CASE NO. 17-00101 LEK

vs.

ANTHONY WILLIAMS  
(Son of Man Prophet)

## NOTICE TO THE COURT

I am officially demanding that all motions hereinafter filed be non-hearing motions and the undersigned is waiving his appearance at all court hearings that are not in Judge Puglisi's courtroom. None of the other magistrates or trial judge have displayed the requisite jurisprudence, impartiality or competence in law to be able to adjudicate in the undersigned's presence with fairness and equity. All motions that the undersigned files will be non-hearing motions and only require a written response by the satanic agents of the government, Gregg Paris Yates or Ronald G. Johnson and a written reply by the undersigned in writing devoid of a need of a hearing. The magistrate, (who most likely will be the racist Kenneth Mansfield) can issue his unjust demonic ruling which will always be in favor of the government regardless if the law mandates the ruling to be in the undersigned's favor. I have no confidence in Leslie Kobayashi nor Kenneth Mansfield and as far as I'm concerned both of these wicked devils have a reservation for hell already booked. Psalms 94:12-23 states, "Blessed is the man whom you instruct, O Yahweh, and teach out of YOUR LAW (not corrupt federal laws). That you may give him rest from the days of adversity, until the pit is dug for the wicked. For Yahweh will not cast off His people, nor will He forsake His inheritance. But the judgment will return to righteousness, and all the upright in heart will follow it. Who will rise up for me against the evil doers (Leslie Kobayashi, Kenneth Mansfield, Gregg Paris Yates, Ronald Johnson and the FBI)? Who will stand up for me against the workers of iniquity? Unless Yahweh had been my help, my soul would soon have settled in silence. If I say, 'My Foot Slips', your mercy O Yahweh, will hold me up. In the multitude of my anxieties within me, your comfort delight my soul. Shall the throne of iniquity (United States Government), which devises evil by law (federal laws), have fellowship with you? They (Leslie Kobayashi, Kenneth Mansfield, Gregg Paris Yates, Ronald Johnson and the FBI) gather against the life of the righteous, and condemn innocent blood (Queen Mother Barbara Williams and Private Attorney General Anthony Williams). But Yahweh has been my defense (that's why I don't need a satanic attorney bar member), and my Elohim the rock of my refuge. He has brought on them (Leslie Kobayashi, Kenneth Mansfield, Gregg Paris Yates, Ronald G. Johnson and the FBI) their own iniquity, and SHALL CUT THEM OFF IN THEIR OWN WICKEDNESS; Yahweh our Elohim SHALL CUT THEM OFF (to their third and fourth generation!). [emphasis and pettifoggers added] Executed in righteousness this 24th day of February 2019.

Righteously submitted,

/s/ Anthony Williams
