.. A TRIBUTE TO JACK McLAMB (page 1)
.. PRESIDENTIAL EXECUTIVE ORDERS

The following Executive Orders, recorded in the Federal Register and, therefore, accepted by Congress as law of the land pursuant to Title 12 United States Code, Section 95b, known inter alia as the Federal Reserve Act, can be put into effect any time an emergency is declared: 10995-All communications media seized by the Federal Government. 10997-Seizure of all electrical power, fuels, including gasoline and minerals. 10998-Seizure of all food resources, farms and farm equipment. 10999-Seizure of all kinds of transportation, including your personal car, and control of highways and seaports. 11000-Seizure of all civilians for work under federal supervision. 11001-Federal takeover of all health, education and welfare. 11002-Postmaster General empowered to register every man, woman and child in the U.S.A. 11003-Seizure of all aircraft and airports by the Federal Government. 11004-Housing and finance authority may shift population from one location to another. 11005-Seizure of all railroads, inland waterways and storage facilities. 11051-The Director of the Office of Emergency Planning (FEMA) authorized to put Executive Orders into effect "in times of INCREASED INTERNATIONAL TENSION OR FINANCIAL CRISIS". He is also to perform such other functions as the President may direct.

Executive Order 12919 (03 JUNE 1994) created infrastructure for carrying out above orders and civilian work "WITHOUT COMPWNSATION"", further defined in 13010. 13083, revised as 13132, makes all States subservient to the Federal Government. 13107

makes the Federal Government subservient to the United Nations and other countries. Public Law 106-25 (18 OCT 2000) and Treaty Document 104-29, give 70% of the land mass of the U.S. to control of the United Nations.

The Federal Government, USA INC. (Articles of Confederation, 15 NOV 1777); Title 4 USC, §101; Title 28 USC, §3002(15)), has slowly done the aforesaid since 1913. In OCTOBER 1985 under Executive Order 12490, it became a crime to have more than a 90-day supply of food in any household. Goals 2000 turns public education into psychological indoctrination in government religion (EARTH IN THE BALANCE, p. 62, Al Gore).

The Federal Government gave more than 15 million acres of U.S. property to control of the United Nations UNESCO Group as U.N. Biospheres. It forcefully moved U.S. Citizens off the lands, roads are blocked and U.S. Citizens not allowed to enter the areas where U.N. military bases are set up. e.g. Desoto Nat'l Forest, Smokey Mt'n Nat'l Park, etc. One giveaway was 1.5 million acres in Utah; one of only 3 "clean coal" deposits on Earth (Pres Proclamation 6920, 18 SEP 1996). A minor deposit is in Mexico; the other in Indonesia and owned by the Lippi Group (PLA of Red China) that gave illegal campaign money to President Bill Clinton. Most if this is under the U.N. Biodiversity Treaty and World Bankruptcy of the U.S. in 1933 by FDR.

The Fed seized 200 billion dollars in private assets from 30 NOVEMBER 1995 to 25 APRIL 1996 to meet payments of the Federal Debt; taken from the Government Employees Pension Fund, etc. Such seizures can only be done under martial law. Title 12 USC, § 95a. Public Law 104-193 required a National ID Card by 01 OCTOBER 2000 but was temporarily suspended (drivers license criteria). Without it you cannot do business with the Federal Government - you cannot buy or sell. It's origin is Title 42 USC, § 666, the Deadbeat Parent Statute.

Effective 06 OCTOBER 2000, Public Law 106-65, § 1067, put the U.S. Attorney General in charge of weapons of mass destruction for U.S. military use in the U.S. This is for civilian gun confiscation. Public Law 87-297; U.N. Treaty (AUG 1954).

Dear Rudy,

The basis for the aforesaid was originally written by Jack McLamb in his APRIL 1994 issue of the AID & ABET Police Newsletter, Volume II, Number 6, Page 11. I spent months of time reading the Federal Register and added to Jack's writing. I'm sending this to you as a tribute to Jack.

C has a ton of the old issues in the AID & ABET office that need to be cleared out. It might help her with finances of keeping in touch with we wrongfully imprisoned Patriots if the issues could be sold for \$3 each (postage included). Please contact C if you can help before the issues are lost forever.

All for Jesus... God Bless! Gary M a.k.a. Roadrunner
