Dear Rudy + Erin,

Sunday, Dec 26th, 2021

Illegally held 87 days and counting!

I gonna make this letter brief because I'm being moved soon I cannot take anything with me, so I'm trying to get as many letters out as I can. Enclosed are my written answers to the questions from your packet, before I realized you gave you number, which I plan to call soon. The writings you sent me were great because I felt I was proof reading my own letters. I instructed my "Lawyer" to read it as well. Before you recoil, I am in the process of waking him up and I feel I am about 85-90% there. I am driving my own "defense" which is actually an "Offense" against this corrupt Government and their not-so-secret police. If you have not been following my case, you can call my Girlfriend, Tylena, at 813.690.9608 and tell her who you are and she can bring you up to speed. I have also been doing scores of "jail house" interviews which should be linked at JeremyBrownDefense.com. The DoJ and FBI are doing their best to keep me quiet, but as a 20 year Special Forces Operator, that is never gonna be possible. If they shut down one line of communication, I have 2 more inline! I have built a team of irate and tireless Patriots that will follow me in this fight, even if it takes us to the Gates of Hell via the Valley of the Shadow of Death. Well, I look forward to speaking by phone soon, until then... De Oppresso Liber! Liberty or Death!

Very Respectfully

P.S. I will call with my new address after my move.

www.YearOfJubilee.com Questions

- ① How did I hear of you? You sent me a packet.
- ② Are you a Bible believing follower of the LORD JESUS CHRIST?
In the past I was, in fact I was in the process of starting my own church when, through my daily Bible studies, I found some issues in the Bible that I have yet to reconcile. This lead to my complete falling away from God from a period of time covering 2009 to 2019. In 2019, due to the fact I knew too much about what the Bible said about the end times and seeing all that was happening in the world, I get back into the Bible. While I still have not found anyone that can answer my questions, I know that there is a God and there is a Satan. I am still seeking the full truth about the completeness of the Biblical account and role. I pray daily during my study for the discernment and answer, because Satan is the Great Deceiver.
- ③ I used the KJV, NKJV, ASB and the Holman Christian Standard (HCSB) Bible in order to see the differences.
In Jail, I only have the KJV + HCSB.
- ④ 1 October 1974 is my Birthday.
- ⑤ I was arrested on Sept. 30th 2021 and have been illegally held and been denied bond for 65 days as of the writing of this letter.
- ⑥ I have not been to trial, but I was arrested for "Being in an unauthorized area" (DC during Jan 6th, 2021) but they came with an improper search warrant and

found weapons that they claim are illegal. The reason is I'm a FBI whistleblower and they are targeting me to shut me up, I am taking all charges to trial and will expose all of their Constitutional Violations.

- ⑦ I am 100% innocent according to the US Constitution.
- ⑧ I do have a support system of family, friends and millions of supporters that have heard my story.
- ⑨ People can learn about my story by going to JeremyBrownDefense.com or searching "Jeremy Brown Green Beret vs FBI" using "Duck Duck go" not Google. My story has been heavily censored.
- ⑩ I would be happy to call. I have done 60+ hours of interview and continue to do them from jail.
- ⑪ I do have access to jail emails through the Pinellas County Jail Website. I'm not sure how you set it up. I can only respond.
- ⑫ I need prayers. People to know what is happening and then do something to push back against this evil and like all targets of the FBI corruption we need financial resources to fight this lawfare Battle. People can write me directly and I will answer every letter. I'm able to request books from my family, but any suggestions or deliveries will be read, for sure. They must be softcover.
- ⑬ I have or can get all of my legal documents and would be happy to provide everything because the truth cannot be hidden.

How did we get here?

"Don't be afraid of what you are about to suffer. Look, the devil is about to throw some of you into prison to test you, and you will experience affliction for ten days. Be faithful to the point of death, and I will give you the crown of life." Revelations 2:10

"If my people, who bear my name, humble themselves, pray and seek my face, and turn from their evil ways, then I will hear from heaven, forgive their sin, and heal their land." 2 Chronicles 7:14

"My people are destroyed for lack of knowledge. Because you have rejected knowledge, I will reject you from serving as my priest." Hosea 4:6

"Woe to those enacting crooked statutes and writing oppressive laws to keep the poor from getting a fair trial and to deprive the needy among my people of justice..." Isaiah 10:1-2

"Though an army deploys against me, my heart will not be afraid; though a war breaks out against me, I will still be confident." Psalm 27:3

"Then I heard the voice of the LORD asking: Who should I send? Who will go for us? I said: Here I am. SEND ME!"

Isaiah 6:8

How did we get here? (cont'd)

We have lost our way. Our families, our neighborhoods, our churches, our schools and our Nation has fallen into Satan's evil trap. We can deny it or even blame our neighbor, but we are all guilty. We need to fast to cleanse our body, pray to cleanse our mind and ask GOD for his mercy and restoration.

There is nothing new under the sun and we must look back at our history for answers to the question, "Where does this lead? How does it end?" What are the outcomes of un-checked, un-restrained tyranny? The poet Martin Niemöller speaks of the horror of Nazi Germany. Aleksandr Solzhenitsyn recounts the terror of Soviet Russia. Whether it is Mao's China or the tribal murders that plague Africa, evil finds a way to creep into power, then subject humans to bondage and death. How? Because "the only thing necessary for evil to triumph is for good men to do nothing." - Edmund Burke

But that same history reveals to us the solutions. How far will tyranny push? "As far as you let it." Those are words of Thomas Jefferson in response to that question. "How do we push back?" you may be asking. Mr Jefferson had an answer

(cont'd) →

for that as well. "It does NOT take a majority, but an Irrate and Tireless minority, Keen on setting brushfires of Liberty in the souls of men." As I sat here in a maximum security jail being denied justice and my Constitutionally protected Rights, I wonder, "is anyone irate and tireless enough to save our Republic for our children and our children's children?" If you are reading this, are you? If you are hearing it be read, are you? Or will we just wait for another "Good man" to do something? The time to answer that question is NOW! Trust me, the time to fight is NOT after they lock you away.

Here is the GOOD news. GOD promises us he will give us victory over evil whenever and wherever it raises its ugly head, but ONLY if we stand up, face it down and rebuke it with faith AND action. Look at the example of young David. When the evil warrior Goliath stood daily threatening, taunting and mocking King Saul's people, they all stood by in fear and took it, asking themselves, "How can we defeat this warrior, he is bigger, stronger and more powerful than us? Who can challenge him?" It was young David, a boy, who believed in GOD's promise of protection that faced the giant warrior. David wasn't even big enough to wear the King's armor, but he had courage and faith. When will

(cont'd) →

we find our courage to face our Giants? When will we trust in GOD to protect us as we speak up and take action to stand in the face of tyranny and say, "We must obey GOD rather than men." Acts 5:29 We can no longer stand to the side like cowards asking, "Who will stand and fight this Giant?" We must be the Patriots that say, "Here I am, SEND ME!"

The longer we wait, the worse the fight will be. And you are not alone! If we would just put down our phones and turn off the distractions that Satan has put in our way, we might find out the truth; that we are not alone. At worst, there are 74,000,000 of us, if you believe the lying media I believe, when Liberty is properly explained to the people, closer to hundreds of millions will be on our side. Trust me, most of my Inmate "friends" would not likely share my views on the size of government or the economy, but almost ALL ~~agree~~ agree with my views on Liberty and Freedom. They are simply "being destroyed from lack of knowledge."

So, what can we do? I have some easy ideas, if you will indulge me just a little longer.

Next page, please ☺

It's all about millions of "small victories."

Remember: **IRRATE** and **TIRELESS** A.K.A. "The squeaky wheel gets the **GREASE!**"

SPEAK: ① Talk to 3 strangers, 1 friend and 1 family member everyday. Talk to them about what is going on in the country and with the Political Prisoners. Have a good article, story or link queued up that is easy to share.

② Make 1 phone call, email or letter each day to either local radio, newspapers or elected officials. If only 1% of Patriots did this, it would be more than they have ever received. Politicians only care about what will keep them in office living off your hardwork!

ACT: ① Hand out info fliers in parking lots or public places. We will have some made soon!

② Hold a Townhall Q&A, House or Block parties. Break Bread and Fellowship! We have more in common than not!

③ Flag Waves at busy intersections it classic. A wave and a smile actually gets them to read your sign.

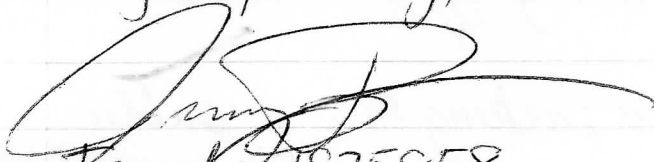

GIVE: If you can, give to help us pay for the legal battle ahead. They have little fear of us because few have the resources to fight. But the "many" do! Economy of Scale is **POWERFUL**. If each conservative voter simply gave \$5 to this Lawfare Battle, we would have \$370 million to fight. We don't need ~~that~~ (cont'd) →

We don't need that to win, but I also know not everyone can give. So, if you can give as much as it is worth to you, I promise I will fight with all my mind, body and soul and not stop until our Constitution is restored and the hundreds of American Political Prisoners are freed and back with their families.

I am here, in Jail, willing to take the blows, willing to wage the fight. Please support me. I will be forever ~~greatly~~ grateful and you will not regret it! God Bless America! De Oppresso Liber! * Please learn more and Give at...

P.S... Please share with as many as you can. If you can, read this letter at groups, churches, make copies and mail around. We have to get in this fight, together. George Washington lost for 5 straight years before ~~winning~~ winning our Freedom. We can beat that.

* "To Free the Oppressed" the "Green Beret" Motto

You can pray the 91ST Psalm (Soldier's Prayer) for me and others.

Jeremy dwells in the shelter of the Most High and he abides in the shadow of the Almighty. Jeremy says to the LORD, "My refuge and my fortress, My God, in whom I trust!" For it is GOD who delivers Jeremy from the snare of the trapper and from the deadly pestilence. GOD will cover Jeremy with HIS pinions, and under HIS wings Jeremy may seek refuge, GOD's faithfulness is a shield and bulwark.

Jeremy will not be afraid of the terror by night, or of the arrow that flies by day; of the pestilence that stalks in darkness, or of the destruction that lays waste at noon. A thousand may fall at Jeremy's side, and 10,000 at his right hand; but it shall not approach him. Jeremy will only look on with his eyes, and see the recompense of the wicked. For Jeremy has made the LORD, his refuge, even the Most High, Jeremy's dwelling place. No evil will befall Jeremy, nor will any plague come near Jeremy's tent. For HE will give HIS angels charge concerning Jeremy to guard Jeremy in all his ways. They will bear Jeremy up in their hands, lest Jeremy strike his foot against a stone. Jeremy will tread upon the lion and cobra, the young lion and the serpent he will trample down.

(God said) Because Jeremy has loved me, therefore (cont'd) →

I will deliver him, I will set Jeremy securely on high, because Jeremy has known MY name. Jeremy will call on ME, and I will answer Jeremy. I will be with Jeremy in trouble; I will rescue Jeremy and honor him. With a long life I will satisfy Jeremy, and let him behold MY salvation.

Please also pray for my girlfriend of 7 1/2 years, Tylerne Aldridge, and my 2 Australian Shepherds, Liberty and Ranger, who are left to protect her in my absence.

My 5 wonderful daughters that have been astringed from me over the years. Morgan (18) Abigail (17), Kaitlyn (15), Rebekah (13) and Samantha (11). I pray someday they will see me for who I am, rather than what the world and their mother has told them.

My TFF.L.A.A.G. (Task Force Fighting for Liberty and Abolishment of American Gulags) Team. Scott O., Meredith J., Cathie C., Erin O., Jeff D. and Brandon G. They are my eyes, ears, hands, hearts and voices on the outside while I am locked away. Also my attorney Bill Sansone and his family. Pray he can find the courage and wisdom to stand up to these misguided judges and government.
