### THE DUBUQUE SOCCER CLUB

#### OUR MISSION

The Dubuque Soccer Club's mission is to provide high level instruction, competitive and recreational soccer programs for Boy's and Girl's between the ages of 3-19. To guide players through the four levels of development, based on their commitment, ability, and desire to compete. At every level, the club will provide superior coaching to all players, regardless of ability or economic circumstance, in a fun learning environment. The club will strive to help each player realize their potential as a soccer player while using the sport to teach the values of personal fitness, teamwork, perseverance and sportsmanship.
