Dear Mr. Perez:

Thank you for speaking at the 2015 FCCLA Leadership Conference held at the Waco Convention Center in Waco, Texas. Through your motivational words others and I were inspired to set goals and achieve them. Not only did you provide ways to set goals but through your stories of your personal experience proved that you can do anything you set your mind to. You personally allowed me to step out of my comfort zone and be confident in dancing in front of over a thousand people. Yes, it was scary but it let me leave the meeting with more confidence than I have ever had. Thanks to your inspiring speech many teens will now have a new perspective of becoming successful. This conference would have not succeeded without you.

The time and commitment you gave to the FCCLA Leadership Conference is greatly appreciated. The wide variety of teens that attended the conference left with a renewal of self-motivation. It was a pleasure to have you speak at the 2015 FCCLA Leadership Conference.

Sincerely,

Brooke Desrosiers
