

## The Keri Anne DeMott Foundation

1802 N Alafaya Trail  
Suite-106  
Orlando, Florida 32826  
501c3 non-profit organization

### Foundation Sponsorship

EIN:81-4288688

Keri Anne DeMott was a junior, studying sociology at the University of Central Florida when she was tragically killed by a multiple DUI offender on October 10<sup>th</sup>, 2015. She was just twenty years old. The DeMott family started The Keri Anne DeMott Foundation, to continue Keri's message, mission, and desire to help others.

As a non-profit organization, our goal is to educate and to raise awareness about not only drunk, impaired, and distracted driving but, the decisions we all make and how they affect others. By sharing Keri's story with students from elementary school through college as well as youth groups, sports teams, corporate events, safety events, and working with law enforcement agencies nationwide, we hope to create a positive change in the community and give back in the same ways Keri had imagined doing herself.

Since there is an overwhelming need for assistance and advocacy for victims and survivors of crashes the foundation has also launched its victim services program to help those affected by drunk, impaired, and distracted driving. This is all happening with no cost to those who need our assistance, guidance, and help. To accomplish these goals and to be able to travel and speak nationwide, the foundation relies heavily on donations and sponsorships.

Your support will allow us to continue to grow and spread a positive, lifesaving message to all. More importantly, you will be helping us Change the World in Keri's name.
