

# Dance X South Brisbane Regional – Ticketing Information for Parents & Entrants

Dear Parents, Guardians and Dance X Families,

We are so excited to welcome you to our upcoming South Brisbane Dance X Regional! Please read the important ticketing information below to help make the event smooth and enjoyable for everyone.

## Important Points to Note

- It will be very busy
- Some sessions are expected to sell out.
- Buy tickets online early to avoid disappointment
- Once sold out, no further tickets will be released. Sold out means sold out.
- No door sales are guaranteed, however, if available, tickets can be purchased at the merchandise desk
- Carpool, drop-off & pick-up where possible to ease traffic and parking. You may be required to street park and walk a manageable distance due to busyness.
- Seating is unallocated, first in, best dressed. Please do not reserve or save seats. Move into the centre of rows to allow easy access for others
- Please leave top 2 rows near doors for those with accessibility needs.
- Competitors: depending on availability, competitors can watch from the auditorium
- Coaches must be present side stage with their entrants.
- Wristbands: All audience members must check in at the ticket desk to receive the correct wristband for their purchased session/s.
- Please remember this is not a free event, every audience member must hold a valid ticket.
- Note: Ticket packages differ from previous years due to size of sessions and to allow as many parents to see their children perform as possible. Please ensure you read and select carefully.
- Tickets are non-refundable
