Long Sentence's and Life Sentences Cont.

Math 10:35-36

Micah 7:6

Ezek 18:20 The Soul that Sinneth, it shall Die. The Son shall not bear The Iniquity of the father, neither shall The father bear the Iniquity of the Son.

Now This Does not mean That a Person who is Living with Drugs will not Pass a Health Issue on to Children. Also Family's usually receive Persecution and Different Sorts Because of The Sin's of Men and Women - All Kinds of Losses and Costs -

Now to Get to The Root of The Sin Problem First you cannot Barter with GOD over Problems you may be Facing. Remember Just Because The Blood of Christ can Wash away All your Sin's you know That Salvation it's self will not Get rid of The Penalty you may be Involved in. Also The Judicial system will not allow Religion or Spiritual Changes in your Life to Get your Sentence off The Hook - I actually Recommend That any Programs They offer ~~Be~~ Taken as Those will Give Them The Reconciliation and So Called Glory for a Basic Rehabilitation Results -

Usually Those Programs Just Confirm what The WORD of GOD (KJV) will Do on The Inside of your Life - Their Program on The Outside - Supported by Christ on The Inside

As you probably know, For Sure if The Lord Jesus Christ were to come back today for the Church His Bride and if you are truly born again by the Holy Spirit of God you will be taken out of the deepest prison hole into Heavenly Bliss - This does not mean that there is no hope for serious charges usually put against us in what's called consecutive instead of concurrent which probably puts you in a probable life sentence. As you may not live long enough to reach parole please don't give up, have faith in Christ and His Word. Don't forget what you are going thru is only temporary compared to what you actually have in the gift of eternal life. I believe at this time in your life you need to make it a day by day plan to earn rewards and a position that will last forever. The reason that God does not usually take a person who gets saved to heaven right then is He has a job for you. Not forcing you to do it, but as a committed servant to our Saviour. Also it was some Christian God used to get the Gospel presented to you. Now it's your turn. You get the one next to you and I'll get the one next to me. In no time at all we will get them all.

Then the trumpet sound -

See Joel 2:15-20

I Feel The Need To Warn Inmates of what we know is being used to counterfeit true salvation. Do not fall into a plan out there where they say salvation is also being water baptised - water don't wash away sin's only the blood of Christ.

Then some present, "you have to speak in tongues". This is totally reputed by God's word - yes it was used to start the Gospel being spread into all the world. ~~Today~~ Today we have to learn their languages and translate the King James Version into their language - The Early Church had the word imputed into them before it had actually even been penned - when they did receive the penned it confirmed what they already had been teaching. This did not do away with healing but did move it from single persons to a properly executed way like a firing squad - you don't know if the bullet came from you or someone else - Just follow James plan on the church doing healing properly - sometimes it's not God will to heal. Sometimes it is - Also don't get confused or false teaching on eternal security - once saved always saved. If you are truly saved, it's not a licence to sin but don't think you can live sinless. We are however to sin - less -

Salvation is also not only people in a certain denomination - There are people in my church membership that we have found out thru time that they were not truly saved - And we know GOD has allowed us to lead people to Him that are in different denominations - This does not mean we totally agree with different issues over doctrines. Some things we cannot go along with other things are not salvation issues.

You see salvation is not I'll try it and if it don't suit me, I'll leave it and go on to something else - This kind of thing is explained with those people were not actually saved any way - Doubt is sin and without faith it's impossible to please GOD. Remember it's not what you say with your mouth it's what comes out of your heart. While we know that salvation is to save the soul of a person - Does not mean the body is to be saved - It's still going to someday die unless you are raptured out when Christ comes back. However that does not mean there is no HOPE for not only physical problems which also include incarcerations - Each day we are seeing investigations into the corruption of judicial system and judges D, AS, law makers - Sopri and Soforb -

Even The Different Ministeries Out There Like The One Brother Rudy Davis and His Wife Erin are involved in is Getting More and More Christians Informed of The Corruption involved in Cases - Any way if you are Not Serving GOD While in prison you probably will not serve Him if you were to be put Outside. My Brother in Law's Son has been in and out Through out The years - In prison he was actually a Good Witness - But Outside He could not stay away from Drugs and Sex - He now says He Has Learned His Lesson - Time will Tell -

I Tell Jr Church Kids That GOD does not give us a Pair of Glasses in order To see Horns or Hair~~ies~~'s. We Have to take them at Face Value.

We also know there are Times that Saved people are not Living Right and there are also Unsaved people who ~~but~~ Actually Live Morally Right - Men and Women of Their Word - These Same Kids asked me if I came over on Noah's Ark and when I said Oh No, They then asked me Why didn't I drown?

✓ When I told them How old I would have to be To have come over on the Ark - they just said "50"

Then a Very Important Doctrine that Must be Properly Accepted and Believed in order to be Actually a Saved, Born Again Christian - your understand and belief of Who The LORD Jesus Christ Really is?

The Word of GOD (KJV) Rightly Divided Shows without a Doubt That He is GOD and in Isaiah over and over - The Great I AM - Alpha and Omega. The Creator, Redeemer, Saviour, King of Kings, Lord of Lords, The ROCK, The Shepherd, The Holy One. Now it's a Fact that Many People Don't have a Problem using the Term Holy FATHER and Holy Spirit but Reject The HOLY SON. Even in Heb 1:5-8 The FATHER Said in Verse 8 That The SON is GOD. Also See Ezek 20:49 Who is Speaking? vs. 47 The LORD GOD What is He Saying? Well He is Saying That GOD would Speak in Parables. Now you would be Hard Pressed to Find in The Old Testament Very Many Accounts called Parables But in The New Testament Matt 13:45 Jesus Christ Was Fulfilling This Prophecy with about 70 parables Repeated in Three of The Gospels - By GOD The Word in Human Flesh. Also Do not Fall into Thinking That The Lord's Table or Communion is Part of Salvation. We Need to Be Saved First Before Properly Taking Part in First Being water Baptised as A Picture of what already happened and Then to Properly Receive The Lord's Table which Makes us Not only Be Sure we are Right with GOD but with each other - Looking Back to Christ's Death and Forward to His Return =

If you are with me This Far, Then it's Very Likely That you are one who Knows For Sure That you are Saved, Born Again, Spirit of GOD Inside you - Now to Be what's called Filled with the Spirit This is Speaking of Studying GOD's Word and Being Obedient to His Word - The Comforter - Christ and His Spirit is already in you. You have Him but Does He Have All of you Like He Desires. Your Body is The Temple of The Holy Spirit. In First part of Isaiah GOD said He was Tired of His People Sacrificing for Their Sins over and over And still Living for The Devil - So If you Don't have The Proper Desire Then I guess you could also Doubt Salvation = Make Sure.

The Holy Spirit will Teach you - Comfort you - Love you, Change you - Bless you - Even Confirm to you The Truth. He Can make my Words even Seem Like They are Coming out of me, straight To you from GOD. Also Do not Think That you Can Reach GOD by Praying to Him Through anyone Beside The LORD JESUS CHRIST - And it's The Holy Spirit who Takes your Prayer to The Father in words you Cannot even Speak - Plus He Takes it Correct From your Heart not Just your Mouth -

I am not going to get into whether you want to call Him Hebrew Names or English Names, worship on Sat or Sun or All The Time Eat Meat or Send it To Me. Pray standing on your Head - Just keep Praying, worshipping, serving, Studying, keep The Faith, keep Looking up - When you get your Attention on The Things GOD Wants you to Be Focused on - Then your Attention on Consecutive Sentences or Life Sentences or Probable Life Sentences will Lose as your Faith in GOD increases Even to The point of some of you actually getting out, Back with your Loved ones - But In Fact like a persecuted Christian woman I talked to about what she was going thru; "She said They can't threaten me with Heaven!" So even if someone gets Taken by The System. And They actually knew that GOD used The System to Stop Them - Going Straight to a Devil's Hell - And after Believing and Receiving - Repenting of Sin and Accepting Christ - They Will Be in GOD's Heaven Forever - Maybe not with too much Rewards or Position; So Do what you can do while you can for HIM - Remember what All He Has Done for you!

I placed Matt 10:35-36 and Micah 7:6 in the start of this lesson. The Scripture tells us that ~~our~~ enemies will be those of our own household. In fact this is totally what put me in prison. My two son's wives were actually being a Judas Traitor in the Turner Family - while serious unfaithfulness with others in regard to the bedroom. How can this instructions from our LORD be so violated in not properly loving each other properly, our hands are tied with us being obedient to not taking another so called Christian to court - but these hands are not tied as that's what they did in Monty and Roy Sr's case - poor little Luke what he is going thru is "unbody". When I called Monty to ask what happened? - little Luke was singing at top of his lungs - over and over "I am the happiest boy in the whole world". If my 27yr and Monty's 36 yr ~~the~~ 63 yr sentence for protecting a young boy - son, grand son from serious child abuse in my opinion is "it's worth it" only not done properly as Luke was returned to the forces.

Now We are not going to Be Judgmental
over Why you are in Prison and why you
