

MOTION OF NOTICE OF DIVINE WARNING

UNITED STATES OF AMERICA

CASE NO. 17-00101 LEK

v.

ANTHONY TROY WILLIAMS

MOTION OF NOTICE OF DIVINE WARNING AND SUPERIORITY OF YAHWEH'S SPIRIT LAW

Private Attorney General Anthony Williams, a servant of the Most High Yahweh Elohim Yahshua, do declare, depose and state the following on and for the record:

1. I only hold Yahweh Elohim Yahshua in high regard as the one and only TRUE JUDGE as it states in Isaiah 33:22, "Indeed Yahweh will be there with us, majestic yes, Yahweh our Judge, Yahweh our lawgiver, Yahweh our King, he it is who will save us." Also Psalms 50:6 states, "The heavens proclaim divine justice, for Yahweh Elohim alone is the judge." (See also 1 Cor. 4:1-5)

2. This malicious and false accusation has caused great harm to me, my family and friends and Yahweh specifically states in Psalms 105:15, "Touch not my anointed and do my prophets no harm."

3. It doesn't matter what evil plot you have schemed against me because Yahweh has already assured me, "No weapon formed against you shall prosper; every tongue you shall prove false that launches an accusation against you. This is the lot of the servants of Yahweh, their vindication from me, says Yahweh. (Isa. 54:17).

4. Your law school education is not sufficient to withstand the Wisdom of Yahweh working in me to expose the injustice of this case and fraud perpetrated upon the American people in every courtroom in America. Therefore, Yahweh says in Job 12:17, "He leads counselors away plundered and makes fools of the judges."

5. Yahshua the Mahshyah had the same problem with lawyers of his day as I do with the present day lawyers. When Yahshua spoke to the scribes and Pharisees, he said, "Woe to you scribes and Pharisees, HYPROCRITES! For you are like graves which are not seen and the men who walk over them are not aware of them. Then one of the lawyers answered and said to him, "Teacher by saying these things you reproach us also. And he said, Woe to you also lawyers! For you load men burdens hard to bear and you yourselves do not touch the burdens with one of your fingers. Woe to you lawyers! For you have taken away the Key of Knowledge. You did not enter in yourselves, and those who were entering in you hindered." (Luke 11:44-46;52). Attorneys at law are no good shysters, money hungry, deceitful, lying, reprobate bastard children of the devil whose only concern is acquiring more money and power, keeping the people ignorant of the law and oppressing the poor.

6. Everyone from the FBI Agents, US Attorney's and the Judges who have uttered lies or administered injustice in this case against me knowing full well that I have committed not crime and not facts of a crime have been presented and moved forward with this case based on lies, manipulation and discrimination will not avoid the divine justice of Yahweh Elohim Yahshua. Yahweh states in Proverbs 19:5,"The false witness will not go unpunished and he who utters lies will not escape."

7. Every FBI Agent, attorney or public servant's statement and testimony that will be proven to be false shall be punished with the punishment that was contemplated to be done to me pursuant to Yahweh's law in Deuteronomy 19:16-20.

8. All physical, constitutional, federal, state, statutory, admiralty, maritime or any other laws are subordinate to Yahweh's law. For Yahweh's law is spiritual (Romans 7:14) which is above the physical laws. This is the reason that in court a person must swear to an oath to Yahweh (God) to tell the truth by placing their left hand on the bible and raising their right hand and swear or affirm to tell the truth. It is upon the principles of Yahweh's law in the Holy Bible that this country's laws were founded and where all laws get its authority therefrom. Also, every judge who is appointed to the higher court must put their hand on the Holy Bible to be sworn in. Therefore, Yahweh's Law is Supreme.

9. All judges and attorneys at law must adhere to Yahweh's law FIRST, before they can submit themselves to man's law. If man's law contravenes Yahweh's law, then it is Yahweh's law that takes precedence and must be followed to ensure that righteousness and justice is administered to the people to prevent the perversion of justice which will invoke the wrath of Yahweh to all those who transgress his law. (See Eph. 5:5-6; Gal. 6:7-9)

WHEREFORE, the undersigned submits this motion and dares any prosecutor to answer this motion and state for the record that their Federal Law trumps Yahweh's Divine Law and that Yahweh's law is not supreme, then the U.S. Constitution and then all laws in harmony therewith. Failure to specifically state that Federal law is higher than Yahweh's law of the spirit, the undersigned demands that the court enters an order stating that Yahweh's law is Supreme, then the U.S. Constitution and all other laws are subordinate to these and all parties involved in this case are bound by and subject to Yahweh's spirit law and will be governed accordingly. If the prosecutor(s) are stupid enough to make a blasphemous declaration or assertion that Federal law is higher than Yahweh's law, then the undersigned demands that these prosecutor(s) be removed immediately and terminated from their position and forever barred from holding any other public office because they are infidels and atheists.

Executed this 7th day of August, 2019.

Righteously Submitted,
