

The Keri Anne DeMott Foundation
501c3 non-profit organization
Tax ID No.: EIN: 81-4288688

The Keri Anne DeMott Foundation was founded by the DeMott family after their twenty-year-old daughter and sister, Keri Anne, was tragically killed in a head-on collision caused by a multiple DUI offender.

As a non-profit organization, the foundation's goal is to spread a message of education and awareness about the decisions we all make and how they affect others. By sharing Keri's story with middle school, high school, and college students as well as community groups and local law enforcement agencies, we hope to create a positive change in the world and give back to the community in the same ways Keri had imagined doing herself.

To accomplish these goals, we are seeking the help and involvement of businesses, families, and sponsors throughout our community. We appreciate your time in reviewing our sponsorship packages. Your support will allow us to continue to grow and spread a positive, lifesaving messages to all. You will be helping us #ChangeTheWorld in Keri's name.

Thank you so much for your sponsorship consideration. Please feel free to contact us with any question.
