

by "The Flight" 30 April 2019, Tuesday

dear [redacted]

GREETINGS! God bless you and yours! I pray His blessings are great and your tests are such that they too shine after all as blessings. I hope spring is at least peeking through there at Hopkins. A few days ago 8" of snow in Chicago, near end of April. It has been slow springing here, as well.

On 18 April, they suddenly moved me next door (same address), but I had no knowledge - reason(s) unrevealed. Today, 12 days later, I still do not have my property. Mystery! Perhaps they're not happy with the 17 December 2018, UNIVERSAL SUPREME COURT OF THE TSILHQOT'IN, International Aboriginal Court, EX PARTE ORDER ruling on my appeal in my favor. It appears the initial mailing of the ORDER was not properly delivered to me. On or about 1 April I finally rec'd it by and through a Christian brother, with the Chilcotin National Congress, 1 January 2019, Letter of Delegation appointing me as "Honorable Chilcotin Ambassador to Scotland for the State of the Chilcotin". This is AUTHORITY, TREATY/LAW and not only Orders my release "on his [my] own recognizance" but rules "all charges of his [my] case(s) dismissed." It certainly appears these are in dishonor, as it is clear the ORDER and DECLARATION stand firm in Law. Chilcotin is a UN and U.S. recognized nation and protected by binding Treaty/Law. Steps in progress will overcome the obstruction of justice/dishonor. Pray with me for the honor of their just and superior authority ruling. I pray one day soon for a gathering of all who have risen to the call for liberty and justice in these matters.

The foundation here is a Giant Redwood - massive, solid and it all started with a Creator and a little seed like an oat-flake - Wow!

2 As I'm writing, the pad on top of an empty locker, as my property is still not here. Could it be that I've struck the bee-hive? ☹️

John 8:32, The whole TRUTH out, millions would be freed. This massive prisoners for taxation SCAM has resulted in horrid injury to millions of people, whose fathers nor grandfathers, etc. would never have been arrested, let alone being imprisoned for decades; for lives. Matters that In TRUTH are NOT crimes at all. United Soviet Socialist Amerika" (USSA). (A SCAM where prisoners are worth more \$ than taxpayers.) WHO HAS EYES TO SEE?

On a good side of this, for the 1st time in 12 years, I've been able to walk on dirt and grass. 2 miles per day I've walked 10 miles in six days - One rain day off. ☹️ I spent over 10 years confined in one building. Who would believe it in Amerika? Hated for revealing the TRUTH. Same crowd who crucified our Lord Jesus. (In 23rd year over all.)

Numerous revelations have more and more people seeing the solution for EXPOSING the FRAUD that has been used for imprisoning 100s of 1000s of people in the last 50 years for \$\$, and what must be done for setting the people (not truly criminals) free. 1960-present this travesty of horror has been purposely poured out on "The People". The END is found in TRUTH, EXPOSURE and just ACTIONS. ☹️

These foolish people photocopy post-cards; greeting cards; colored anything as they imagine some kind of drug could be sprayed on them. I have no clue about drugs - and am sure those writing me do not either. What nonsense!!! ☹️ Latent, 2 post-cards from friend Marty who just moved to Michigan recently. [I just rec'd recent copy May/June 2019, Christmasbook Catalogue.] ☹️

3/ People who work here are, some, noticeably troubled by my purposed stand and thus peculiar (not like theirs) ways of truthfully doing what I do and in many cases must be done. People are being "used" and very few know it nor know how to get it right and stop being "used" by the powers of darkness.  Learn and teach TRUTH and the powers of darkness react.

I haven't heard for a while , but I hope and pray that good things are working for you and the folks/family you serve at work. I pray management sees people lat and not \$\$\$ join me in your prayers for your workplace, the people and all; there, I'm certain of God's help, hope and blessings! 

I include you, your sister, loved ones in my prayers daily. I truly know and firmly believe we can always count on our Lord Jesus, the Christ, now and forever!

May the Talips and Blue Belle soon bless you and yours. Spring a new lease on life every year. The lilacs fill the air with their special scent. Let joy fill your heart and treasure small and large all the gifts we have to be thankful for. Thank you for your special friendship!

with love of Christ,
rex-russell-don
