The eighth and only the eighth offensive batting spot is an automatic out when that spot comes up. If both teams do not have the required minimum number of players the game score will be recorded as a 0-0 tie. Head coaches will deliver one copy of their line-up to the opposing coach and official scorekeeper prior to the start of the game. If a player arrives after the start of the game the player must be inserted at the bottom of the batting order.

LENGTH OF GAMES

Games will be 6 innings or 1 hour 30 minutes in length, whichever comes first. No new inning may start after this time limit. Any inning started prior to 1 hour and 20 minutes, shall be completed unless the home team is ahead. Tie games will not be extended past the above time and innings limits.

PITCHERS

Players may pitch **ONLY** two (2) innings per game. One (1) pitch thrown equals one (1) inning pitched. Coaches and umpires will monitor innings pitched on the field. The innings can be nonconsecutive.

ADVANCING

The batter becomes **OUT** even when the 3rd strike called by the umpire is not caught. Runners **MAY NOT** advance past first base on a walk. During stoppage of play, a player may ask for "time" if runners are stopped and under control by the defense.

BASE RUNNERS

Base runners may lead off and steal 2nd base and 3rd base at any time with the risk of being thrown out. Runners are not allowed to steal home plate on a wild pitch and must remain on 3rd base until the ball is put into play.

PLAYER ADVANCING TO FIRST BASE

A batter runner who reaches first base safely and then overruns or overslides the base may immediately return to the base without liability of being put out provided the runner does not attempt or feint an advance to second. The runner has the ability to turn in either direction, towards second base or toward foul territory. Turning back towards first base even in fair territory would not constitute an attempt to advance.

FAKE BUNT – SLASH BUNT

A batter is out for illegal action when the player fakes a bunt and then takes a full swing, thus eliminating a player from fake bunting (slap-hitting) the ball. Penalty: Batter is out, the ball is dead, no runners may advance.

TIME-OUT AND CONFERENCES

Only 1 conference will be allowed with each batter during that batters' time at bat. Coaches may not call time out to confer with base runners.

SLINGING A BAT

If a batter slings his bat, a warning will be given the team at bat. After one warning, any player on the warned team who slings his bat will be called out immediately. No runners may advance. The umpire will be the sole judge of whether the bat was slung or dropped. This is not an appeal play.

PLAYERS ATTIRE

All players shall be properly uniformed including cap, glove, and shoes. All batters and runners must wear helmets.

WITH HOLD OF PLAYER

Coaches may withhold a player for missing practices, injury, sickness, etc. The opposing coach should be notified prior to the start of the game. The commissioner should be notified prior to the withholding of a player.

PLAYER QUITTING

In the event that a player quits a team, the head coach will notify the commissioner immediately so that the roster may be properly amended. Such players may return to their teams during the current year only with the permission of the head coach and the commissioner.

CONDUCT

Players, coaches, sponsors, parents, and spectators shall conduct themselves according to the MYSA Code of Ethics and Conduct. Head coaches shall be held accountable for the conduct of their team's players, assistant coaches and fans. Any unbecoming behavior shall at once disqualify the offender from any participation whatsoever until reinstated by the Board of Directors of the MYSA.

EJECTIONS

Any coach or spectator ejected shall leave the ball park for the remainder of that game and shall have a minimum one game suspension imposed and will not be allowed to attend the team's next game. Failure to leave in a timely manner will result in a forfeit.

Any player that is ejected from a game will be disqualified for the remainder of that game and must sit on the bench in uniform the next game that his team plays. Failure to comply with the one game suspension will disqualify the player for the remainder of the season or until the penalty is satisfied.

OFFENSIVE CONTACT RULE

If a runner attempting to reach any base intentionally and maliciously runs into a defensive player in the area of the base, he will be called out on the play and can be ejected from the game. The objective of this rule is to penalize the offensive team for deliberate, unwarranted, unsportsmanlike action by the runner for the obvious purpose of crashing the defensive player, rather than trying to reach the base. The umpire will be the sole judge of whether the player should be ejected. This is not an appeal play.

TIE GAME – EXTRA INNINGS DURING END OF SEASON TOURNAMENT ONLY

Note: This will only apply during end of season tournament, regular season games can end in a tie.

In the event that a game ends in a tie during regulation play, the game will continue with extra innings. The extra innings will be conducted as follows:

1. The teams will bat in the same order as specified in the official line-up. The batting order will begin with the batter following the batter that was responsible for the final out in the previous inning.
2. The inning will begin with a runner stationed on 2nd base.
3. The batter that resulted in the team's final out during the previous inning will be placed on 2nd base as a runner.
4. The team will begin the inning with 2 outs, meaning that a single out by the defensive team will result in the teams 3rd out.
5. Once the team batting has scored 6 runs or a single out achieved by the defensive team the half of the inning will be deemed over, and the same process will be utilized during the bottom of the inning.
6. This process will continue until a team is deemed victorious.
