

Dance X Competition – Ticketing Information for Parents & Entrants

Dear Parents, Guardians and Dance X Families,

We are so excited to welcome you to our upcoming Dance X Regional! Please read the important ticketing information below to help make the event smooth and enjoyable for Everyone.

Important Points to Note

- It will be very busy
- Sessions are expected to sell out before the day of competition.
- Buy tickets online early to avoid disappointment- once sold out, no further tickets will be released. Sold out means sold out.
- No door sales are guaranteed (it is unlikely tickets will be available at the door unless there is availability)
- Carpool, drop-off & pick-up where possible to ease traffic and parking. You may be required to street park and walk a manageable distance due to busyness.
- We recommend schools who are travelling a distance to the event, bus their students to and from together.
- Seating is unallocated- first in, best dressed.
- Please do not reserve or save seats. Move into the centre of rows to allow easy access for others and those with accessibility needs.
- Competitors: depending on availability, competitors may not be permitted to watch from the auditorium, however they can be stage right to cheer on their teams if their coach allows.
- Wristbands: All audience members must check in at the ticket desk to receive the correct wristband for their purchased session/s.
- Please remember this is not a free event- every audience member must hold a valid ticket.
- Note: Ticket packages differ from session to session due to size of sessions and to allow as many parents to see their children perform as possible. They are priced according to their session duration. Please ensure you read and select carefully.
- Tickets are non-refundable
- Session starting times are firm- all other times during the session are approximate. The progress of each session may run slightly early or late due to withdrawals or quick

changes. Please be seated with plenty of time to spare so you do not miss your students performance.
