NECESSITIES to prosecute this case. It also held Plaintiff's RESPONSE and BRIEF in Response to CORIZON Defendants' MOTION FOR SUMMARY JUDGMENT (ECF #153), and Plaintiff's Affidavits of EXHIBITS B, C and D of "APPENDIX 3 IN SUPPORT OF PLAINTIFF'S RESPONSE TO DEFENDANTS' SUMMARY MOTIONS (ECF #153 and #173); MEDICAL RECORDS NOT FILED BY DEFENDANTS" (30 MAR 2019) (mailed to the Court on 03 APRIL 2019).

10. On 28 MARCH 2019 via United Parcel Service, DEFENSE COUNSEL(S) received Plaintiff's APPENDIX 1, APPENDIX 2, and APPENDIX 3 in SUPPORT OF PLAINTIFF'S RESPONSE TO DEFENDANTS' SUMMARY MOTIONS (ECF #153 and #173). Said mailing to the Court was delayed until 03 APRIL 2019 for reasons said in paragraphs 11 to 14 herein.

#### REASONS FOR DELAY

11. On 29 MARCH 2019 from 0500 to 0540 hours, Plaintiff was sitting on his bed after making an entry to his JP5 Electronic Tablet at 0500 hours during which nothing was wrong with it or missing. (Hardware & software of such Tablets are within Plaintiff's training & career field.) At 0528 hours out of the corner of his left eye, Plaintiff noticed his JP5 Tablet go to what he recognizes as a USB/WiFi black screen. This was done by MDOC STAFF at Lakeland Correctional Facility (LCF) upon request of DEFENSE COUNSEL Meredith Beidler to RICHARD D. RUSSELL, MELODY WALLACE and/or LINDA C. WITTMAN of the MDOC Office of Legal Affairs who forwarded this request to LCF STAFF.

12. This 29 MARCH 2019 access to Plaintiff's JP5 Electronic Tablet was unusual since JPay.com blocked prisoner access to WiFi in JP5 Tablets. Only MDOC has access to the WiFi in prisoner JP5 Tablets through a "backdoor" PIN code in the software. Prisoners can only send or receive emails through a hardwired kiosk to which they connect their JP5 Tablet at each MDOC prison.

13. Plaintiff had to reinput and print his 3 Affidavits (pghs. 9 & 10 herein) in order to mail his APPENDIX(S) to the Court on 03 APRIL 2019. At this writing, relevant MDOC STAFF and JPay.com have evaded and refused to answer Plaintiff's questions about MDOC STAFF deleting Plaintiff's aforesaid documents (accompanying GRIEVANCE #305).

#### ANIMUS BEHIND THE OBSTRUCTIONS

14. Regarding hostile actions of said MDOC Office of Legal Affairs STAFF (pgh. 11): Plaintiff has obtained communications of MELODY WALLACE telling LOCAL PRISON STAFF to obstruct Plaintiff's First Amendment exercise. WALLACE has, at times, received unlawful compensation for causing problems to Plaintiff from the "PUBLIC OFFICE MAFIA" of S.E. MICHIGAN (GRIEVANCE #305, p. 3-5). This is State (NOT federal) Judges who take unlawful payments to give court judgments in favor of the payer. For example: (a) Judge MICHAEL J. TALBOT took a \$4,000 bribe to unduly affect criminal prosecution of Plaintiff (GR #305, p. 3, pgh. 4); (b) The defrocked Monroe County Prosecutor took a \$2,000 bribe to protect WALTER E. VERDUN from criminal prosecution for killing a man. There were 2 overt attempts to murder Plaintiff before imprisonment and 3 more overt attempts during imprisonment. This S.E. MICHIGAN CRIME CARTEL is very arrogant and operates with impunity in LENAWE, LIVINGSTON, MONROE and WAYNE COUNTIES.

a. This Cartel often manipulates State actors such as Wallace and Beidler to obstruct Plaintiff's First Amendment Rights, and

15. For aforesaid reasons, Plaintiff is delayed over a month in filing his Responses to CORIZON and MDOC DEFENDANTS' SUMMARY MOTIONS (ECF #153 and ECF #173) at a much added expense to himself in funds, time and physical degradation to his health.

16. Plaintiff is unsure how to proceed on putting a stop to such obstructions but believes the Court should enjoin, sanction and/or find Defendants, Defense Counsels and associates in contempt of court after a telephone SHOW CAUSE HEARING regarding this long train of abuses intended to obstruct Plaintiff's court access and, maybe covertly cause his death through stress.

ARGUMENT

Actions of Defendants', Defense Counsels, their subordinates and associates have devastated Plaintiff financially, physically and otherwise.

This is similar to CHAMBERS v NASCO, 501 US 32 (1991), where the Court "noted that the alleged sanctionable conduct was that Chambers and the other defendants had '(1) attempted to deprive this Court of jurisdiction by acts of fraud, nearly all of which were performed outside the confines of this Court, (2) filed false and frivolous pleadings, and (3) attempted, by other tactics of delay, oppression, harassment and massive expense to reduce plaintiff to exhausted compliance'. The Court recognized that the conduct in the first and third categories could not be reached by Rule 11 which governs only papers filed with the Court. As for the second category, the court explained that the falsity of pleadings at issue did not become apparent until after the trial on the merits, so that would have been impossible to access sanctions at the time the papers were filed. Consequently, the district court deemed Rule 11 'insufficient' for its purposes. The court likewise declined to impose sanctions under Sec. 1927, both because the statute applies only to attorneys, and therefore would not reach CHAMBERS, and because the statute was not broad enough to reach acts which degrade the judicial system, including attempts to deprive the court of jurisdiction, fraud, misleading and lying to the Court. Ibid. The court therefore relied on its inherent power in imposing sanctions, stressing that 'the wielding of that inherent power is particularly appropriate when the offending parties have practiced a fraud upon the court.'" CHAMBERS v NASCO, 501 US 32, 41-42 (1991).

Plaintiff was told by certain MDOC STAFF that over \$2,000 worth of his personal property confiscated by MDOC shortly after Plaintiff filed AMENDED COMPLAINT (ECF #13), that is the subject of ECF #63, would not be returned to Plaintiff until after he "dismissed the case". Said MDOC STAFF said this was instruction of the ASSISTANT MICHIGAN ATTORNEY GENERAL who, at that time was Peter Y. Ho, James E. Long, and/or Kristen Simmons. It is unsure of which 2 cases he spoke, or if both, because the statement was somewhat cryptic but this case is one of two for certain. However, the long train of abuses by Defendants, et al, in this case is clearly documented as noted in paragraphs 1 through 14 herein.

Dear Rudy,

I made a mistake by labeling the email of this motion to you POMafia #16, part 2. It is POMafia #17, part 1. The grievance filed with this in Court is POMafia #17, part 2.

The mistake happened because MDOC deleted my legal documents from my Tablet and I was too tired to recall the number correctly. Can you correct this on the webpage?

Thanks. God Bless. Bo. Gary

Your Step I grievance is rejected for containing extraneous information. This violates paragraph R of PD 03.02.130. Your complaint expands beyond specific detail(s) (date/times/staff involved) surrounding an alleged violation of policy/procedure committed by staff toward you. This creates problems with distinguishing the actual issue. Paragraph R of PD 03.02.130 "Prisoner/Parolee Grievances" reflects what should be contained within a grievance complaint. FREY & CO

1. On 18 AUGUST 1988, an informant of Prosecutor WILLIAM D. FREY attempted to stab me with a knife after I sued FREY in the Attorney Grievance Commission. My MI Supreme Court case number later became 88818 (# by satanic ritual). FREY was permanently disbarred on 17 NOVEMBER 1999, G.A. v FREY, Atty. Discipline Bd. No. 92-184-GA. Special Prosecutor James ROSTASH was also suspended. G.A. v ROSTASH, 457 Mich 289 (1998) (\$30,000 bribe to falsify evidence).

2. On 12 FEBRUARY 1989, a police informant put in my cell said what he had been told to do to me and that he would go to the FBI about it. In 04 MARCH 1989, he was found with a bullet in his head. I was told of 11 more such events but can only verify 4, via TV, etc. This is not anything I did other than be intended victim & pray for protection from evil. HOLY BIBLE, Psalm 91; Jeremiah 20:11; Luke 6:38.

3. On 16\* FEBRUARY 1999, when I went to court for deposition from Prosecutor Frey, 3 deputies physically assaulted me and tried to break my neck in the Monroe County Jail. I sued Deputies Walter Hughes, Dan Kuhn, Gary Kujawa, and Denise Smith who incited it, NORTHINGTON v SHERRARD, et al, U.S. District Court No. 90-71522-DT; US COA No. 91-1778 (20 FEB 1992) and won. INFORMANT DENNIS POLLARD was involved.

4. ON 10 OCTOBER 1990 AT 0940 HOURS, MONROE COUNTY DEPUTY FRED BEDFORD PUT ME IN THE DETROIT COURTROOM OF VISITING JUDGE MICHAEL J. TALBOT AND SAID, "STAND HERE", then left I HAD CLEAR VIEW OF TALBOT'S CHAMBERS THROUGH A CRACKED DOOR. SPECIAL PROSECUTOR GREG JONES HANDED A MANILA ENVELOPE TO TALBOT WHILE SAYING, " HERE ARE A COUPLE THOUSAND REASONS TO DECIDE FOR THE PROSECUTOR". TALBOT TOOK THE ENVELOPE FROM JONES, LOOKED AT THE CONTENTS AND SAID, "... COUPLE THOUSAND???" JONES REPLIED, "... MORE LIKE FOUR THOUSAND". THERE WAS A HEARING at 1000 hours. This was MAFIA intimidation.

5. In DECEMBER 1990, 2 prisoner informants (JAMMER & PORTER) said a member of my family would be killed if I testified at retrial. I testified. On 02 JANUARY 1991, someone tried to murder my brother with a bullet to the head; a PUBLIC-OFFICE MAFIA hit.

6. In MARCH 1992, Lt. Deputy Sheriff Michael Davison testified before the Attorney Discipline Board against Prosecutor FREY. Subsequently, the deputy's son was found dead, about two weeks after two prisoner INFORMANTS (MAYS #212898 was 1) forecasted this to me; a MAFIA hit.

7. In AUGUST 1992, the group to which FREY was party firebombed the Monroe County Courthouse to destroy records of judicial corruption; a PUBLIC OFFICE MAFIA cover-up.

8. On 24\* JUNE 1996, Informant TOLBERT involved with Monroe INFORMANT DENNIS POLLARD attempted to murder me. I got a 1.5-inch gash on my forehead, 2 fractured vertebrae and COPD as result. Deputy Warden ALLEN G. HAIGH took a bribe to set-up this MAFIA hit, then lost his job.

9. On 04 DECEMBER 1996, the then Ex-Prosecutor FREY found a bomb in his car because he became loose tongued about Monroe County judicial corruption; a MAFIA hit.

10. In 17 MARCH 1997 at MCF, INFORMANT TONY SMITH (or ALEXANDER) put a Deer Tick on the back of my right knee while I napped. He jumped back with pinched finger and thumb as I turned to find cause of the mosquito-like sting and knocked it off. Two weeks later, I had Erthema Migrans rash, severe joint pains and fever of 103.6 (I measured it). The fever repeated every 3-weeks. Dr. FRANKLIN MESSANY of Muskegon said, "You have a circular rash and fever but WE DON'T CARE AS LONG AS YOU CAN WALK to chow". He refused to treat Lyme Disease which is terminal when untreated. In JUNE 1997, I became very ill after X-rays were taken. This was a MAFIA hit. On 03 APRIL 1998 at KCF, Dr. Jesus Neri said, "I'm going to (sic) for a better paying job, so I don't care what THEY say. It's unethical to not treat you". He then ordered Doxycycline antibiotic.

11. On 04 FEBRUARY 1999 at KCF, a prisoner INFORMANT (Weatherman?) assaulted and knocked me out without provocation. On 03 SEPTEMBER 1999 at KCF, Career Informant DENNIS ERDMAN #205858 attempted to set-up a hit on me for the next day. On 04 MARCH 2000 at SRF, Career Informant JOHN JOYNER #125052 threatened to kill me and attempted to setup a hit on me.

12. In AUGUST 2002, Abby Newman used national radio to expose facts of me being falsely imprisoned and named involved persons. The PUBLIC OFFICE MAFIA retaliated by 3 attempts to cause her great bodily harm. On 23 AUGUST 2002, THEY attempted to kidnap her. On 24\* AUGUST 2002, THEY made concurrent attempts to seriously harm or MURDER my brother and Abby in 2 different locations about 100-miles apart in the SAME WAY at the SAME TIME. All lug nuts of my brother's new Jeep were loosened to within one turn of being fully off. He would have crashed and burned at 70 mph on I-75 if he had not discovered this before driving. Abby received the same treatment except the accelerator pedal was also rigged to stick down in her car. WALTER E. VERDUN (Houghton Lake, MI) and WALTER JOHN VERDUN (Taylor, MI) appear to be party to this, coopting with Informant TIMOTHY PAUL BAKER (Toledo, OH).

13. On 04 MAY 2004, another attempt to harm Abby left a penny-sized burn mark and scar on her right temple. On 04 FEBRUARY 2005, CURTIS SMITH of Manchester, MI was found dead because he intended to tell me and authorities about the assault on Abby.

\* I testified against now ex-prosecutor WILLIAM D. FREY on 16 JANUARY 1987 and 24 MARCH 1988. From MAY to AUGUST 1988, Prisoner INFORMANTS made unprovoked threats against me on the 16th and 24th of each month. These were psychological theory-based aversive conditioning to testifying incited by State/NAZI psychologists, otherwise known as SATANIC RITUAL ABUSE.

Michael Davison, 48, will receive a full-time police lieutenant's salary until 2002, part of settlements he has won from lawsuits.

## Ruling near after a decade Case of alleged misconduct changed lives of cop, prosecutor

BY DENNIS NIEMIEC  
Free Press Staff Writer

Ten years ago, Monroe County Sheriff's Lt. Michael Davison investigated a case that would turn his distinguished career into a hellish soap opera.

The case — alleged misconduct by former county prosecutor William Frey — is pending before the state Attorney Discipline Board. A ruling is expected within three weeks, Frey said last week. It is one of the longest-running cases

without a verdict in state court history.

But Davison, Frey and the county taxpayers already have felt the consequences. Davison is no longer a cop, Frey is no longer the prosecutor and the taxpayers are picking up a \$1.5-million tab for their decade-long feud.

In 1988, Davison filed a complaint with the state Attorney Grievance Commission saying Frey had a conflict of interest when he prosecuted a driver for killing two people in a car accident. At the same time, Frey was paid about

\$16,000 for doing legal work for the victims' family, Davison reported.

As commander of the sheriff's special-investigations unit, Davison had solved homicides and worked in drug enforcement.

But after the complaint, Davison said he was reassigned to the road patrol by newly elected Sheriff Carl Van Wert, a Frey supporter. Davison also was ordered to stop all investigations.

RULING, from Page 1B

"It happened overnight," Davison, 48, recalled last week. "I was still the same police officer, but from then on it was a relentless attack."

Davison faced:

■ A search in 1992 by police of his home in LaSalle near the Ohio border, authorized by Frey and the sheriff. A U.S. District Court jury later determined the search was illegal. Frey said he ordered the search hoping to find lab and other reports on a homicide.

■ Accusations by Frey of perjury and tampering with evidence in a drug case. Davison was cleared by police and the state Attorney General's Office.

■ Accusations by Frey that Davison was a suspect in the setting of a fire at the county courthouse. He was interviewed by city police and cleared. (Frey had the fire set)

■ Harassment on the job from the county sheriff and others that led to Davison's transfer to the Medical Examiner's Office and a medical leave.

Davison fought back in the courts, and after two jury trials in U.S. District Court in Detroit and other lawsuit settlements, Davison won about \$1.5 million from the county for violating his civil rights.

Today, he's a cop in pay only. Although he has not been an active member of the force since 1994, Davison collects his full-time lieutenant's pay every two weeks, a part of the court settlement. He'll be on the county payroll with full benefits until Nov. 29, 2002.

Davison is a developer of an office-condominium-day care center in Monroe. In the fall, he'll become a part-time high school teacher in Toledo.

He says he would rather have his old job back.

Meanwhile, a three-member panel of the state Attorney Discipline Board continues to weigh more than 5,000 pages of evidence, statements from 50 witnesses and transcripts from 17 hearings in the Frey case.

The grievance commission investigates complaints against attorneys; the discipline board determines the

merits of the complaints and penalties. Appeals can be made to the state Supreme Court, which oversees the process.

Cases usually are investigated and settled within two years, said Richard Cunningham, an associate counsel for the commission.

In the Frey case, pretrial legal issues that were appealed to the state Supreme Court, the volume of testimony and the illness of one of the discipline board members have delayed the proceedings.

"It needs to be put to rest," Davison said. "Somebody needs to make a decision one way or the other. I'm angry and hurt over what he's cost the county — and he's never had to account for his actions."

Frey, the county prosecutor from 1986 to 1992, has a private law practice in the county.

The state Attorney Grievance Commission in 1992 issued a 21-count complaint charging Frey with using his position to help political friends, retaliate against enemies and further his private practice.

Included are charges stemming from the accident Davison investigated and the search of Davison's home.

Frey said last week that the public release of the charges less than a week before the Democratic primary thwarted his re-election. He was defeated in the 1992 primary.

Not knowing when a ruling will come has put any thoughts of a return to public office on hold and

hurt his business, Frey said.

"How are you going to run with this hanging over your head," said Frey, 55. "Economically, it hurts because I haven't taken cases unless I knew how long they would take" to resolve. If found guilty, Frey could lose his law license.

Frey said he did not use his power as prosecutor to retaliate against Davison. "I have no animosity towards him," Frey said.

In May, the state Supreme Court suspended the law license of attorney James Rostash for 180 days for working with Frey on civil cases involving the fatal car crash.

Still, Frey contends he did not misuse his office. But he doesn't expect to be completely cleared. "There's 21 charges, the law of averages says they're going to get you on something," he said.

In rural Monroe County, officials say they've learned from the 10-year ordeal. "There used to be a large perception of a good-old-boys network in Monroe County," said Dale Zorn, 45, chairman of the Board of Commissioners in the 135,000-resident county. "We're chopping away at that."

Five new commissioners were elected two years ago to the nine-member body. The commission has begun a lawsuit prevention program, featuring seminars for employees and public officials. The program is designed to head off problems, like those involving Davison and county officials, before they get to the courts.

The county has been named as a defendant in only one lawsuit since 1997 compared with an average of 15 to 30 suits in previous years, Zorn said.

"We're making business decisions rather than political or personal decisions," he said.

**STEP II - Reason for Appeal** STEP I Response denied as false and conclusory without factual support. Ashcroft v Iqbal, 556 US 662, 678 (2009), PD 03.02.130, ¶ R, says the opposite of what Rohrig says. Supporting facts are not "extraneous information" nor "multiple issues", but required by law, Iqbal at 678, as are all named parties. Jones v Bock, 549 US 200, 217, fn. 7 (2007) (on PD 03.02.130, ¶ R). If supporting facts were not included, then you would reject it as "vague". Rohrig, et al, are part of the chain of evidence tying them to the criminal cartel of the "Good Old Boy Network" (p. 3-5 attached). Rohrig's lack of competence in the American English is not ground for rejection. Return the federal documents to my JP5.
