

SNO-X CLASSES AND RULES

STOCK SNOWMOBILE GENERAL REQUIREMENTS

1. The snowmobile must be all original OEM parts as sent by factory unless specified.
2. No change or modification is allowed unless specifically allowed by these rules. If these rules do not specifically allow a change or modification, then it must be assumed that the change or modification is not allowed.
3. **Tethers are required in stock classes.**
4. Tek-Vests are not required in sno-x classes, however **highly recommended**.

1. **Stock Sno-X Snowmobiles to follow Stock Pro Rules With the Exception Race Fuel is Allowed**
2. **Mod Sno-X Snowmobiles to follow Pro Mod Rules**
