Hello Friends,

We are looking forward to hosting our 41st annual poultry show, since the Greater California Society of Poultry Fanciers (GCSPF) formed in 1979. We have a great show planned with top quality judges for our APA/ABA sanctioned show, Youth Program, and Game Show.

Many of you have been wondering if we are going to have our poultry show with everything going on with Avian Influenza. The California Department of Food and Agricultural has been issuing updates on their website that has us questioning if they are going to shut us down. So far we have not heard anything and we are planning our show. If you have any questions, call me and I will clarify what you are seeing on their web site.

It is very important that each and everyone of you takes responsibility for ensuring your poultry is healthy when you bring it to our show. If your chicken is showing any symptoms of being sick, keep it home.

Several members in our club have been working very hard to plan our poultry show and we have many activities planned including an egg show, bird raffle and table raffle with many cool items. We also will have 4H Showmanship and an Avian Bowl directed by Dr. Francine Bradley. The Avian Bowl will be the state qualifier and the team that wins the Avian Bowl will be representing California at the national show in Kentucky in November. If you decide to travel to our show on Saturday morning, keep in mind your 4H Showman needs to check in no later than 8:15 at the Gem & Mineral Building.

The Ponderosa Lions Club will be providing breakfast and lunch, so please support this organization. This is a fund raiser for this community service club.

We are planning a Friday night banquet, catered by Jose Sanchez, so sign up for the banquet dinner on the entry form.

We would appreciate donations of show quality poultry for our bird raffle.

I look forward to seeing everyone and seeing some great poultry.

Sincerely,
Alan J. Gallegos
President — GCSPF
