First let me answer some of your Questions.

A Christian Cellie I was Room Mate in Sterling Correctional Facility West Side Sent the Documents to Me as I was Moved to the East Side and we Don't get much Chance to See Any of Them.

I Was Saved in The Wichita Baptist Tabernacle Back in 1955 and Properly Baptised. The Pastor Dr. Art Wilson who was Past President of The Baptist Bible Fellowship - Dr. Wilson Married my Mom and Dad back in the Late 30's - Also Married My wife and I in 1960 -

I Went a Couple years to Baptist Bible College But did not Feel God had Called me to Be a Pastor - However My wife and I Have been in Children's Church Ministers For years - Until 1980 Pastor Durbin Thorpe at Adam's City Baptist Church Called me in To Get Ready to be Questioned and Licensed into the Ministry which They Did.

Yes I have a King James Bible
My Birthday is Sept 16, 1940 I Am 80yr's old
I Do not have any Previous Criminal Record -
I was Arrested in Missouri on 5-26-2013 about
Midnight - I was By myself. Do I Maintain
My Innocence? I Can Say Absolutely I Did
not Violate GOD'S LAW'S in Regard to This Case.
However That's not where it ends - The Four
Charges I Was Sentenced on To Total up to
27 years - called consecutive not Concurrent.

All Four Charges Have Serious Errors To The Point
even under Colorado Law's I Am Not Guilty -
I will List the Four Charges and The Reasons They
Do Not Pertain To Me. Yes I Have Good Family
and Friend Support. Yes I will get your phone
Number put on my Phone List in order to call you with
Details. I have been now in Jail One Year Before
Trial and 6 1/2 years in Bent County and Sterling Correctional
Facility - Total over 7 1/2 yrs - My Story needs to be
put Together and put out, However it Also now has
many Sub-stories involved in My Time in Prison -
A Number of Things are Very Important for people
in Churches to be Taught in order to prevent all
over - possible problems Christians May be Facing -
No E-Mail - Case # 13 CR 951

My Needs: The Money Sent to Me by my wife when she can is used up fast by phone calls - stamps - Envelops - Paper - Pins - After the Prison takes out 20% for Charges by Court. As you probably know, your phone can accept Charge Calls where your end has Funds placed on it. I would like Jonathan Cann's Latest Book on Prophecy. Yes I have Copy of my Indictment and Trial Transcript's -? My wife also has the 2632 Pages on a CD That can be sent - However it needs to be Copied and send Back to Her. Yes I will work up a Brief Write-up Summary and send it to you to be put out as you see fits

Colorado Constitution States That Indictment must be Done by a Grand Jury - However The State has for years By Passed The Constitution by allowing DAs to Put Charges on a person by Information only -

Now The Final Charges with a Number of Years to be Sentenced From Min to Max That Total 27 years on Me, This Being After Charges were Dropped before Trial, Then What Jury Found Not Guilty And Finally what The Supreme Court Dropped after Review.

See Peoples Sentencing Memorandum.

Counts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16

Count 1, 2, 3, 9, 10, 13 Dropped by Appeal Court after Trial and Sentencing.

Count 4, 5 Dismissed Before Trial.

Note. Count 13, 15, 16 Placed as Time Served for the one year in Boulder County Jail Before Trial.

Leaving.

F4 Count 6 Violation of Custody 6 Yrs Sentence.

Note. There Never was a Custody Order Filed and or Served to Monty Turner my Son - or Me So That 6 Yrs Charge is Illegal. Note Date of Offense on Criminal Complaint. By D.A Katharina Booth - Reg 30086

F5 Count 7 Accessory To Crime 3 Yrs Sentence Date of Offense. July 2, 2012 to March 21, 2013 Note What is Illegal about The Charge is During That Date of Offense - There was Never Any Charges, Served, Arrest's - Period - So My Trial Had Accessory to Crime with NO Crimes Listed for Trial. Then Alleged Crimes of Date of Offense 5-25-2013 But NO Accessory of Crime to Take place of Complicity for Proper Trials

Next Page 4

Then Count 8 - 1st Degree Burglary F3 With
12 yr Sentence - But The Elements Required
To Hold This Charge All went Away - The Jury
Found Count 11, + Count 12 Menacing and 5th Gun
NOT Guilty Leaving only Assault Count 13
That was Dismissed by Appeal Court - So The
12 yr Sentence is Illegal - Along with No Accessory
To Crimes.

Finally Count 14 Second Degree Kidnapping F3ER
But Changed to F4 6 year Sentence Note - In
Motion To Add Count D.A. Timothy Johnson Reg 28692
Placed Kidnapping on MONTY Ray Turner
Not On Me - So I Was Illegally Tried
for Kidnapping without a Valid Charge on Me
Period.

Also Note - Exhibit 3 called Mithimus
or Prison Hold's us on what's called a Warrant
of Commitment.

See Count 14 - 2nd Degree Kidnapping - Element
(2) which states - Took a child Not His Own
There Has never been any Dispute that
Luke Turner was The Son of Monty Turner

Over Page 5

Note: The Word of GOD made Monty Turner
Head of His Home Not Brandy Turner.
The Word instructs that The Man Must Be Right
With GOD, Right With the Church - He Was.

The State Made Brandy Head of The Home by
Suppressing Serious Child Abuse in Order to Maintain
Kidnapping charges against Monty and Me by proxy -
The Three Stages of Authority -

1. The Home
2. The Church
3. The Government.

In This Case Home Authority was Denied - And
The Church was Brought into it - Unfortunately Brandy
Lied To The Church and They Did not Rule in Favor of
Monty - Later The Church Found out about the Lies and
Asked Her to Leave Membership - The Pastor involved
also Left Short Time Later - But Brandy had
reached out to The Government - Which is in Direct
Violation of God's Word - Barring Something like Murder
I Realise we are not under Law but under Grace -
But Not Per Man's Law -

My Deceased Sister - and Brother in Law along
with my Son - Ronald E. Turner Jr - on Day
They were called in to Court - Heard an Attorney
Call - J. Scott McComas My Attorney - and Asked - Scott How
is your Trial going - Scott Said Great
Next Page 6

" We know The Turners are Christians and
We are going to Crucify Them - "

Actually To Start off My Attorney Did File 16
Motions But Most were Denied by Judge Andrew
R. McDonald who also Suppressed All The Serious
Child Abuse Being Done to Luke Turner - This is The
Reason of Motive - Not Once Referred To In
Trial - Why Did Monty Take His Son?
Why Did He Walk away From His Church?
Why Did He Walk away From High Paying Job?

Also when Judge McDonald Questioned me
about My Claim of Monty and Brandy asking for
Me To Counsel With Them on Possible Putting The
Home Back Together Properly - The Judge when that
Was Discussed Banged His Gavel a Few Times
and Stated " Mr Turner I will See To it
That it Will Never Happen Do you Hear Me? "

My Brother in Law's Son Paul Brown is going
To Send a True Story of a Man Murdered in Boulder
That Accepted Christ a Little Before He was Killed.

I need to work on Phone List update.

And get this in Mail To go out Fri instead
of Mon Morning - GOD Bless.

Previous Situation

- Sentencing in this matter is scheduled for Tuesday June 24, 2014 at 8:15 a.m.
- The Defendant was referred for a presentence investigation report that was completed on June 18, 2014. The PSI recommended a department of corrections sentence of 27 years plus 5 years of parole.

Lesser Included Offenses

- The Defendant was originally charged with three counts of second degree burglary (counts 1-3).
- Each count of second degree burglary represented a different theory under which the Defendant could be convicted.
- After further investigation revealed the Defendant's knowledge of Monty Turner's plan to kidnap L.T. by using force, the People added counts 8-10: first degree burglary.
- Each count of first degree burglary represented a different theory under which the Defendant could be convicted.
- The crime of second degree burglary is a lesser included offense of first degree burglary. Armintrout v. People, 864 P.2d 576 (Colo.1993).
- Pursuant to C.R.S. 18-1-408(1), "[w]hen any conduct of a defendant establishes the commission of more than one offense, the defendant may be prosecuted for each such offense. He may not be convicted of more than one offense if: (a) One offense is included in the other...." C.R.S. 18-1-408(1)(a) (2000).
- Under the plain language of the statute, Count 1 is a lesser included offense of Count 8. Count 2 is a lesser included offense of Count 9. Count 3 is a lesser included offense of Count 10.

Originally Committed

11. The People request the Court note that Counts 1-3 will merge with Counts 8-10.
12. Further, assault is clearly a lesser included offense of first degree burglary with assault is the predicate offense. Where assault of the predicate offense, the elements of first degree burglary necessarily include all of the elements of assault. Litwinsky v. Zavaras, 132 F.Supp.2d 1316 (D.Colo.2001)
13. The People request the Court note that Count 13 will merge with Counts 8-10.

Concurrent Sentencing for Count 8-10

14. The Defendant was convicted of three counts of 1st Degree Burglary.
15. Pursuant to C.R.S 18-1-408(4), "[w]hen two or more offenses are charged as required by subsection (2) of this section and they are supported by identical evidence, the court upon application of the defendant may require the state, at the conclusion of all the evidence, to elect the count upon which the issues shall be tried. If more than one guilty verdict is returned as to any defendant in a prosecution where multiple counts are tried as required by subsection (2) of this section, the sentenced imposed shall run concurrently...." C.R.S. 18-1-408(3) (2000).
16. "The test for identical evidence is an evidentiary test rather than an elemental test." Juhl v. People, 172 P.3d 896, 902 (Colo.2007). If the acts that form the basis of the two charges are sufficiently distinct, the convictions are not supported by identical evidence. People v. Moore, 321 P.3d 510, 517 (Colo.App.2010).
17. In this case, the People concede that each count of 1st degree burglary represented a different prosecutorial theory under which the jury could find the Defendant guilty. These three offenses are based upon the same act or series of acts. As such, the Court should impose concurrent sentences pursuant to the statute as to Counts 8-10.

Extraordinary Aggravating Circumstances

18. "Other than the fact of a prior conviction, any fact that increases the penalty for a crime beyond the prescribed statutory maximum must be submitted to a jury and proved beyond a reasonable doubt." People v. Misenhelter, 214 P.3d 497, 501 *citing to* Apprendi v. New Jersey, 530 U.S. 466, 490, 120 S.Ct. 2348, 2362 (~~Colo.~~ App.2009)
19. Following the ruling in Apprendi, the United States Supreme Court further explained other requirements necessary to aggravate a presumptive sentence in the case of Blakely v. Washington, 542 U.S. 296, 124 S.Ct. 2531 (2004).
20. The Colorado Supreme Court has found that there are four types of factors that a trial court may rely upon to impose a constitutionally valid sentence in an aggravated range: (1) facts the defendant admits; (2) facts found by a jury; (3) facts found by the court after

the defendant has stipulated to judicial fact-finding for sentencing purposes; and (4) facts relating to prior conviction. Lopez v. People, 113 P.3d 713, 723 (Colo.2005).

- 21. The first three factors are considered "Blakely-compliant" factors. Facts related to prior convictions are considered "Blakely-exempt." Id.
- 22. In People v. Bass, the Court of Appeals held that a court may properly rely on an element of one charge proven beyond a reasonable doubt to aggravate the sentence of a separate offense proven beyond a reasonable doubt. People v. Bass, 155 P.3d 547 (Colo.App.2006). The Court held the element of one offense may be an extraordinary aggravating fact as to another count and, if established pursuant to Blakely, will support an aggravated sentence on a second count. Id.
- 23. Case law has further developed regarding the term "facts relating to prior convictions."
- 24. In Villanueva v. People, the Colorado Supreme Court modified the term "prior convictions" to include any conviction whether "prior" or "subsequent." Villanueva v. People, 199 P.3d 1228, 1236 (Colo.2008).
- 25. The use of prior or subsequent convictions to aggravate a sentence was again expanded to allow "simultaneous" convictions to aggravate a sentence. "Under Villanueva, then a defendant may constitutionally be subjected to an aggravated range sentence based upon either 'prior' or 'subsequent' convictions. There is no reason why, as here, a 'simultaneous' conviction should be treated any differently." People v. Misenhelter, 214 P.3d 497, 502 (Colo.App.2009).
- 26. In this case, the Court may use the Defendant's "simultaneous" convictions to aggravate the sentence of the other felony conviction.
- 27. At the sentencing hearing on June 24, 2014, the People will argue that the facts and circumstances surrounding the Defendant's initial crime committed between July 2012 and March 2012 coupled with the planning and execution of the crimes committed on May 25 to May 26, 2013 allow the Court to find aggravation under the fourth prong of the Lopez analysis.
- 28. The People will request the Court impose a sentence in the aggravated range and will further request the sentences run consecutive to one another.

Typo-
2013

WHEREFORE, the People provide this sentencing memorandum addressing issues of merger of counts 1-3 and 13, the concurrent sentencing of counts 8-10, and the issue surrounding sentencing in the aggravated range. The People will address the length of the requested sentence on June 24, 2014.
