#### **BATTING LINE-UPS**

All players on the roster will be in the batting line-up the entire game. Games may begin and continue with seven (7) players. The eighth and only the eighth offensive batting spot is an automatic out when that spot comes up. If both teams do not have the required minimum number of players the game score will be recorded as a 0-0 tie. If a player arrives after the start of the game the player must be inserted at the bottom of the batting order.

#### **LENGTH OF GAMES**

#### **ADVANCING**

Umpires shall call "Time" after every play and declare the ball dead. "Time" shall be called as soon as the ball is returned to the Defensive pitcher, and the pitcher returns to the pitchers circle, or all runners are not attempting to advance. "Time" does not have to be called by the defense for the purpose of this rule.

Comment: When a runner stands off a base and "jukes" or "feints" back and forth, this is to be interpreted as "not attempting to advance" and "Time" shall be called.

#### **PLAYER ADVANCING TO FIRST BASE**

A batter runner who reaches first base safely and then overruns or overslides the base may immediately return to the base without liability of being put out provided the runner does not attempt or feint an advance to second. The runner has the ability to turn in either direction, towards second base or toward foul territory. Turning back towards first base even in fair territory would not constitute an attempt to advance.

#### **ON DECK BATTER**

The next batter due to hit may stand in one of the on-deck circles so he or she is facing the back of the hitter, but must be wearing a batting helmet. All other players must remain in the dugout.

#### **DEFENSIVE LINE-UP**

All Players on the team will play the field each inning: Infield positions will consist of the following:

- Catcher (1)
- Pitchers (1)
- First Baseman (1)
- 2<sup>nd</sup> Baseman (1)
- Shortstop (1)
- 3<sup>rd</sup> Baseman (1)

All other players will play in the outfield, and must remain on the outfield grass until the ball is put into play.

**Players on the infield should be in their "standard" positions; no shifts, extra players on or around the mound, etc.**

#### **PITCHER / 1ST BASE**

The defensive player listed as pitcher shall not leave the pitching circle (the pitcher's mound) until the ball is hit. Penalty: The play continues. After the play has ended, the offensive team has the option of taking the result of the play or no-pitch. A ground ball hit to the pitcher should be fielded and thrown to a base to result in an out (running by the pitcher to a base or to a base runner will be discouraged) unless the path of the ball naturally takes the pitcher toward the baseline.

#### **TIME-OUT AND CONFERENCES**

Only 1 conference will be allowed with each batter during that batters' time at bat. Coaches may not call time out to confer with base runners.

#### **PLAYERS ATTIRE**

All players shall be properly uniformed including cap, glove, and shoes. All batters and runners must wear helmets.

#### **WITH HOLD OF PLAYER**

Coaches may withhold a player for missing practices, injury, sickness, etc. The opposing coach should be notified prior to the start of the game. The commissioner should be notified prior to the withholding of a player.

#### **PLAYER QUITTING**

In the event that a player quits a team, the head coach will notify the commissioner immediately so that the roster may be properly amended. Such players may return to their teams during the current year only with the permission of the head coach and the commissioner.

#### **CONDUCT**

Players, coaches, sponsors, parents, and spectators shall conduct themselves according to the MYSA Code of Ethics and Conduct. Head coaches shall be held accountable for the conduct of their team's players, assistant coaches and fans. Any unbecoming behavior shall at once disqualify the offender from any participation whatsoever until reinstated by the Board of Directors of the MYSA.

#### **EJECTIONS**

Any coach or spectator ejected shall leave the ball park for the remainder of that game and shall have a minimum one game suspension imposed and will not be allowed to attend the team's next game. Failure to leave in a timely manner will result in a forfeit.

Any player that is ejected from a game will be disqualified for the remainder of that game and must sit on the bench in uniform the next game that his team plays. Failure to comply with the one game suspension will disqualify the player for the remainder of the season or until the penalty is satisfied.

#### **OFFENSIVE CONTACT RULE**

If a runner attempting to reach any base intentionally and maliciously runs into a defensive player in the area of the base, he will be called out on the play and can be ejected from the game. The objective of this rule is to penalize the offensive team for deliberate, unwarranted, unsportsmanlike action by the runner for the obvious purpose of crashing the defensive player, rather than trying to reach the base. The umpire will be the sole judge of whether the player should be ejected. This is not an appeal play.

#### **TIE GAME – EXTRA INNINGS DURING END OF SEASON TOURNAMENT ONLY**

**Note:** This will only apply during end of season tournament, regular season games can end in a tie.

In the event that a game ends in a tie during regulation play, the game will continue with extra innings. The extra innings will be conducted as follows:

1. The teams will bat in the same order as specified in the official line-up. The batting order will begin with the batter following the batter that was responsible for the final out in the previous inning.
2. The inning will begin with a runner stationed on 2<sup>nd</sup> base.
3. The batter that resulted in the team's final out during the previous inning will be placed on 2<sup>nd</sup> base as a runner.
4. The team will begin the inning with 2 outs, meaning that a single out by the defensive team will result in the teams 3<sup>rd</sup> out.
5. Once the team batting has scored 6 runs or a single out achieved by the defensive team the half of the inning will be deemed over, and the same process will be utilized during the bottom of the inning.
6. This process will continue until a team is deemed victorious.

#### **TOBACCO USE**

There will be no tobacco use inside the fenced-in area of the playing field.
