First Baseman (1)  
2<sup>nd</sup> Baseman (1)

### **COACHES**

The area between home plate and this arc will be considered foul territory for the purpose of batted balls.

### **SLINGING A BAT**

If a batter slings his bat, a warning will be given the team at bat. After one warning, any player on the warned team who slings his bat will be called out immediately. No runners may advance. The umpire will be the sole judge of whether the bat was slung or dropped. This is not an appeal play.

### **PLAYER ADVANCING TO FIRST BASE**

### **OVERTHROWS**

When a defensive play results in an overthrow, the runner or runners will be permitted to advance at their own risk, but no more than one base.

### **ADVANCING**

Hits will be live until the ball is returned to the pitcher's circle and the Umpire calls time, or all runners are not attempting to advance. When a runner stands off a base and "jukes" or "feints" back and forth, this is to be interpreted as "not attempting to advance" and "Time" shall be called.

### **ON DECK BATTER**

The next batter due to hit may stand in one of the on-deck circles so he or she is facing the back of the hitter, but must be wearing a batting helmet. All other players must remain in the dugout.

### **TIME-OUT AND CONFERENCES**

### **EJECTIONS**

Any coach or spectator ejected shall leave the ball park for the remainder of that game and shall have a minimum one game suspension imposed and will not be allowed to attend the team's next game. Failure to leave in a timely manner will result in a forfeit. Any player that is ejected from a game will be disqualified for the remainder of that game and must sit on the bench in uniform the next game that his team plays. Failure to comply with the one game suspension will disqualify the player for the remainder of the season or until the penalty is satisfied.

### **OFFENSIVE CONTACT RULE**

If a runner attempting to reach any base intentionally and maliciously runs into a defensive player in the area of the base, he will be called out on the play and can be ejected from the game. The objective of this rule is to penalize the offensive team for deliberate, unwarranted, unsportsmanlike action by the runner for the obvious purpose of crashing the defensive player, rather than trying to reach the base. The umpire will be the sole judge of whether the player should be ejected. This is not an appeal play.

### **TOBACCO USE**

There will be no tobacco use inside the fenced-in area of the playing field.

### **RAINOUT INFORMATION**

### **Tie Game – Extra Innings during End of season tournament only**

**Note:** This will only apply during end of season tournaments, regular season games will be allowed to end in a tie.

In the event that a game ends in a tie during regulation play, the game will continue with extra innings. The extra innings will be conducted as follows:

1. The teams will bat in the same order as specified in the official line-up. The batting order will begin with the batter following the batter that was responsible for the final out in the previous inning.
2. The inning will begin with a runner stationed on 2<sup>nd</sup> base.
3. The batter that resulted in the team's final out during the previous inning will be placed on 2<sup>nd</sup> base as a runner.
4. The team will begin the inning with 2 outs, meaning that a single out by the defensive team will result in the teams 3<sup>rd</sup> out.
5. Once the team batting has scored 6 runs or a single out achieved by the defensive team the half of the inning will be deemed over, and the same process will be utilized during the bottom of the inning.
6. This process will continue until a team is deemed victorious.

#### **Definition of Baseball Moves:**

---

In an attempt to ensure the training of accurate baseball positional skills and responsibilities, it is important that players respond to situations in a means that would follow normal baseball protocol. This is monitored by the response from positional players on the team and what actions occur based on the current situation of the ball game.

#### **PITCHER and Force Outs**

1. A ground ball hit to the pitcher should be fielded and thrown to a base to result in an out.
2. Running of the pitcher to a base or to a base runner will be discouraged and result in the player being deemed safe at the base that the player is advancing toward. Unless the path of the ball naturally takes the pitcher toward the baseline. See Overthrows and Advancing above.

A Player will not be allowed to “Run Down” another player or attain an out from a position where this activity would not naturally occur. In the event that this occurs the player will not be deemed out and will be allowed to remain at the base the player would have normally achieved, including home plate. If a defensive player would normally make a throw to attempt to put out a base runner, then a throw should be attempted (see Overthrows, Advancing and Pitcher and Force Outs); fielders should not try to “run down” a base runner. This is Intended to help teach proper fielding, catching, throwing, and defensive execution.

#### **Examples:**

1. An outfield player cannot tag a base or a runner with the ball
2. The short-stop cannot tag a runner advancing from 3<sup>rd</sup> to home
3. The first baseman cannot tag a runner advancing from 2<sup>nd</sup> to 3<sup>rd</sup>
4. The 3<sup>rd</sup> baseman cannot tag a runner advancing to 1<sup>st</sup> base following a hit
5. The pitcher cannot field the ball and touch home plate unless there is no catcher.

#### **NOTE:**

**ANY MYSA BOARD MEMBER HAS THE AUTHORITY TO EJECT A COACH, PLAYER OR FAN FOR ANY UN-SPORTSMANLIKE ACTIONS THAT ARE DEEMED TO BE OF A FLAGRANT NATURE AND ARE DETRIMENTAL TO THE MARION YOUTH SPORTS ASSOCIATION’S YOUTH PROGRAMS.**
