

dearest Erik and Alie,

Hüten Jag! Truly blessed as 2 ppl arrived last evening!!!  
I have no way of verifying for sure, but trust one hundred will  
be there when I can - God Bless!

The Gideon's Army Weekly now added for my prayer list.  
You've all been there for much longer. Day-one of assault on  
us in Montana, 25 March 1996, I conducted prayer and study  
in Gideon's story with all except 2 young men we had on watch.  
We likened our stand at Justus (Col. 4:11) township to that of his  
300.

I have mail (2) from Kansas irrigation systems tech-  
nition and Aliea, as well. Truly blessings.

I look forward in hopes of sharing more, but want to  
get this Thank You with Hope in the Gospel of Jesus  
Christ asap.

with love of Christ,  
Russ-Russell-Dean

P.S. They're trying to send me back to CMU - too much  
TRUTH! But there is a "Title" problem - I have per-  
fected "Title" they do not. This a pretense, 305  
Success Report - Had none for 5 years - always  
pretense.

(day 106 - Hole)

dear sister & brother,

Greetings in the name of our Lord Jesus, the Christ! I have been able and verified with much thanks giving the hundred as is posted. ☺ Romans 8:28

This whole time in hole, all pretense. No legitimate process yet all in "Disciplinary Segregation" (punishment). No address/ph. book; No property; No private books nor periodicals, etc. Chapel has provided a small print KJV Bible, Thank the Lord. Paid magazines are thrown away. Persecution for sharing TRUTH.

They allege they are going to send me back into CMU, but that's just down the hall. Due to my legal standing, perfected, recorded Title owner, Secured they have no clear Title, and cannot get valid authority for transfer anywhere. [www.s.o.s.tx.com/search](http://www.s.o.s.tx.com/search) RUSSELL DEAN LAUDERS. We know how the FRAUD of suing the BIRTH CERTIFICATE for charges and binding the man or woman, even children as surety-debtor (violation of Prov. 6:1-5) to fines; jail; prison is done and specifically how to honorable settle and discharge all, thus entitling the victim/prisoner for unconditional liberation.

As prisoner bond scheme is \$trillions\$/Tax-scheme over years, especially since Ronald Reagan signed the 1983 and 1984 crime bills (all unconstitutional, War Powers), the evil hunger for \$\$credit has proliferated the attacks on the people for numerous commercial schemes that have nothing to do with crime at all. The \$\$credit thirst leads to long sentences, death by imprisonment for maximum \$\$credit, and few even see how evil and wicked it is. To quote some, "It's the love of money stupid!"

"Do I hate them, O Lord, that hate thee? or am I not grieved with those that rise up against thee? - Psalm 139: 21 KJV

Satan has been busy going to and fro in this land of states united.

Lawyers at B.A.R. and so-called judges, all so-called officers of the so-called courts (bankruptcy/emergency war powers tribunals) have sold their souls. They do NOT deal in law, they deal in legis, billing the people, stealing the people's beneficial interest in the public/corporation trust. FRAUD upon FRAUD! The devil incarnate 24/7.

Our prayers are their power over it all. Prayer and Faithful follow through allows for The Lord and his angels to overcome! He always knows the end from the beginning. And will always see us through. Acts 17, etc. He walked Corrie Ten Boom out of prison December 1944. They call that a clerical error. We know our Lord does not make errors.

The FBI is not even an American, USA organization. It is a business based at Paris, France and is a Vatican force. Most so-called Special Agents are not based in the states united, are a hired agency of the U.S. Dept. of Justice since 1908. (Source: Library of Congress, British-American Law Division). As are the so-called US Marshals, all are INTERPOL, based at Paris). We had this with far more in our 3 Volume resource for our "America First: Basics of Law" seminars.

Armed with the whole truth from outside, those inside can be discharged and liberated. This truth is spreading and will play a major role in "ALL THINGS SHALL BE REVEALED" — Thank The Lord. 🙏

Before this "Hole", I received the card where several are pictured. By His grace I know several, have met many and been informed by some I have been privileged to meet. The US not only has more people in prison than the whole rest of the world combined, a huge percentage are not criminals but are In Fact political prisoners. 🙏

Our daughter Amy has been an active prayer warrior with much effort for sake of the oppressed. Even her work is treated as a ministry for Jesus. I am blessed. Many are blessed. Romans 4:15!

In this gulag, only one 15 min. phone call, pre-authorized, per month is allowed. Our provision, protection and guidance is ALL of the Lord. Prayer our ever so powerful means. ☺

I've been reading and re-reading the enclosure of 15 October with joy. Dana and I and others knew as we seminareed daily all across

America that EXPOSURE is a must for over coming the LIARS.

The TRUTH, of course, brings on strongarm injustice, as it has.

When whole TRUTH is known NONE of present day so-called courts and law will be as extinct as T-Rex.

I too have read Alexander Solzhenitsyn's Gulag Archipelago. — Welcome to ~~the~~ Amerika comrades! It has been recorded, "What are you going to do when they come for you?" A wake up call for all on North America.

I love Gideon's story, Judges 6:11, et seq. We are never outnumbered for the Lord and His angels are ever here with us! ☺ Midian numbers nothing the face of the Lord!

You may already know, but all should know that when a book comes in it is not received with any information showing who sent it, so it is not that we are ungrateful but we simply do not know. When (if) I find out, I promptly do all to express my thanks. (I did receive for example: "It's All About Power" and "One In A Million" with thanks given. Briefly got to know David Hinkson and others. ☺ Saw and read "Miracle in Atlanta". Of course Dana & I knew and loved Red Beckman. March 1994, we brought him in as key-note speaker at our East Coast convention at the convention center at Valley Forge, Pennsylvania, a great time with folks from Maine to Florida. (Of course you know who hated that.)

The so-called government does not give sentences, they steal peoples' lives, be it 18 years; 1 year or a lifetime. As it is all a "commercial scam" (never law). These can be returned/reversed by simple public/corporate policy protocol. However, from inside it is impossible. The infidels know this, thus all the censorship. I'm in my 24<sup>th</sup> year of false imprisonment for null trial causes. Yet, even though I have known the whole time what to do yet inside have never been able to exercise these unalienable rights for my liberty. Dana and others persecuted for setting legitimate help in motion. It is not now and never was "Our" judicial system - it is all the infidels satanic judicial system - ALL evil; ALL FRAUD!!!

Over the years I have met several special forces, other veterans who are well trained and knowledgeable, thus threat to the LIARS and FRAMES and imprisoned for protection of the wicked. This is a widespread reality.

I was shocked to learn of Jonnie's fateful experience. He has a prayerful brother in me. He's and Karen's fate has been a sore persecution of more innocent people. So many lies that have resulted in unwarranted abuses. Obama's AG had an axe to grind in Alaska. Who, other than the Joes, knows what in the details. They are always in my prayers.

If the bogus legal system, prisons and convictions were legit there would be no reason to block anything. 500 lbs of mail per day would not matter. 24/7 e-mails and phones, none would matter. REALITY, it's all FRAUD! And they cannot stand the TRUTH (Jn 8:32). None of us would be in these gulags if the TRUTH were out & known. The real crooks would be run off America. They've actually wanted to take 57 years, not 44 from me, all for no wrongs ever. We had Satan's crew all across America seeking my (and others) murder and silence by false imprisonment. ~~1-1~~

On more than one occasion I met Randy and Vicki Weaver and their family at Sambo's restaurant in Waterloo, Iowa before they moved to Idaho. They were holding or participating in Bible study gatherings. At that time Iowa was challenging people for homeschooling their children. I was encouraged to pick up and move with them but that was not where my heart was at that time. Sometime later they moved to Ruby Ridge, Idaho. I did not hear of them until the tragic attack there. A model Christian family attacked as by Satan himself. The murderers treated almost as if heroes. The movie made about Ruby Ridge an abomination — what a LIE (1996).

Motions in practice are mere suggestions. This is why the so-called judges often DENY them. The BAR-flys never support their pleadings with 2 witnesses: 1) re-numeration of claims; 2) Affidavit in support of claim — These claims are far different than motions/suggestions. Practicing: Why aren't they getting it right in the first place? Answer: It's all a fraudulent scam about more and power; NEVER about true justice, especially NEVER righteousness.

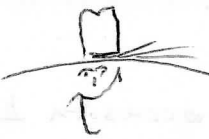

A B.A.R. member is a contracted procurator for the British-Crown and its bankers. Never there for anyone else. It is all a huge SHAM! This is why they "DENY" such as Vorie's motions. All satanic!!!

There is NO justice in the bogus system. Courts that are not courts with brutal, violent enforcers. Mafia disguised as government — all communism since War Powers Act of 1917, and its amendment "New Deal", HJR-192, 5 June 1933, et seq. Satan never had it so good!

It is a blessing seeing outside. Wind out of SW, Partly cloudy, low cumulous clouds, the taste of winter has passed for now.

But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it.

With deepest gratitude for all

you are doing; For example "Gideon's Army Weekly Conference Call and all the Ford weaves through it. I clearly remember the sympathy card I first received when we could still get color cards. Little things that make big differences. And so much more!!! Our unceasing prayers are moving mountains. (Mark 11:23,24).

"Woe unto those (the system) who call good evil and evil good."  
- "You are a light shining on the hill."

You are in my heart and prayers daily! Our King Jesus is the sure foundation. May all be well with you!

with love of Christ,  
in His service,

prayerfully!
