Attachments: DEEP STATE COUP D'ETAT #14; MARXIST THEFT OF THE VOTE:

*** Attorney Sidney POWELL said: DOMINION VOTING INC. machines and SMARTMATIC Software were designed to switch millions of ballots from TRUMP to BIDEN. Dominion Voting Inc. was formed by the late Dictator Hugo Chavez of Venezuela and funded by George Soros. A source code to alter elections is embedded in software of Dominion machines. Antonio Wengica, a Venezuelan who lives in Spain, is part owner in SMARTMATIC Software used in Dominion Voting Machines. This information has yet to be proved but some DOMINION machines did flip votes from Trump to BIDEN for unknown reasons.

*** The following is preliminary information that may change but will give the reader an idea of what is occurring. The AMISTAD JOURNEY/THOMAS MOORE SOCIETY investigated and disclosed some facts and whistleblowers exposed other facts of voter fraud on FOX News Channel, as follows:

*** On and before 03 NOVEMBER 2020, in Georgia: Stacey ABRAMS worked with organizations that are inviting nonresidents of Georgia and illegal aliens to vote in Georgia, such as: (1) America Votes; (2) Operation New Voter Registration; (3) and New Georgia Project. Mark ZUCKERBERG of FACEBOOK laundered \$350,000,000 through TECH PACIFIC LIFE (a 501(c)(3) nonprofit) to fund, in part, this and Georgia election officials committing fraud.

*** Before and on 03 NOVEMBER 2020, in Georgia, over 100,000 Absentee Ballots were filed by: (1) persons dead before 1994; (2) persons using ballots from fake out-of-State and Georgia addresses; (3) one person using multiple ballots; (4) noncitizens and other nonvoters using real voters' names; and (5)

Absentee ballots being handed to non-eligible voters and filled-out at the voting stations, contrary to Georgia law, by persons who did not previously request them.

*** On 03 NOVEMBER 2020, near 1030 hours, in Fulton County, GA: All Vote Counter Observers and Counters, except for 4 DEMONRAT Counters, were forced to leave the State Farm vote count building by a person claiming an alleged water line break. Minutes after everyone but the 4 DEMONRATS had left the building, the 4 DEMONRATS pulled 4 hidden suitcases holding at least 24,000 BIDEN ballots out of a storage cabinet and began running the ballots through the counting machines. Around 0530 hours on 04 NOVEMBER 2020, the other poll workers and OBSERVERS who had been previously chased out returned to the building and one OBSERVER noticed vote totals had greatly increased in the ballot counting machine for which he was responsible. The 4 DEMONRATS did not know 4 video cameras monitored the building at the time of their evil deeds. However, on 02 DECEMBER 2020, the Trump Campaign obtained copies of the video recordings which were made public so the evildoers knew they had been caught (I saw the TV replays). On 10 NOVEMBER 2020, it was found the excuse to leave the vote count center, an alleged water main break, was false. On 01 DECEMBER 2020, Election Supervisor Gabriel STERLING said "nothing was unusual about the" 24,000 ballots hidden in suitcases.

*** On 28 NOVEMBER 2020 in Georgia it was discovered there was: (1) a 9600 vote overcount in DeKALB County; (2) a 298 vote mistake in DOUGLAS County; (3) 2700 uncounted ballots found in FAYETTE County that were mostly for TRUMP; and (4) 2600 uncounted ballots in FLOYD County that were mostly for TRUMP. Fulton County ballots were still not fully counted on 02 DECEMBER 2020.

*** On 03 NOVEMBER 2020, in Detroit, MI: Kristina KARAMO witnessed many TRUMP ballots changed to BIDEN by poll workers.

*** In Antrim County, MI: On 05 NOVEMBER 2020, the County Clerk stated on National TV that the DOMINION VOTING MACHINE had flipped 6,000 TRUMP votes to BIDEN. Such machines are also used in 47 other Michigan counties and 28 other States. On 07 NOVEMBER 2020, Representative Debbie Dingell said she knows nothing of this vote flipping.

*** In Detroit, MI: On 05 NOVEMBER 2002, Canvas Board Members William HARTMAN and Monica PALMER were coerced, by threats against their families and them, into voting to certify Wayne County election results, despite inaccurate results in 71 precincts.

*** In Detroit, MI: Democratic Poll Worker Jesse JACOB testified she: (1) was instructed to date packets holding 300,000 ballots earlier than the date sent; (2) witnessed poll workers sent to ballot machines to instruct voters to vote for Joe Biden; (3) witnessed persons who had first voted by mail voting again at satellite locations; (4) was instructed to not verify signatures on Absentee Ballots; (5)

witnessed a truck pull up to the Detroit Convention Center at, 0430 hours on 04 NOVEMBER 2020, from which over 100K ballots marked for Joe BIDEN only with no down ballot candidates selected, were unloaded in garbage cans, shopping carts and boxes; and (6) a high level Dominion employee was present for this.

*** In PA: On 01 DECEMBER 2020 Ethan Pease testified that on 04 NOVEMBER 2020 around midnight, his truck was loaded with 24 pallets of Ballots marked for Joe BIDEN at Bethpage, NY and he drove it to Lancaster, PA where the pallets were unloaded. He noticed return addresses were all filled-out on the ballots.

*** In Philadelphia & Pittsburgh, PA: Poll Workers changed dates and votes on 450,000 ballots while they excluded Republican Observers from the Area.

*** In WI: 220,000 unrequested Absentee Ballots were filled-out by poll workers and filed contrary to State law that requires Absentee ballots be requested. Jesse Morgan said 100,000 late ballots were backdated upon USPS Supervisor instruction, then became missing from a WISCONSIN USPS storage facility on 04 NOVEMBER 2020. His supervisor told him to shut up.

*** In WI: On 01 DECEMBER, the WISCONSIN Election Campaign Chair, Ann Jacobs, was asked to resign for causing violations of Wisconsin voting laws regarding 220,000 Absentee ballots.
