3510 N. Elm

Jackson, MI 49201

Dear Rudy and Erin:

My email tablet has been inoperative for over a month, now, since JPay ~~has~~ damaged my software with an update designated as "MI20121". They make all sorts of excuses for not fixing it.

I am going to see the Cardiologist, either today or tomorrow, to determine what to do about  $\frac{1}{3}$  of my heart not pumping blood. It's been like this since 2016. I walked 4000 yards, today, in 48-minutes and took 4 nitroglycerine tablets to do so. My breathing for this was like it used to be when running 5 to 6 minute miles.

I went to the Kellogg Eye Clinic at U of M on 20 APRIL 2021, and had a CT Scan of my head and upper torso on 03 MAY 2021. The many grievances, letters and lawsuits are getting things done when backed-up by prayer.

Hey! Happy Mom and Pop's days.

Love & Prayers,

Gary M.

PS: Please enter the enclosed. It's time to take gloves off.

07 MAY 2021

Gary M. Northington 193035

President Joe Biden  
The White House  
1600 Pennsylvania Avenue, NW  
Washington, DC 20513

Dear Uncle Joe (as Soviets called Stalin):

A. ORDO AB KAO; DESTABILIZATION BY DESIGN

Within your first 100-days in office:

- (a) Some labor unions became angry and destabilized by you shutting down the Keystone Pipeline but united against Democrats;
- (b) You destabilized the Middle East by removing Iran-backed Houthis from the terrorist list which has led to Houthi cell groups crossing the Southern Border and stashing weapons inside the U.S. but only 2 Yemeni terrorists of the many were caught by CBP;
- (c) John Kerry further destabilized the Middle East by giving Top Secret information to Iran and working on the Iran Nuke Deal which will lead to Iran attacking DC, DE, MA and NYC with nuclear weapons;
- (d) You destabilized South and Central America by dismantling the Trump APPLY-AT-HOME for asylum agreements with the Northern Triangle countries there; then falsely blamed Trump for your acts;
- (e) You destabilized the United States by inviting invasions across the Southern Border of groups like Azatlan, La Raza, Meccha, M-S-13, Sorenas, Mexican Drug and Human Trafficking Cartels, Jihadist groups, and other entities seeking RECONQUISTA and violent conquest of the United States. This is done by your plan overloading the U.S. Border Patrol so aforesaid groups have been able to transport large loads of illegal weapons (including microwave/gamma beams and suitcase nukes), illegal drugs and children to use as drug mules and sex-slaves; and
- (f) The Democrat Party is destabilizing but Republicans and Independents becoming more organized and stronger. Some say destabilization will lead to violence during your term in office.

Years ago, I told the FBI and CIA that Otto Warmbier's brain had been fried with pulsed microwave radiation when North Korea returned him to the U.S. It appears China did the same to you on your trip there on Air Force 2 with Hunter (when he got \$1.5-billion). Your present daily cognitive dysfunction seemed to begin around time of that trip. Many say,

due to cognitive dysfunction, you are not the decisionmaker but merely a puppet to unelected persons who pull your strings to cause the aforesaid DESTABILIZATIONS. You sign the Proclamations and Orders so the Buck Stops With You because your brain wasn't fried to a crisp like Otto. Polls say: 62% to 77% of We the People are unhappy with the Destabilizations.

Right now: You gave control of our Southern Border and Southwestern United States to Mexican Cartels who are making \$400-million a month in child trafficking (9e), and running billion dollar drug farms, like the Medellin Cartel of Columbia, in the Eastern Antelope Valley of California. The Cartels smuggle 2,000 terrorist type migrants a day across the Border for which the 5,700 a day caught by Border Patrol are only a distraction to get the 2,000 across to the U.S. (surveillance sources). The Cartels and Terrorists are stockpiling real assault weapons (not domestic firearms falsely called "assault" by Biden) at stash houses across the U.S., for later use when the U.S. becomes CARTEL HELL like Mexico.

As aforesaid, We the People know: You are deliberately creating a MASSIVE DISORDER to be used as a false excuse for your future intended DRACONIAN control-freak-despotic action you take to "cure" the DISORDER you caused; ORDO AB KAO. This is typical SLAVEMASTER MENTALITY of creating a false scenario or situation then maliciously beating the slave for what MASSAH did which, in this case, shows the attitude of the PROVOCATEUR toward We the People.

## B. DELIBERATE INDIFFERENCE TO SERIOUS CHILD ABUSE

Jesus said: "If anyone causes one of these little children who believe in me to sin, it would be better for him to have a large millstone hung around his neck and to be drowned in the depths of the sea". Holy Bible, Matt. 18:6; Mark 9:42. Mexican Cartels are beating, killing and raping about 60% of migrant children they transport to the U.S. (Doctors Without Borders, MAY 2021).

DEMONRAT MARXISTS want a dumbed-down underclass who they can easily manipulate and enslave. They do this by indoctrinating children from cradle to adulthood in the Public Fool (school) systems. They then demand absolute allegiance, by force if not otherwise, from adulthood to grave using massive power of SLAVEMASTER GOVERNMENT that

imprisons and imposes severe financial, mental and physical sanctions for nonallegiance. This controlled underclass is presently being socially-engineered by the BIDEN ADMINISTRATION: (a) Importing children from the third-world to be indoctrinated in Department of HHS mind-control centers; and at the same time, (b) Using COVID-19 scams of the CDC as a false excuse to keep adolescent/minor U.S. Citizens from in-person attendance at both public and private schools. DEMONRAT/MARXISTS want such deliberately dumbed-down persons that may be easily controlled by the SLAVEMASTER and held in a subhuman subsistence on the STATE WELFARE PLANTATION daily advocated by Joe BIDEN since 1994.

### C. POLITICAL ASSASSINATION BY THE SLAVEMASTER

On 30 APRIL 2021; Joe BIDEN lied by saying, "The last (Trump) administration politicized the Justice Department". The OBAMA Administration began politicization of the Justice Department and IRS by sending them to harass, intimidate and falsely prosecute his opponents such as the Tea Party. Joe BIDEN was intimately involved in these and the fraudulent "RUSSIAN COLLUSION" Impeachment criminally funded by Hillary CLINTON paying Russian Spies with \$8-million given to Fusion GPS (Deep State Coup D'Etat #8). Joe BIDEN incited this false Impeachment at a 05 JANUARY 2017 White House meeting (internal WH memo). The "politicization" lie is a tactic of the MARXIST MANIFESTO of falsely accusing opponents of what the MARXIST is actually doing. To wit, BIDEN admitted being a MARXIST by his own words.

You and Barack Obama planted anti-U.S. Deep State Agents in the CIA, DHS, DOJ and other branches with intent to leak false claims to the DEMONRAT/DNC-controlled media about Donald Trump. These many false claims were malicious attempts to politically assassinate Donald Trump and his Cabinet. This politicization by you remained, for the most part, throughout the Trump Administration because President Trump did not do the normal firing of your political plants.

THEREFORE, your comment is admission that you and Obama politicized the Justice Department, from 2009 to 2020.

Right now: You have politicized the Justice Department by sending FBI Agents to harass and intimidate your political opponents, similar to the false prosecution you personally initiated, on 05 JANUARY 2017, against the Honorable General Michael Flynn. In APRIL 2021, you sent 7-FBI Agents with guns drawn to enter the home of Rudy Gulianni with a Warrant to take his "electronics" because he exposed criminal activity of you and Hunter Biden in FARA violations. Mayor Gulianni had offered to give information on the "electronics" to the FBI for 2-years. However, your FBI did not want the evidence of crimes by Hunter and you. Eighty-Five Percent (85%) of We the People see and know of this HYPOCRISY and most are offended.

#### D. CONCLUSION

Contrary to your campaign promises and later speeches, you are not uniting this American Republic but are creating an ever-increasing division. Some say you have caused the U.S.A. to reach the point that "breakup is inevitable". Others say they are well-prepared for inevitable Civil War. I hope for unity but you are the Divider-in-Chief.

"He who does what is sinful is of the devil", I John 3:8. God says to repent and turn from sin. Mark 6:12; Luke 13:3; Acts 3:19.

68% of We the People want less immigration; 77% less taxes; 77% smaller government; and 66% of Black People want ID Cards required to vote. Listen to We the People; not to delusional Marxists.

Sincerely, In Christ,

Gary M. Northington
