To Brother Rudy Davis

From Pastor Ronald E. Turner Sr.
DOC 165660

I Am over 80 yrs old and was saved in 1955. Married over 60 yrs to same wonderful woman. I and my wife have been involved in Children's Ministry for years. We are K.J. Verson Only - Independent Baptist Churches. Ministry was Junior Churches Set up and Training - I Have no prior Criminal Record and Joined The Pipefitters in 1963 and Retired From There. Local Union 208 Denver Colorado. I Have put my Life on the Line for Colorado ~~Number~~ of Times in my Occupation. My wife and I have Three Sons - The youngest died of Cancer The Oldest Lives in Brighton Colo. The Middle Son Married a Divorced Woman with a Teenage Daughter - Big Mistake - Even Though there were Heavenly Involved in Longmont Baptist Church and Christian School - Problems still made it's way up. Monty my son and Brandy His wife had a Son. By the Age of Three, Serious Child Abuse from Mother and Step Sister Started with them too Luke. The Church stood with Brandy until they found out Her Lies on Facebook and asked Her to Leave - But it was not soon enough to Help Repair the Damage they did to Monty. He Left the Membership of the Church and Walked away from a High Paying Job to Take His Son away and protect Him - This is what Really caused the Judicial System to Go after Monty.

Over. Page 1

He was able to stay away for over Eight Months and by that time the SDN Luke was able to talk very well. Note: There was ^{NOT} during that time any enforceable law broken - No crime committed - No warrants No Arrests - There was a Protection Order Made but not served on Monty - Should have been on Her - Anyway Longmont Police Commander Jeff Saxter said in Denver Post - Monty had just as much right to Luke as she did. They have no jurisdiction over the matter until Monty is served - Note - Monty also did not have any previous criminal record - Well a number of expensive things Longmont did until they were able to locate Luke and serve Monty - While Monty did not violate any of God's Law the Longmont Alleged Law's of Making Brandy the Head of the Home and gave Her the Boy. Monty did not go to a hearing on the Protection Order served him - Everyone said and knew that Luke loved his Dad and his Dad loved him - There was no danger of anything to Luke by his Father - Even stated by Brandy they loved each other very much. Well Monty took his Boy but was caught within one day and again returned to Her. Yes there is a question here about God's Law and Man's Law - GOD made Monty Head of His Home as long as he was right with GOD and The Church He was - He and Brandy were in a covenant agreement over the Church they joined in their Marriage.

Until on Face Book and Meeting with some Divorced Woman
Joined a Vegan Cult which in it's self is not the Total
Problem but Did Contribute to the Child Abuse Problem.
Without getting into the Nitty Gritty Facts of the Child Abuse.

Note. Boulder District Court Suppressed all the Child Abuse
Information in order to Maintain Kidnapping Charges
against Monty and Me as Complicity - He ended up
with 36 years and is waiting for Supreme Court in Colorado
to hear his case - Mine. 13CR951 I received 27 yrs
Here are the Very Important Issues over my Sentence.

Violation of Custody F4 6 yrs.

Without ever a Custody order Filed and or Served on
Me or Monty.

1st Degree Burglary F3 12 yrs.

Without the Required Elements of

1. Menacing
2. Weapon
3. Assault.

Along with Violation of Element (5) Unless there is
a F1 or F2 it's to be a F4 also Colorado Supreme
Court Made a Ruling that the Information used in Charge was
Defective - See Cooper v. People.

Then 2nd Degree Kidnapping F4 6 yrs.

But IT was placed on Monty Not Me -

I was Tried, Convicted, Sentenced Without a
Valid Charge of Kidnapping for Trial

over Page 3

Finally Accessory to Crime FS 3yrs
But The problem is The Other Alleged Crimes
are all 5-25-2013

The Accessory to Crime is 7-2-2012 to 3-21-2013.

Note - What you have is Accessory to a period
of Time of No Crime Committed, No Warrants, No Arrests.
Then a period of Alleged Crimes on Me with No
Accessory to Crime to Go with it.

Then The Sentencing The Subject of Prior or
Subsequent Convictions.

The Longmont DA Timothy Johnson Stated to
Sentencing Judge Andrew R. McDonald That He Needed
To Sentence me Consecutive not Concurrently.

I had no Prior Conviction and Doing it Consecutive
makes it a LIFE Sentence at my AGE.
I will Probably be Dead by PED.

But Corrected I would already be up for Parole.

I Believe GOD wanted me to See what our
Justice System is all about and Had a Large
Number of Men He wanted me to Deal with over
Salvation - Many Have Received Christ along with a
Number of Other Special Things.

With my wife and I working in Children's Ministry I did not see the need to be licensed into the Ministry - However in 1980 at Adam's City Baptist Church The Pastor a Retired Missionary Durbin Thorpe Had me get Ready to be Licensed by the Church - I was - Along with Many Responsibilities - Adam's City is a North Denver Sub Division by Commerce City Colo.

A Couple of Things about My Case.

When My Sister (Now Deceased) and Brother in Law along with my Son Ronald Turner Jr were called to testify in Trial - In Lobby before Door unlocked - An Attorney asked my Attorney J. Scott McComas - "How is The Turner Trial Going?" McComas said "Very Well" We know the Turners are Christians and we are going to Concede Them."

Also I Discussion with Judge Andrew R. McDonald He knew I was Licensed in the Ministry and was called upon to Counsel both Brandy and Monty about putting the Home Back Together Properly - The Judge then said Mr Turner I will see to it that it Never Happens - you hear me - Bang Bang with His Gavel -

The DA Timothy Johnson That had a Confiskited - Letter I had Tried to send out - Had Titus Scripture Quoted that a woman Blasphemes The Word of GOD if She is not Obedient to Her Husband.
"when He is Right with GOD" -

He said Mr Turner said of His Daughter
