From Ronald E. Turner Sr. D.O.C. 165660

To Brother Rudy Davis

I am writing to you on The 1st Day of April and am not sure why it's been so long- Anyway To Bring you up to My Situation in order To Be Able To Know How To Praise GOD and How To Pray. I am still Sending Motions To Boulder about some of the About (50) Fifty Issues they did in my case. They just keep Signing them Denied and Sent Back - But GOD OH How I Love Those words when He said and DID THINGS in O.T.

Well About Three week ago I Received a Package From Boulder District Court- Upon Looking it over I had a updated Mittimus Called "Warrant of Commitment" This is what A Warden Holds you with- Any way it Also had One Mittimus for my son Monty R. Turner who is kept at Trinidad Facility- The Package had Copy's of The Indictment, Arrest Affidavit, And Warrant for Arrest, Some Miss. Copy's Pulled out of My File - But on Top of Each Stapeled Documents was a Little Glue Tap with The Clerk Recorder's Hand written Info as To Why She Pulled them out of a Very Large Collection of Documents- - They did not put Letter in to Explain But in checking with Different ones about it, They Told me That In Colorado They have Decided There are (5) Five Different District County Courts with Two Many Claims of Corruption. One of Them is Boulder County The one That did Myself and Monty's Case- So I Sent a Good Sized Package to What's called ^{Over} COLORADO Conviction Integrity Unit. Page #1
