ولسيادتكم خالص التحية والتقدير ،،،،،،،،،،

المدير التنفيذي
صباح صوي
هشام موسى

OUTSOURCING

Outsourcing is the business practice of hiring a party outside a company to perform services or create goods that were traditionally performed in-house by the company's own employees and staff.

ADVANTAGES OF OUTSOURCING

TEAM MANAGEMENT

LOW RISK

LOW COST

HIGH PERFORMANCE

It is a practice usually undertaken by companies as a cost-cutting measure. As such, it can affect a wide range of jobs, ranging from customer support to manufacturing to the back office.

THERMAL DETECTION PRODUCTS

THERMAL PAD

THERMAL
DETECTOR

SECURITY THERMAL GATE

THERMAL CAMERA

Thermal detector is based on temperature change of the measured object through the absorption of electromagnetic radiation temperature elevation or depression). The change in temperature causes a change in a temperature-dependent property of the thermal detector, which is evaluated electrically and is a measure of the absorbed energy.
